A man in a hurry — while photographer zeros in on him, President Love wastes no time but presses ahead with his full work schedule.

## President's Message

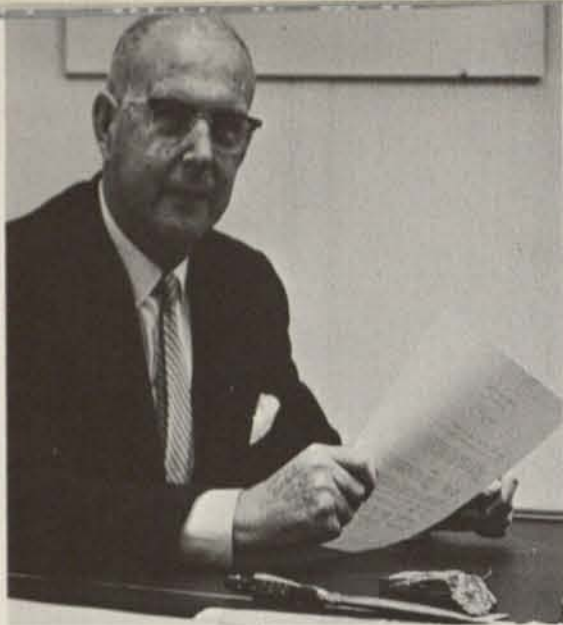

Today, thanks to the active support given over the years by citizens, the Legislature, our alumni and other fine friends in the community, San Diego State is one of the country's most distinguished centers of learning, and noted for its outstanding faculty and the high caliber of its instruction.

On this campus a community of scholars with a unity of belief that truth is the essential foundation for an institution whose purpose is to send annually into society several thousand graduates who, equipped with this belief, can bring about progress toward the betterment of society.

San Diego State serves regional and statewide needs by providing at the undergraduate and graduate levels a broad foundation and specialized instruction in the liberal arts and sciences, in applied fields, and in the professions. The instructional program reflects the needs of our San Diego community.

San Diego State has, further, a rich tradition of community service—a tradition which is ever growing through the many activities of faculty and student body alike. These are some of the reasons why you and the vast majority of our graduates will probably remain in the immediate vicinity of San Diego.

## Watson Retires After 29 Years Of Service

Twenty-nine years ago the vice president for academic affairs, Dr. Donald Watson, came to San Diego State College. The sound of construction, the problem of parking, the scarcity of available rooms on campus were characteristic of San Diego State in 1939 just as they are characteristic of today's campus. Dr. Watson came to help establish the physical science division. He is retiring this year.

Reflecting on his years at San Diego State, Dr. Watson noted some of the things he feels to be major accomplishments on the campus since he first came here. Among these were the improvement of entrance requirements, the increase of the number of major fields providing a richer and more rounded program, the addition of professional fields, the addition of the graduate program, and the expanding doctorate program. The most memorable event of his twenty-nine years, says Dr. Watson, was being able to speak to, and to introduce President Kennedy when he came to San Diego State in June of 1963. Looking into the future, Dr. Watson says, "San Diego State will become a multi-purpose university comparable to Michigan State or Ohio State."

Dr. Ernest B. O'Byrne  
Vice President of Administration

# Research

Bob Hardy, biology graduate is conducting studies in genetics. He is looking for developmental evidence of genetics mutations in fruit fly sperm. To do this he studies thin slices of fruit fly under an electron microscope. He uses a glass knife to cut specimen slices that are so thin they are measured in wave lengths of light.

A carbon dioxide laser, constructed at SDS under the direction of Dr. John Bolte, is used in graduate studies by Jim Osmondson, graduate in physics. He is aided by Jack Ferguson, a senior physics major. The development of the carbon dioxide laser is expected to solve problems in space communication.

Hardy observes microscopic slices of a fruit fly specimen as they are prepared in a specially made machine.

# Air Science

The Division of Aerospace Studies offers a two year upper division Air Force ROTC program. The curriculum is a generalized one and consists of courses designed to produce officers who have broad backgrounds as well as high growth potential. Flight training is offered as part of the AFROTC program to seniors in the pilot category. Upon the completion of the AFROTC program and requirements for a baccalaureate degree cadets are commissioned as second lieutenants in the Air Force and serve a minimum of four years active duty.

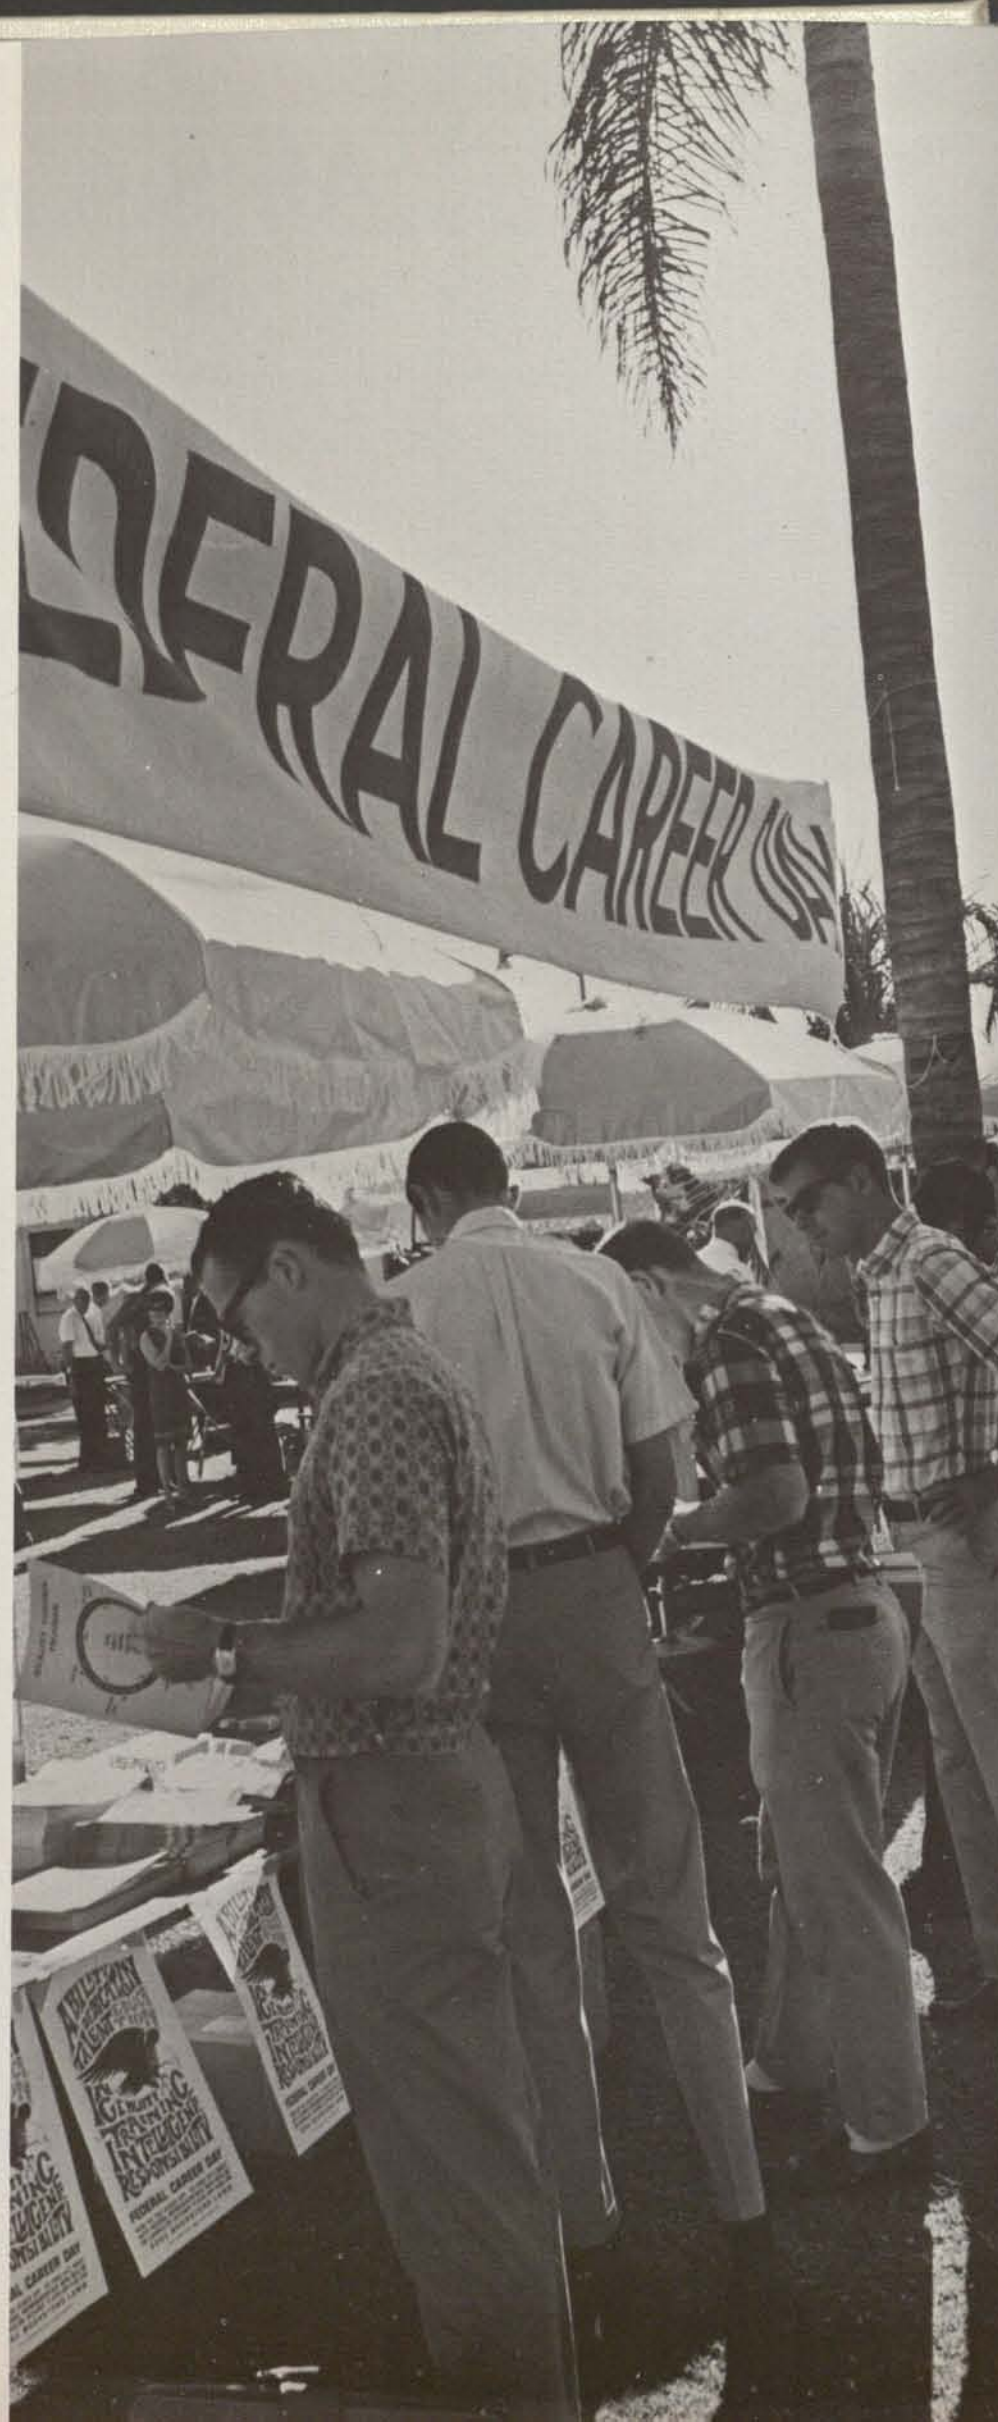

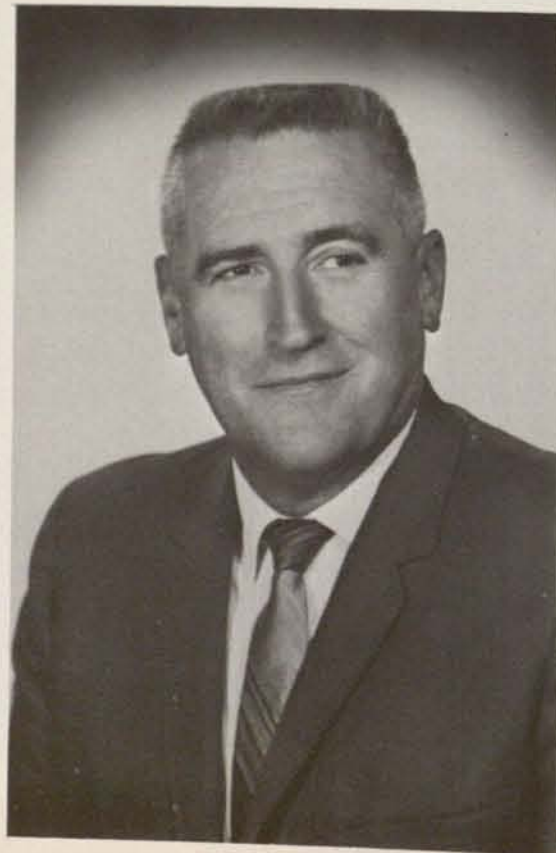

Two Air Science students go over a problem in personnel.

## Business Administration

The School of Business Administration is rapidly expanding and has a well organized program of undergraduate and graduate classes in business. It includes the departments of Accounting, Business Law and Finance, Management, Marketing and Business Education. The school has grown from an enrollment of 1,507 in 1962 to 2,135 in spring 1967. The school prepares students to enter areas in business ranging from the dynamic computer game to secretarial management, marketing and finance. The Bureau of Business and Economic Research is part of the School of Business Administration. This bureau publishes the **Business Inquiry**, and also began publishing a monthly statistical bulletin this year. The bureau offers opportunities for students to participate in research and active management analysis.

Dean Maurice L. Crawford

## Education

In 1898, a small teachers' college opened its doors to 91 students in San Diego. Today that teachers' college is known as San Diego State College and has a student body of 19,000. Within the now diversified curricula of the college is the School of Education.

The School of Education has taken an active role in providing the community with an insight into the problems and needs of today's educators and their pupils. The school provides almost 500 student teachers to the greater San Diego area within an academic year.

The School of Education has also taken an active part in such programs as the National Teacher Corps, the Compensatory Education Project and the Peace Corps program for the training of teachers. Many education students have become leaders in Boy Scouts, Girl Scouts and community recreation programs.

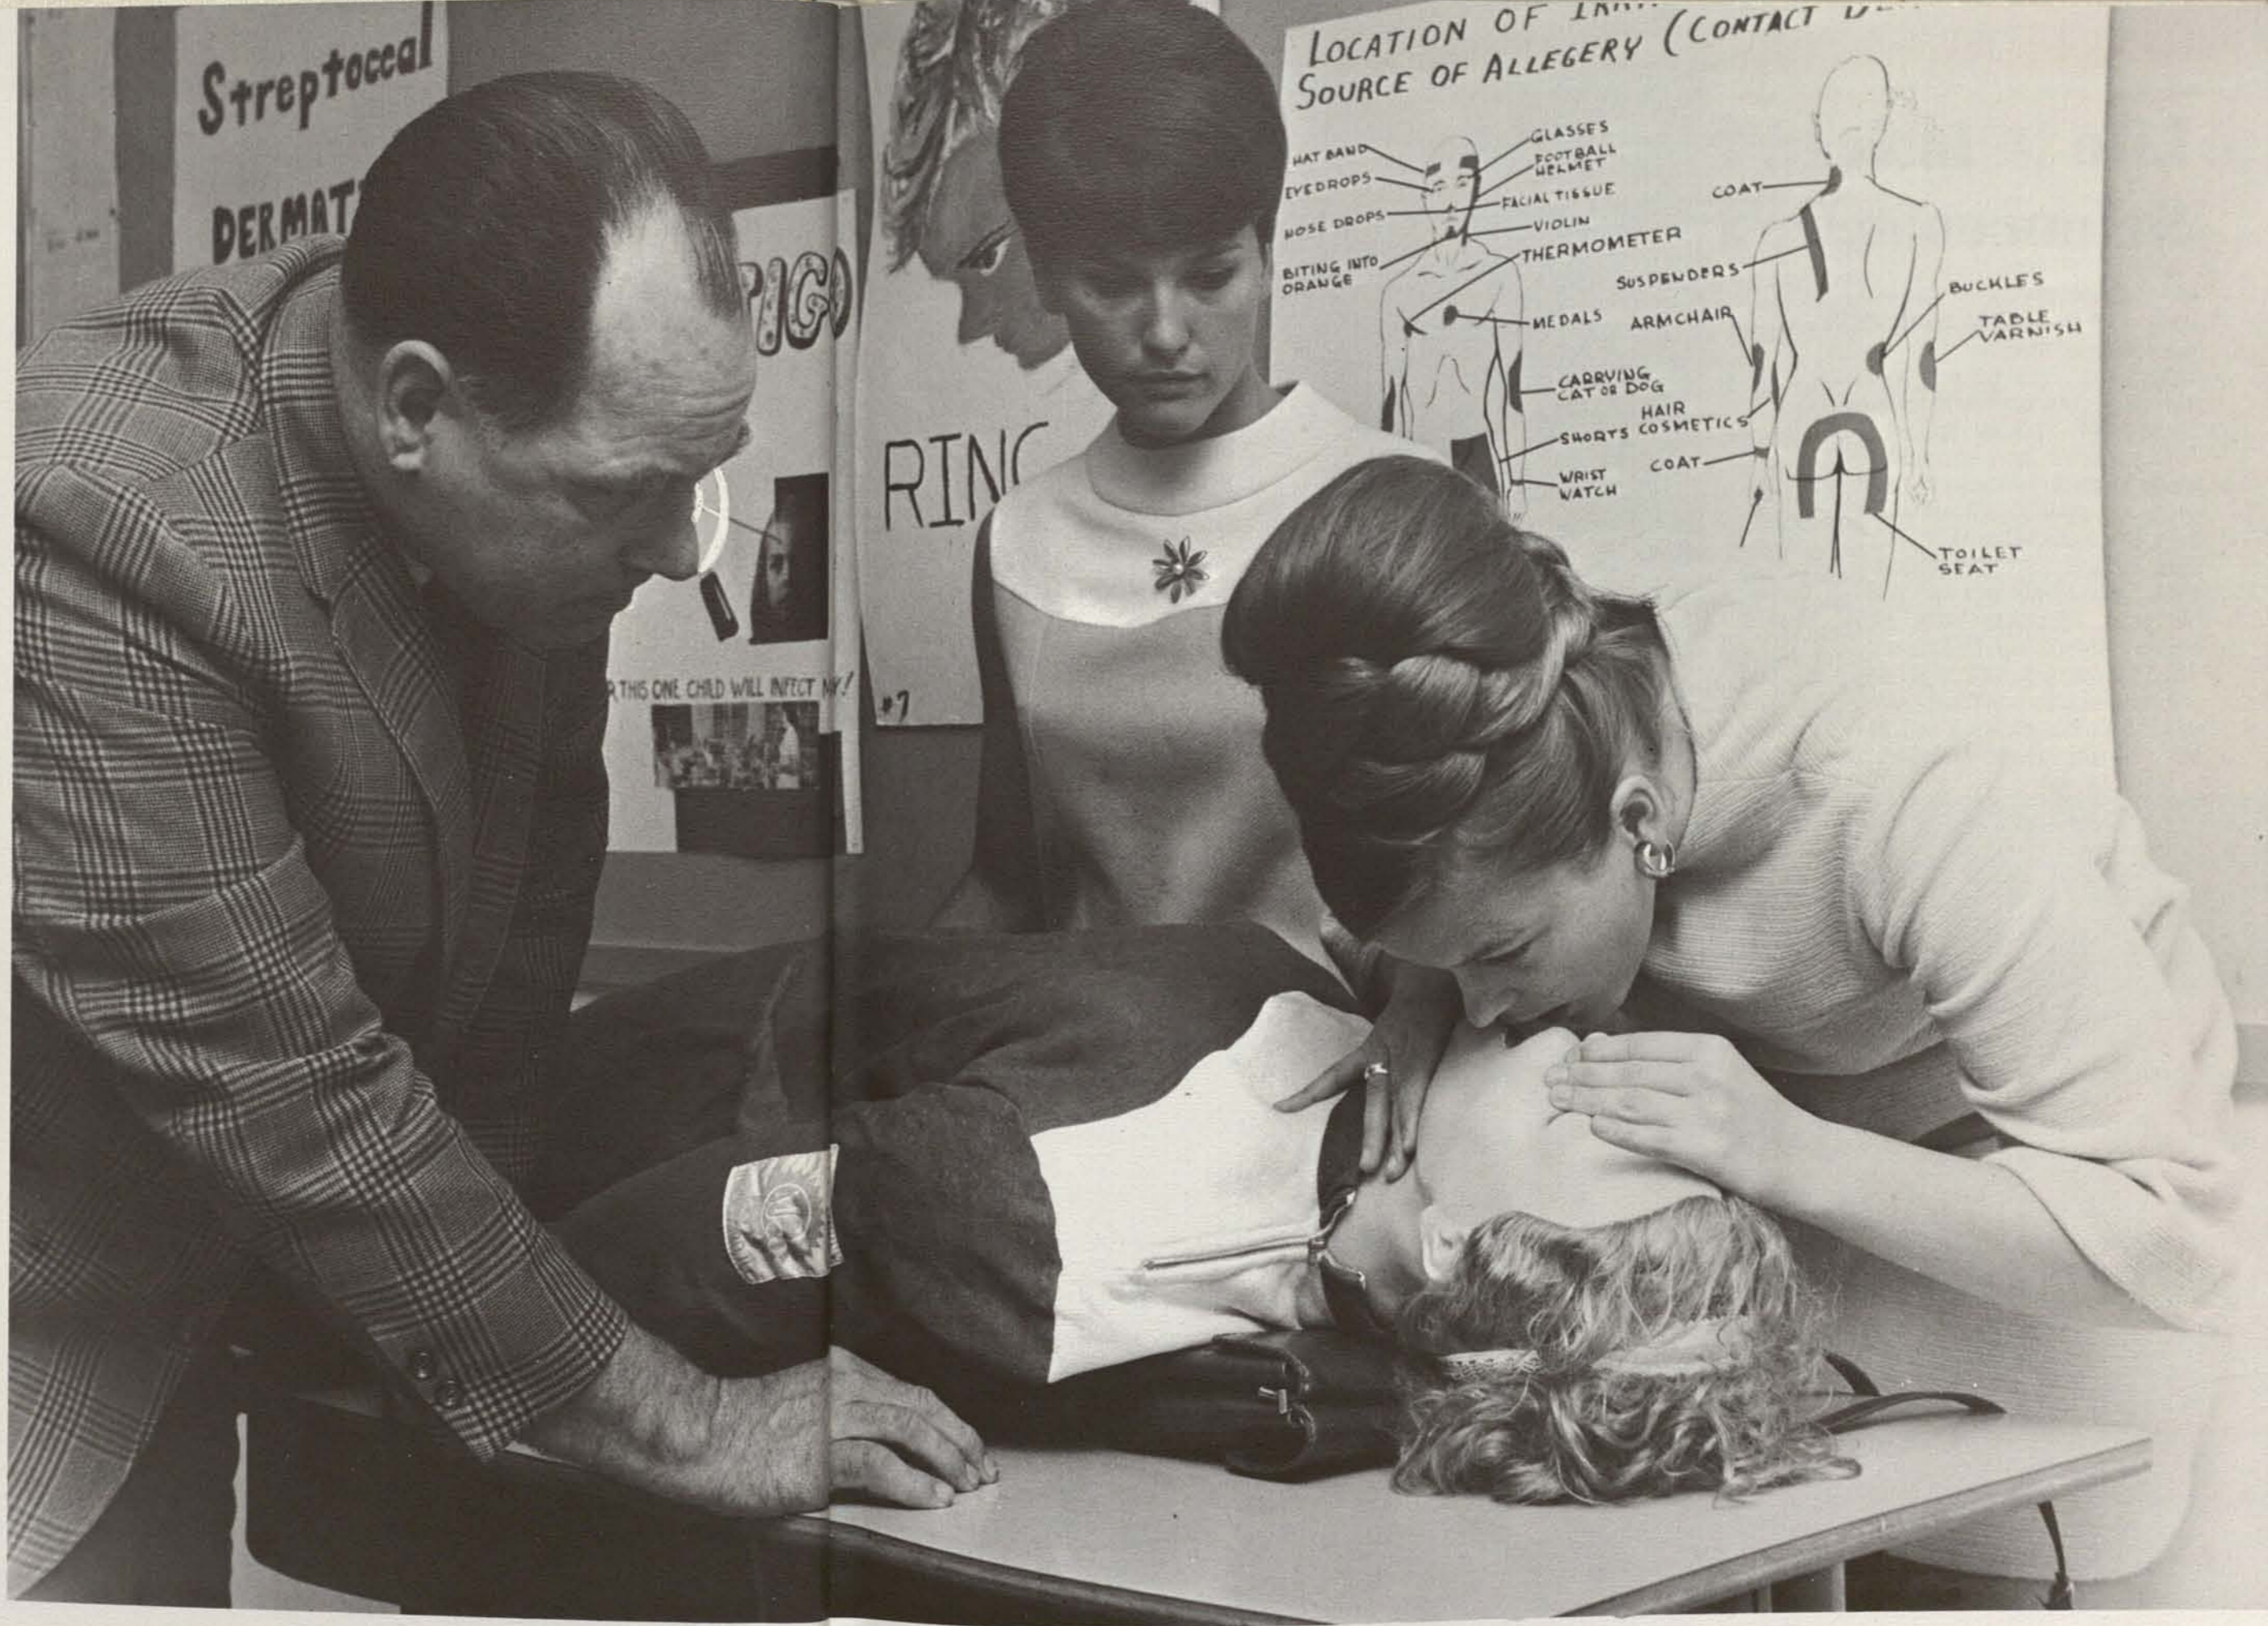

Dr. Gerald A. Person, Dean

# Health, Physical Education, and Recreation

"Physical education, health education and recreation are meaningful only if their principles and techniques are applied to the betterment of society." These departments have embodied their ideals. Through intercollegiate sports, the Athletic Department has guided San Diego State to national recognition. Football, basketball, cross country, and swimming teams have dominated national and state sports ratings. The teams have aroused community interest and spirit as evidenced by crowds averaging 40,000 at football games in the new stadium. The same community spirit is evident in the Health Education and Recreation Departments. Community leaders, specialists and experts cooperate with the various health agencies to provide students with classroom background and a program of workshops and institutes which provide community insight. Recreation students provide leadership for clubs, agencies, schools and recreation departments from San Ysidro to Oceanside.

Dr. William L. Terry  
Division Chairman

## Life Sciences

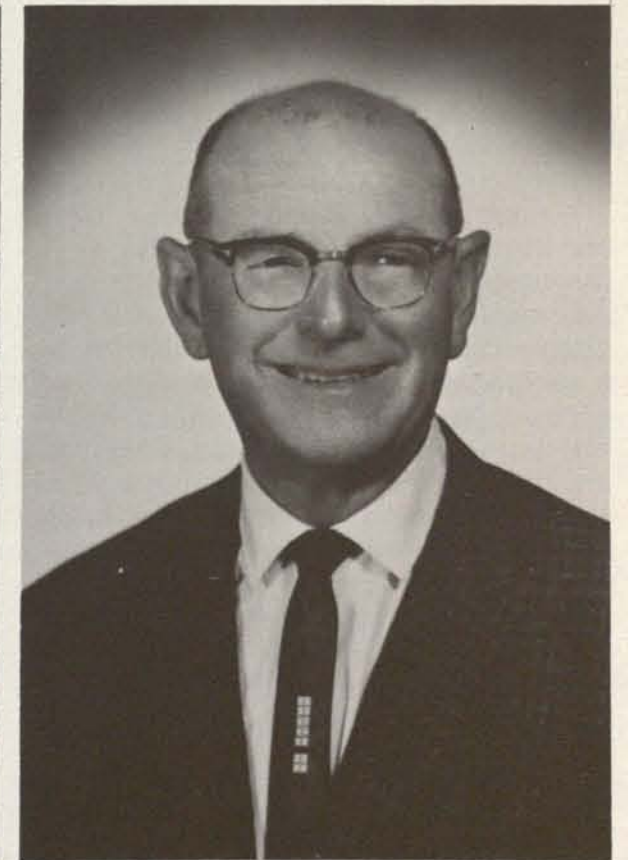

The wide range of interest represented in the Division of Life Sciences is indicated by the names of its six departments: Biology, Botany, Microbiology, Nursing, Psychology and Zoology. The faculty brings to the students of the division experiences from most of the major universities in the country. Their interests in teaching and research, and participation in the larger academic and scientific community of San Diego provide innumerable opportunities for the students to broaden their academic horizons. Nursing students use the local hospitals for their training and experience; many biology and psychology students are involved in projects at the Naval Electronic Laboratory, the San Diego Zoo, Scripps Institute of Oceanography, the San Diego Natural History Museum and Western Behavioral Sciences.

Dr. James E. Crouch  
Division Chairman

## Physical Sciences

During the year the Division of Physical Sciences has continued its position as one of the largest and strongest divisions of the college. It includes the departments of Astronomy, Chemistry, Geology, Industrial Arts, Mathematics, Physical Science and Physics. The total enrollment in student units is about one-sixth of the entire college. In June of 1967 the Chemistry Department conferred the first earned Ph.D. degree ever granted by any of the California State Colleges. This joint doctoral program with the University of California at San Diego now has eight active graduate students enrolled. Another notable accomplishment was the completion of an off-campus astronomical observatory in the Laguna Mountains. Facilities include a dormitory and three domes which house telescopes of diameters from 16 to 24 inches. The Geology Department completed a project this year which has won international acclaim. This has involved exploring and making geological maps of the northern half of Baja California.

Dr. Dudley H. Robinson  
Division Chairman

# Social Sciences

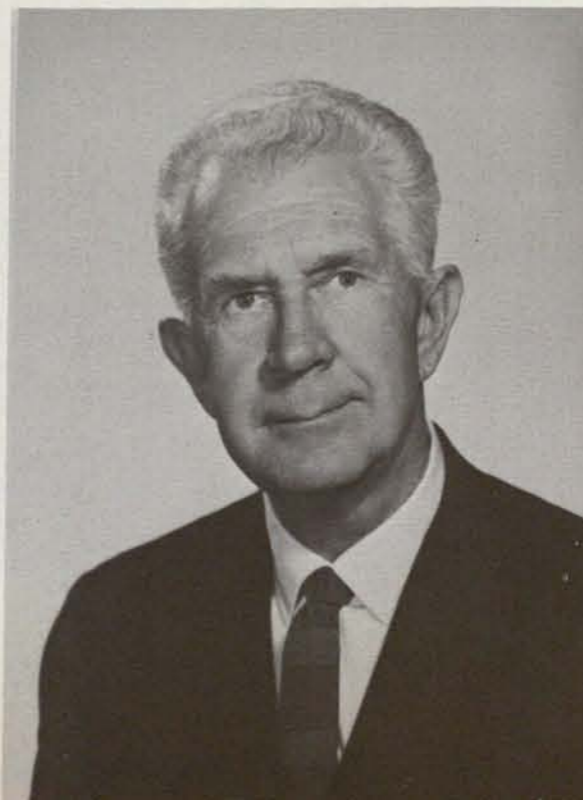

Dr. David S. Milne  
Division Chairman

The great diversity of career possibilities is luring many students into the Division of Social Sciences, making it the largest division in terms of student enrollment. The nearly 3,000 students in the division are enrolled in the departments of Anthropology, Economics, Geography, Journalism, Political Science and Sociology. These departments also provide a variety of services to the San Diego community, including a number of special institutes and bureaus. Among these are the Public Affairs Research Institute which conducts research on a nonprofit basis into community and governmental problems of a public and/or administrative nature; and the Institute of International Relations which provides a three-week seminar in August, bringing many prominent international and national figures to San Diego. The Bureau of Social Research, the Economic Research Center, and the Institute of Labor Economics make additional services and programs available to San Diego State and the community.

# Fine Arts

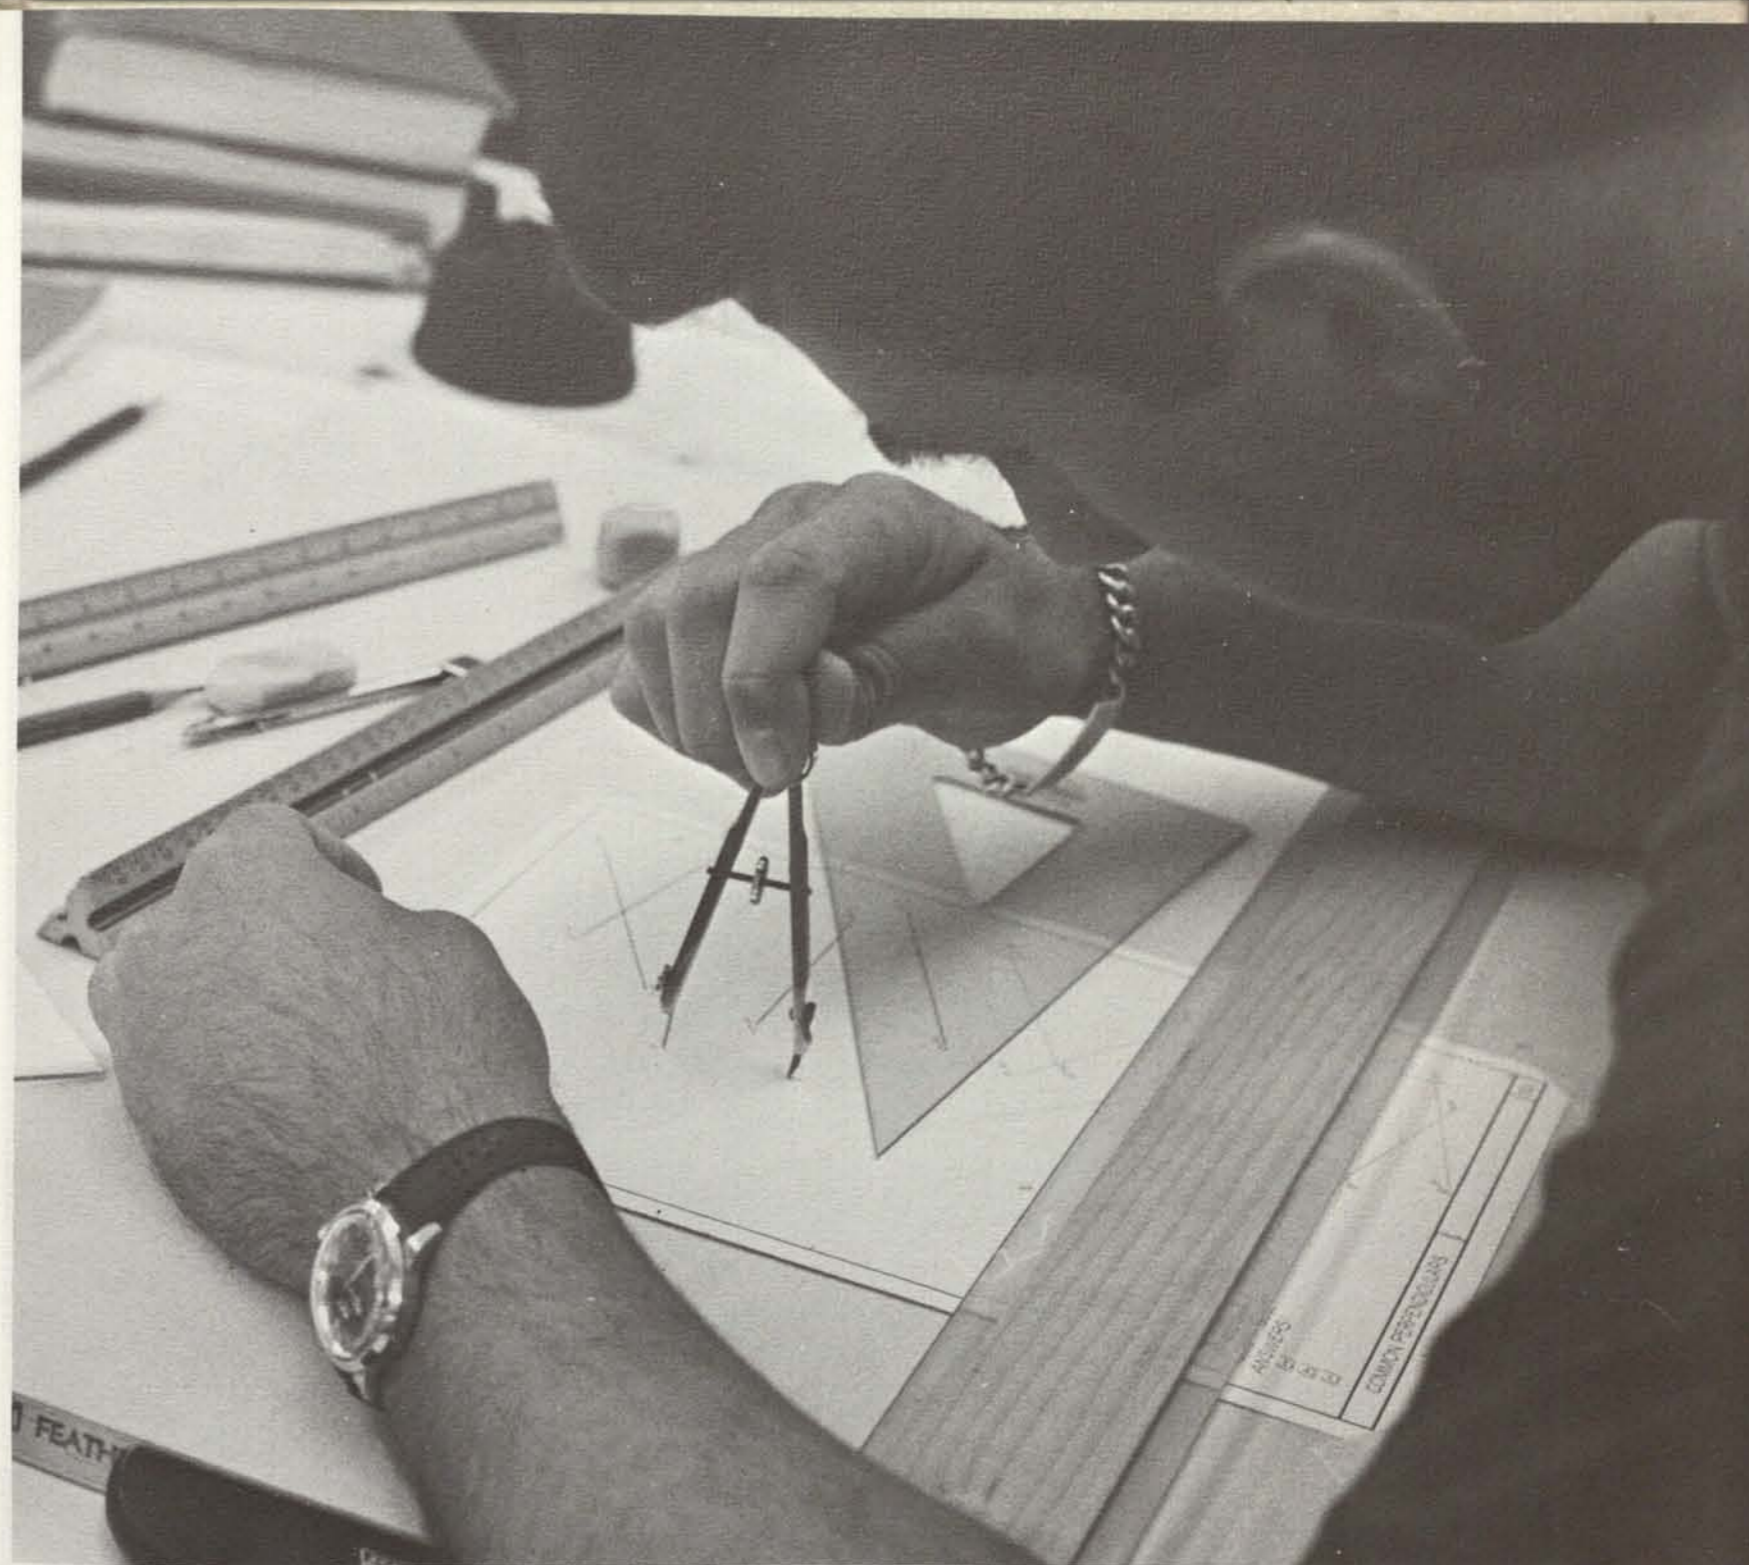

The Division of Fine Arts has an influential role in broadening the cultural spectrum of the city in motion. The division includes the departments of Art, Music, Speech Arts and Home Economics. A stimulating program of concerts, lectures, theater productions, art exhibits and receptions are provided by the Fine Arts Division. This year the long awaited Dramatic Arts Building opened in December with the production of "Ondine." A new two-story Music Building is scheduled for construction this summer. The SDS choral groups have received praise for their annual performance of Handel's "Messiah" and other works such as Dr. David Ward-Steinman's "Song of Moses" with Gregory Peck. The College Art Gallery features student and faculty art and historical shows. Ground is to be broken this year for a new Art Building and Gallery.

Prof. George N. Sorenson  
Division Chairman

# Humanities

The Division of Humanities builds understanding of the people of the world. The Humanities curriculum provides a course of study which gives a comprehensive view of the development of contemporary civilization. The American Studies Curriculum is also within the division. This program stresses the American heritage, in both its uniqueness and its debts to other societies. The foreign language departments, offering languages ranging from classical Greek to Japanese, are also included in the division.

Dr. John R. Adams  
Division Chairman

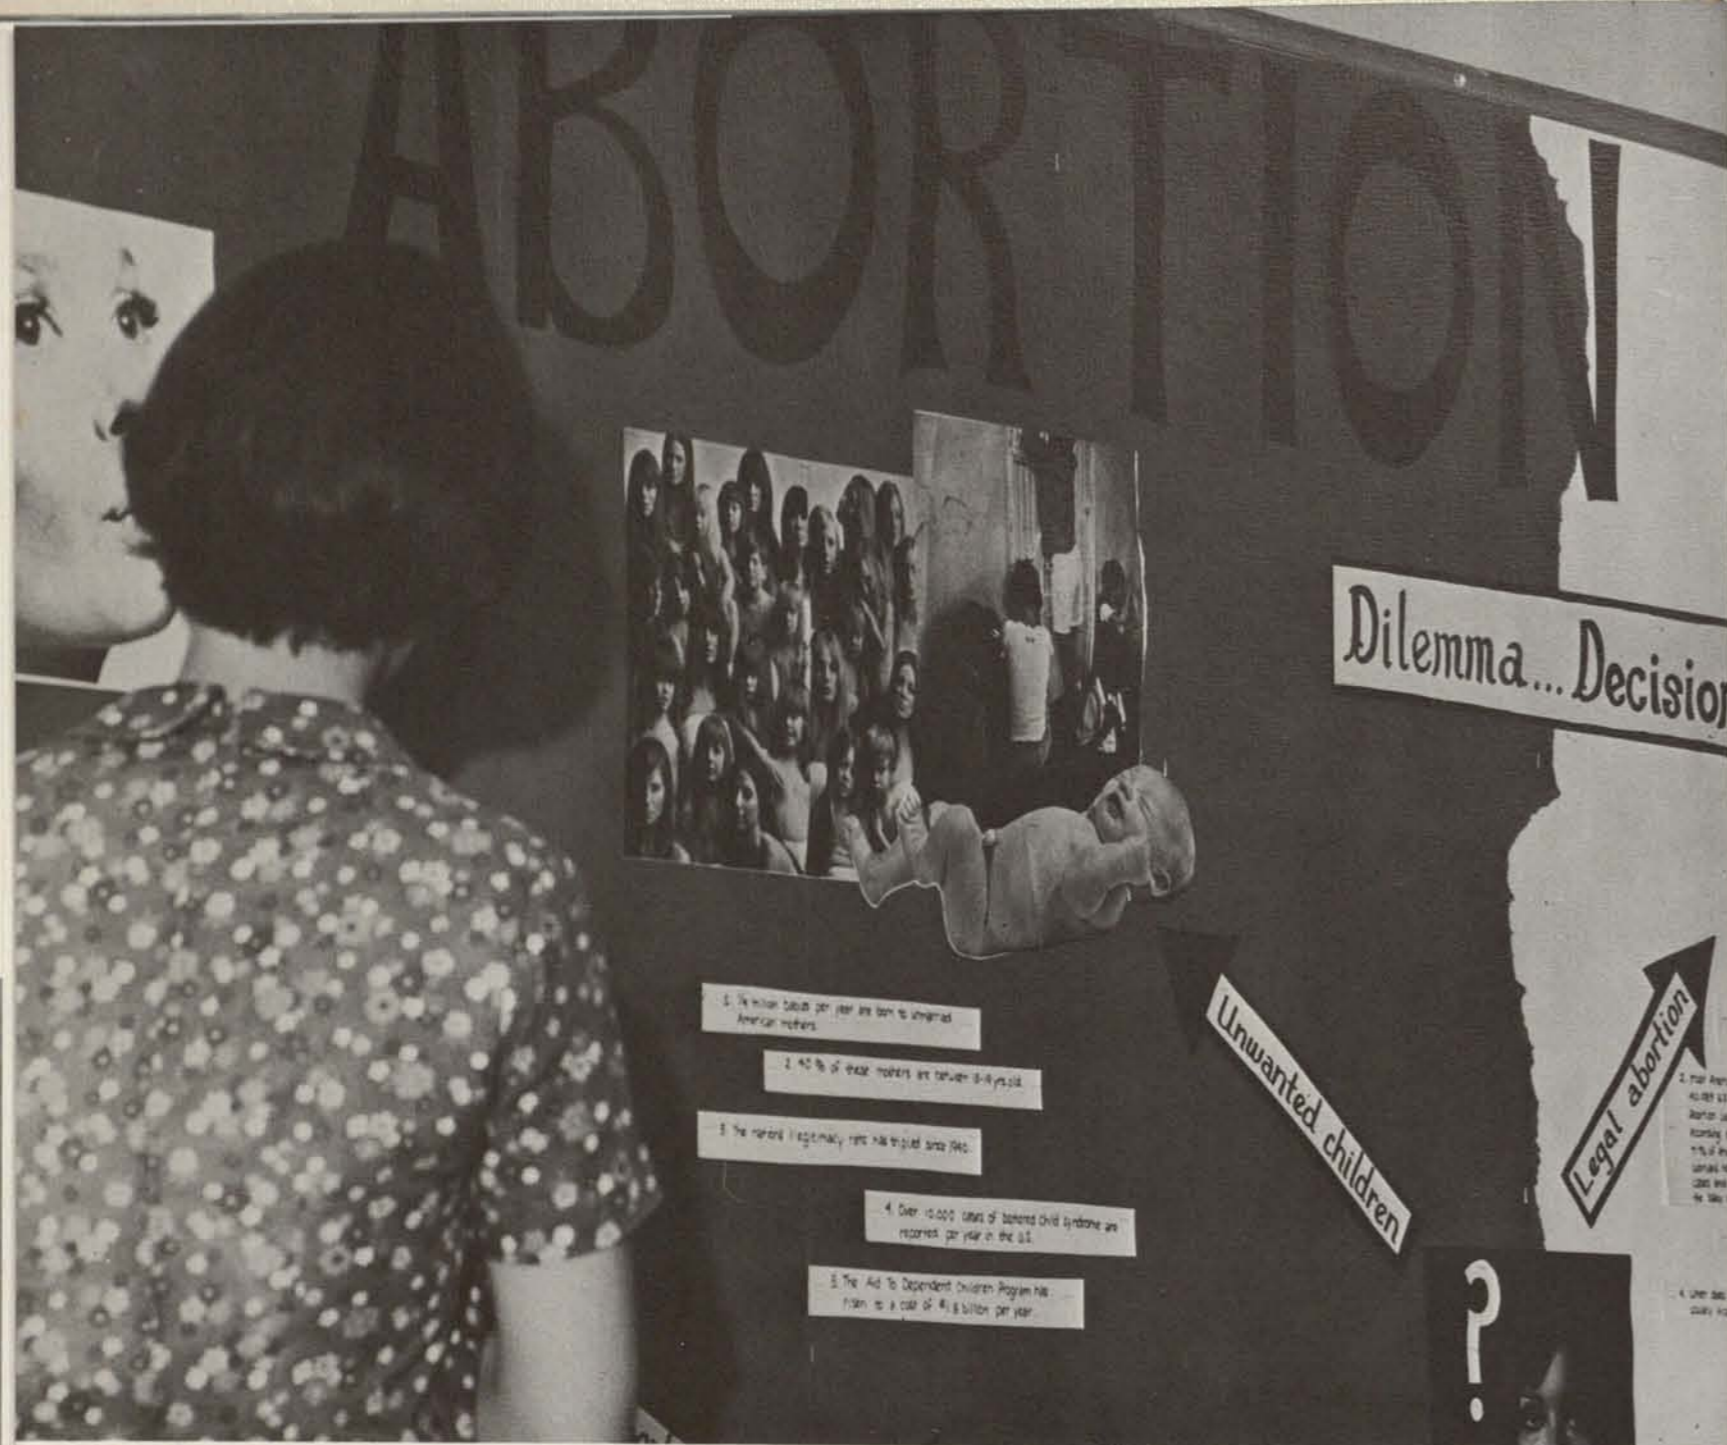

# School of Engineering

Engineering is one of today's most sought after careers. The San Diego State School of Engineering provides for the specified needs of the engineer. The school is divided into four departments; Aerospace, Civil, Mechanical, and Electrical and Electronic Engineering. The objective of the engineering program is to provide the intellectual and physical environment best calculated to encourage students to develop their capacities toward a successful career in engineering. To keep up with the rapid pace of technology, the SDS School of Engineering has added new equipment such as the analog computer and various laser projections.

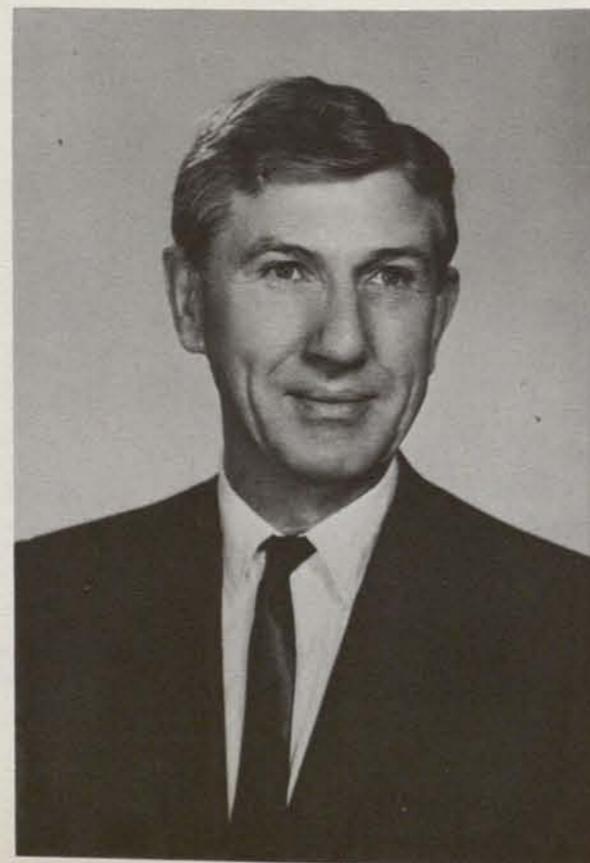

Dean Martin P. Capp  
Division Chairman

## School of Social Work

The School of Social Work is involved in many facets of activity in this community. Some 186 graduate social work students and 50 or more undergraduate social welfare students are assigned to a social agency each year for experience under educational direction. In each of these 45 agencies the School has a field faculty member. Students are engaged in a great variety of programs including the Economic Opportunity programs, the Community Welfare Council, the public schools, the California Youth Authority, the State Service Center, and the County Department of Welfare. During the current year, the School has begun two new field instruction programs and a field service for the aging in the State Service Center.

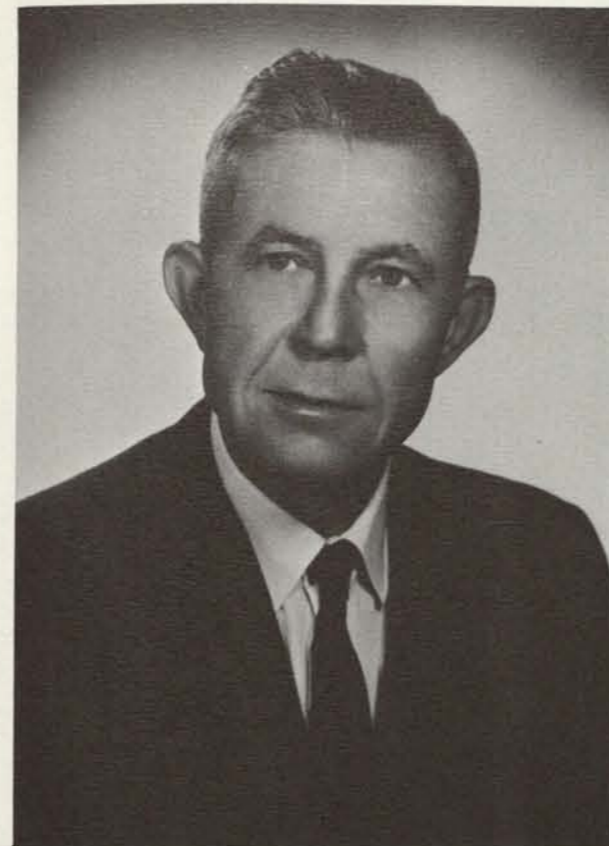

Dean Ernest F. Witte  
Division Chairman

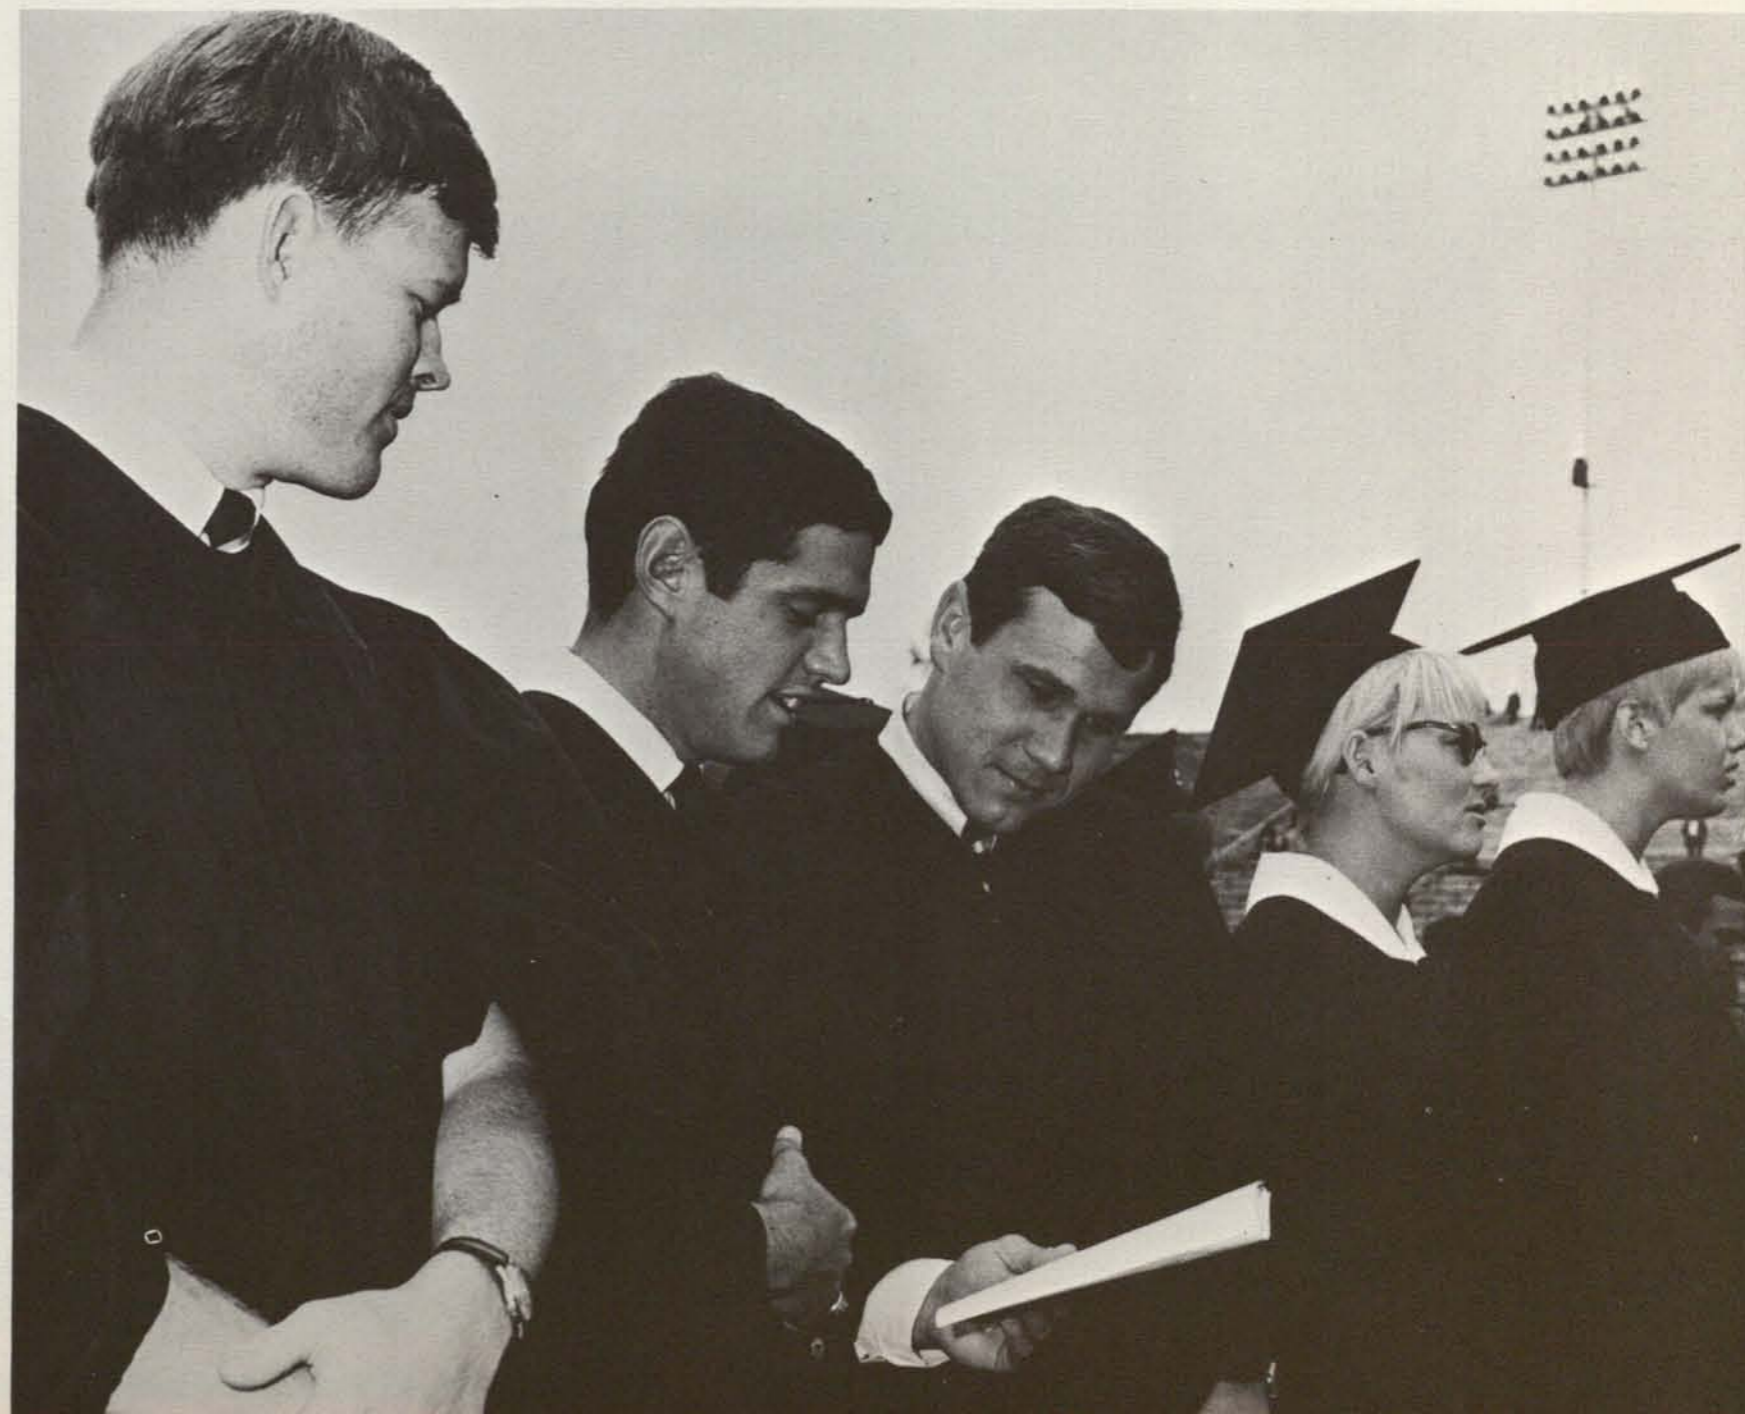

## Graduate Division

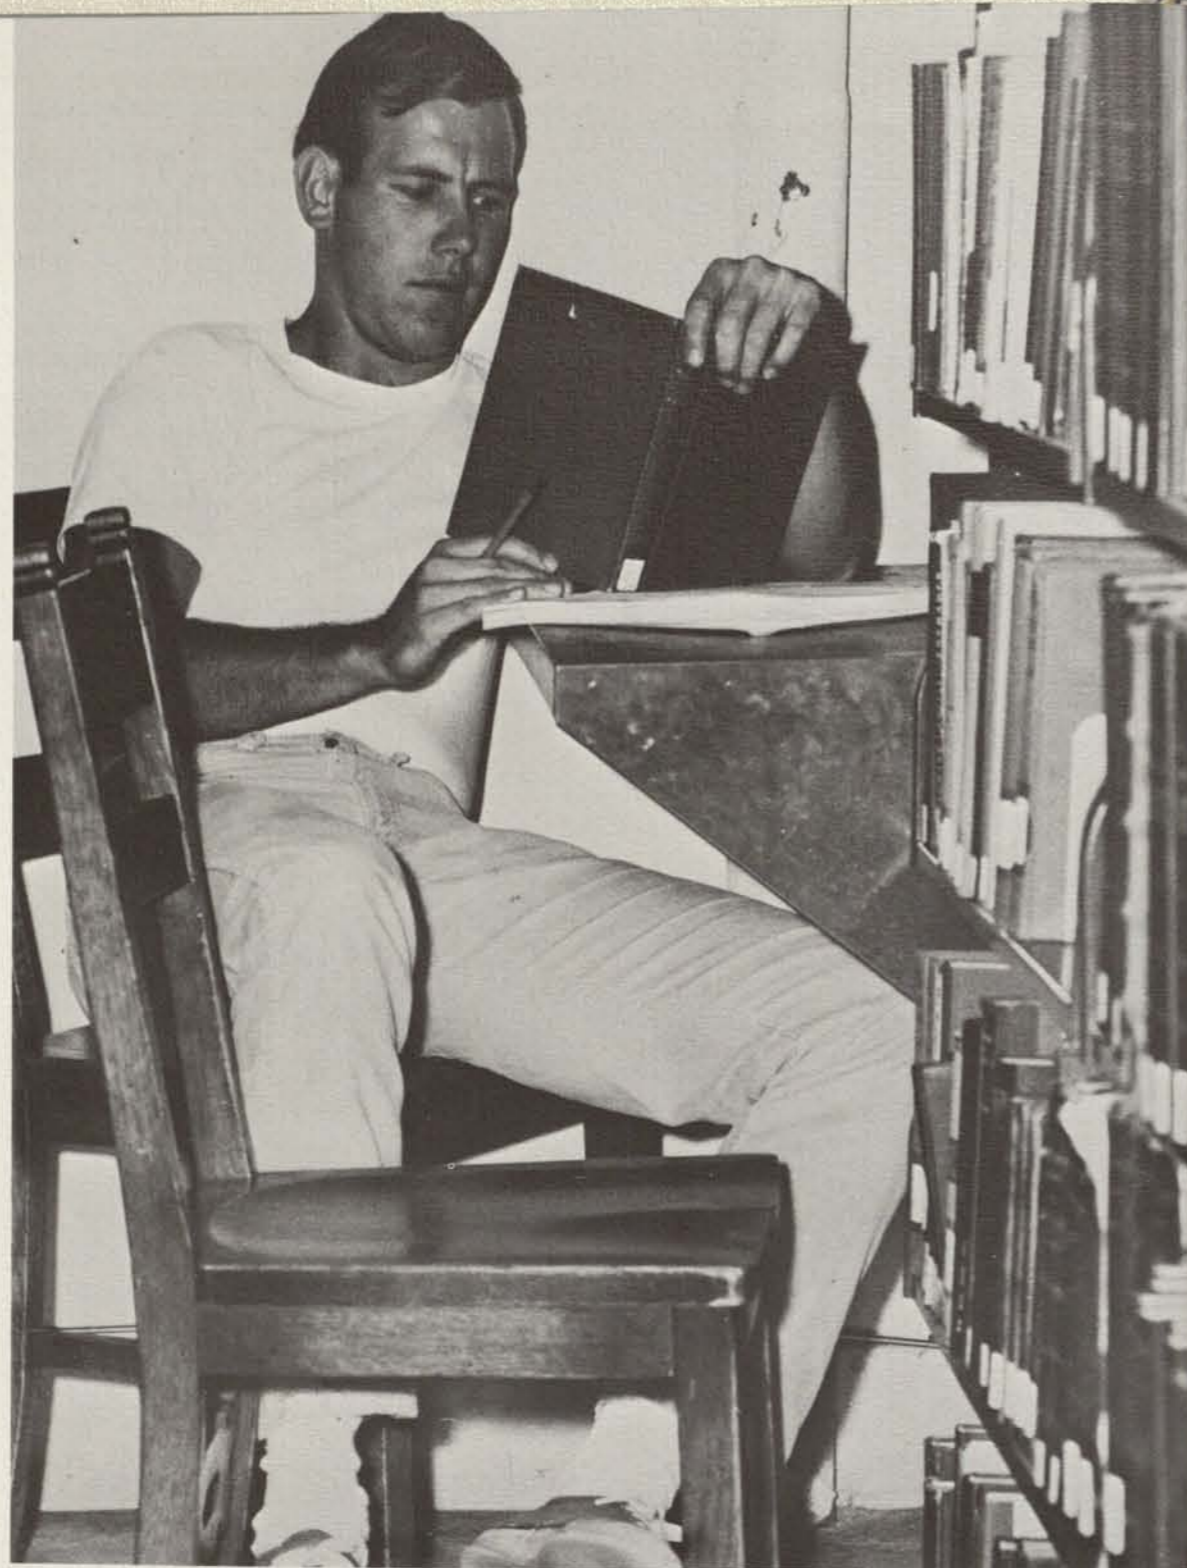

San Diego State College has always served the needs of our community for quality graduate study. Many of our programs have been established to fill a specific need of students living in the area.

Graduate study leading to an advanced degree at SDSC is organized at the Graduate Division of the College. Within the Graduate Division, a graduate student can take work leading to a Master of Arts or Master of Science degree in over forty fields of study. A doctorate in chemistry is offered. Additional doctoral programs are being planned.

Dean Maurice M. Lemme  
Division Chairman

## Library

The library is for the students. Its staff aims to serve by guiding the college's 20,100 students to its rich resources of over half a million books and other materials acquired and maintained for the education of students.

The present crowded and unsatisfactorily arranged library building will be replaced in November, 1969, by a beautiful new building that will provide ideal study and research facilities. Thoughtful planning and adequate financing promise it will be the outstanding academic library in this part of California. With this thought in mind the inconveniences of the present library may perhaps be endured with patience in anticipation of the future library.

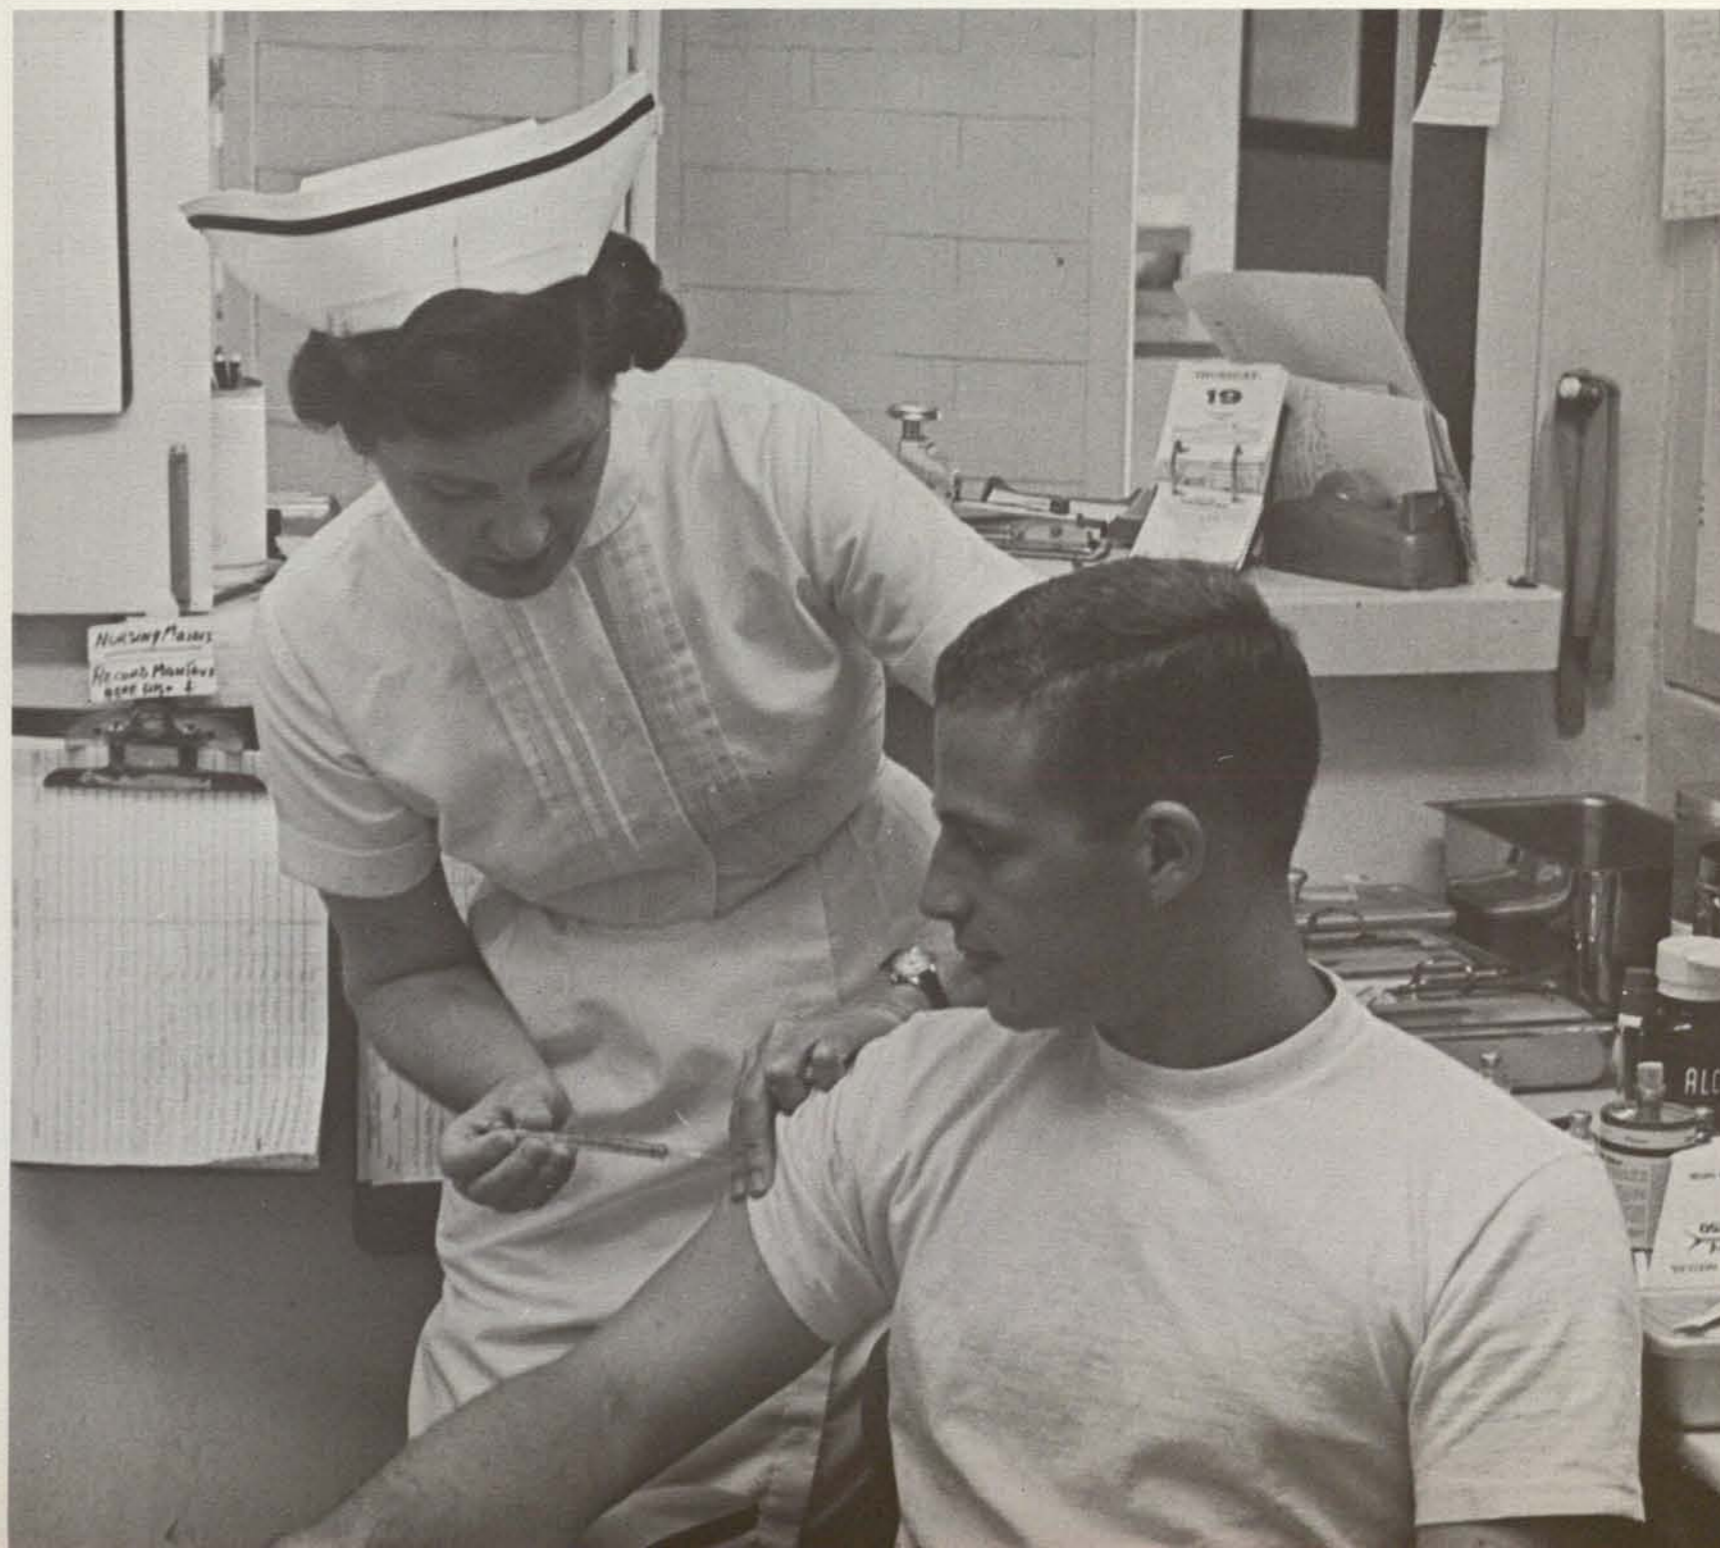

Dr. Louis A. Kenney  
Director of Libraries

Frank O. Robertson, M.D.  
Director of Health Services

## Health Services

A full time staff of doctors and nurses provide San Diego State students with medical care at the Student Health Services. Although all eligible students may elect to have care at the Student Health Services, this service is not meant to replace the family physician, but does work in conjunction with him. Eligible students may have X-ray, laboratory and physical therapy service performed on request of the private physician, even though they are not under the care of a Health Service physician. Follow-up care is also provided by the Health Services upon the request of the private physician. A pharmacy service began operation this year.

**Associated Students President**

This year's Del Sudoeste will provide lasting memories of one of the most exciting years in San Diego State College's long history. Such events as the opening of the Aztec Center, our nationally rated athletic teams and the Experimental College are but a few of the highlights of the 1967-68 academic year.

The many successes which San Diego State has achieved can be attributed to a number of factors. A very competent and dedicated faculty and administration, an extensive building program and an enthusiastic student body have all contributed to making San Diego State the most dynamic academic community in the entire State College System.

I would like to express my gratitude to the many faculty members and administrators who have provided help and guidance to me during the last year. I would also like to offer a personal note of thanks to the Associated Students for having afforded me the opportunity to represent them.

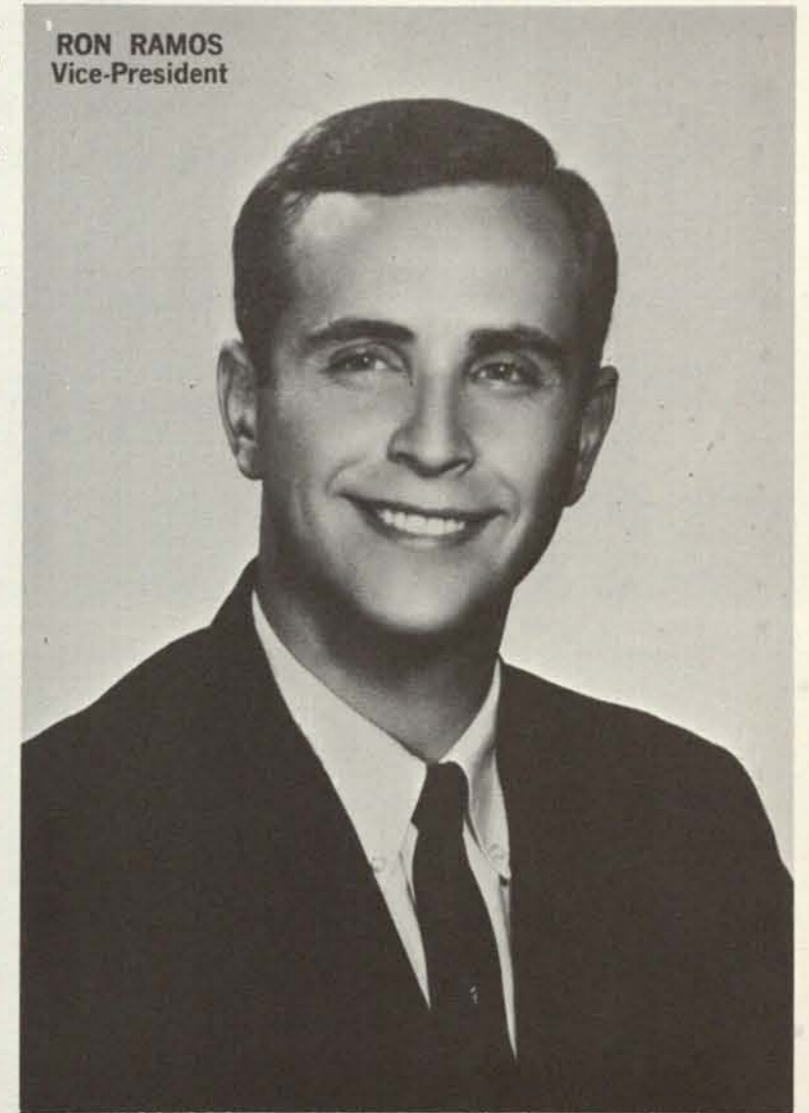

Best of luck to all of you in the future.

# Associated Men Students

The Associated Men Students have been quite busy this year with some very unique activities. The highlight of this year's activities was the "How to Watch Girls-Successfully" program sponsored by the International Society of Girl Watchers. This program had an attendance of around 600-700 spectators, and as a result San Diego State now has a campus chapter of The International Society of Girls Watchers.

Other activities included an over-the-line tournament, the Navy U.D.T. Seal Team demonstration and film, and "Messages Around the World Program." The Associated Men Students concluded a very successful 67-68 year with All Men's Week.

# SDS— A Cultural Panorama

A group of ten young ladies from Japan — all between 6 and 15 years old and all accomplished violinists, who were taught under the Talent Education method developed in Japan by Shinichi Suzuki, performed here for the opening of the fall concert series. Rey de la Torre, classic Cuban guitarist, presented a program of versatile pieces during Homecoming.

Folk singer and nonviolence demonstrator, Joan Baez, who performed before sellout crowds at SDS in 1963 and 1964, again established her outstanding performing personality before another sellout crowd here in November. Andy Warhol, the famous underground filmmaker who caused national controversy by his "non-performances," was also here in person to take part in the Fine Arts Festival.

Georgia Seavers, Lois Tenney, Jo Bravick and Pahl Newlon dance "The Kyrie."

# An Evening In Dance

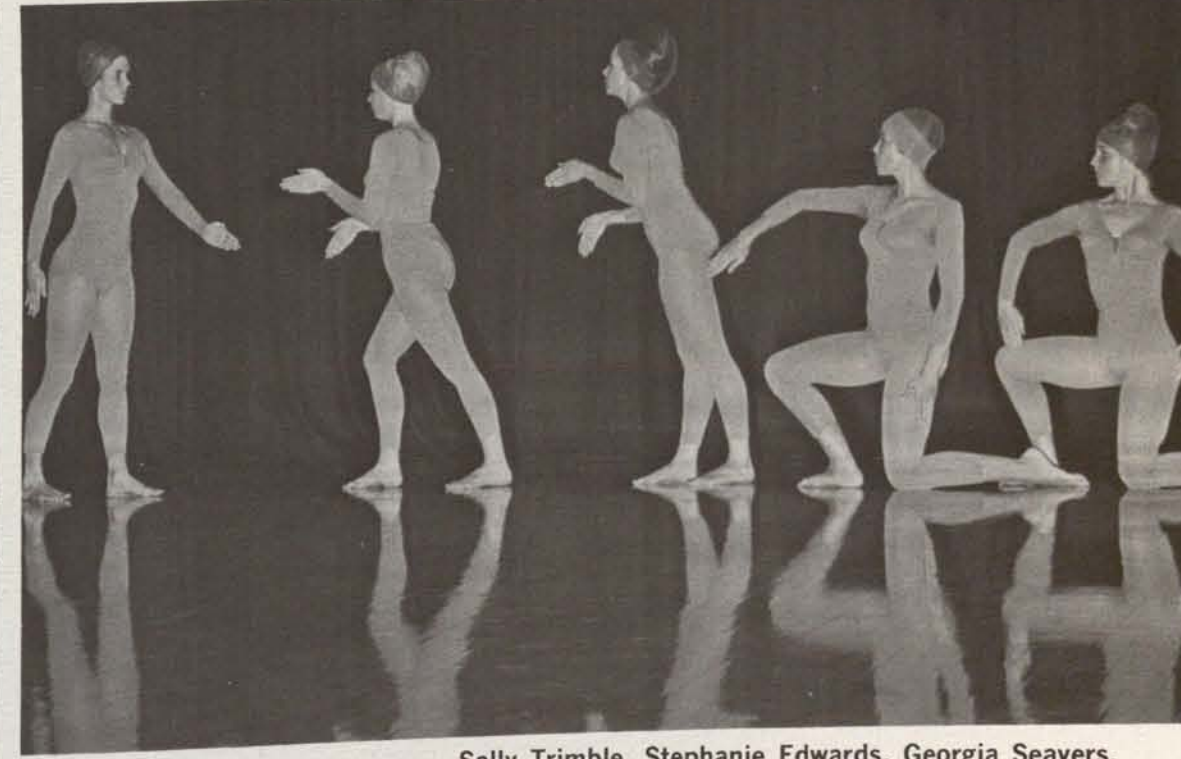

Twice a semester the Modern Dance Club, composed of dance majors and modern dance enthusiasts, presents an Evening in Dance program for the public. All the choreography is arranged and directed by the dance majors. The non-profit club, of about

40 members, selects all its own music for each presentation. Members also design and make all of their own costumes and props. Working with the Modern Dance Club are Miss Lockman and Mr. Willis of the SDS faculty.

# Homecoming Queen

## 1967-68

**MISS PAT SCHOLEFIELD** was crowned this year's Homecoming Queen in the Main Quad on Nov. 14. Pat's reign over Homecoming Week included attending all official Homecoming activities as our hostess. The queen and her court were also official guests at Disneyland for a day. Her week was climaxed at the Montana State game when Pat was pre-

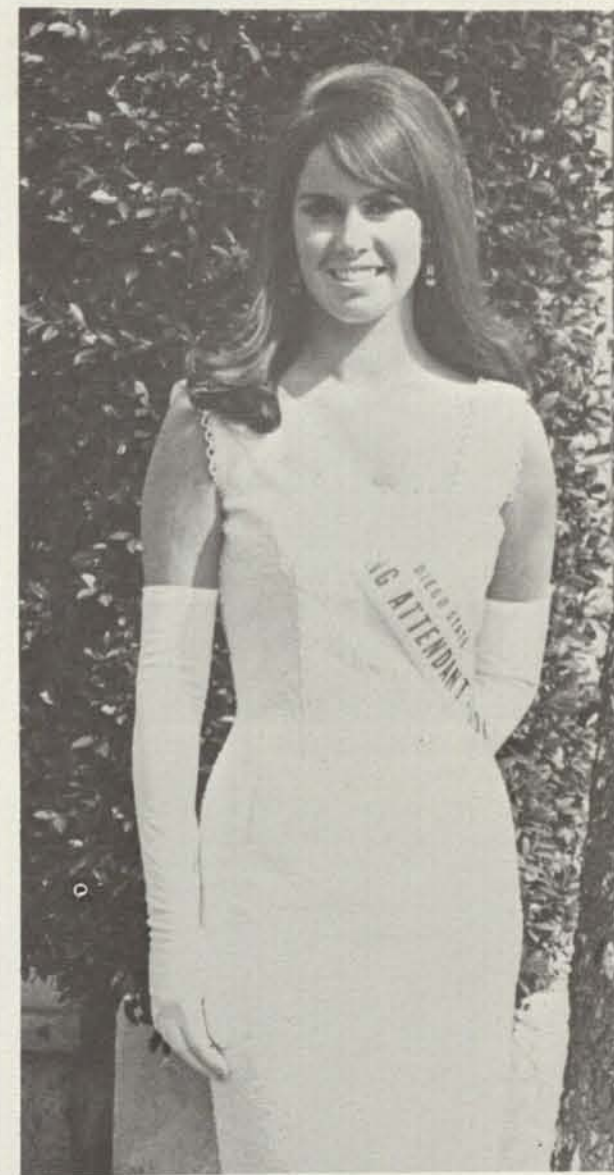

sented a key to the city of San Diego by Councilman Helen Cobb.

# Homecoming Week

## Push Ball Contest, Pat Crowned Queen, First Alum Picnic

This year's Homecoming activities, headed by Barbara Lamb, proved a great success, involving more of the college and community than in previous years. Homecoming began the week's activities with the coronation of the lovely queen and hostess, Miss Pat Scholefield. Other events included the performance of classical guitarist Rey de la Torre and the annual President's Banquet. In the traditional

Push Ball Contest, the "Clean Socks" stomped their opponents 34-0 in a real "barn-burner." The last and busiest day began with campus alumni tours, followed by the parade and Alumni Banquet held in the new Stadium Club. The day was memorably climaxed by pre-game activities, presentations of awards, Mayor Curran's "Disney Day" proclamation, and our victory over Montana State.

## With Best Parade Yet!

"Monty Knock's 'Em Goofy" takes highest honors in the biggest Homecoming Parade yet! Some 2,000 viewed the 65 entries, including the Disneyland Ambassadors, Sally Sherbin, and Grand Marshal Mickey Mouse. The official hostesses of the annual parade were Homecoming Queen, Pat Scholefield, and her court, Laurel Baumann, Anita Burkhart, Jere Johnson and Linda Taylor. Also featured this year for the first time were the Shriner Clowns, model cars and equestrian entries. Sigma Phi Epsilon fraternity and Gamma Phi Beta sorority were the proud creators of the Sweepstakes Float. The well earned trophy was presented to the happy groups at the evening's pre-game festivities.

... a cadence of drums, and a parade of color rolls west down Montezuma.

Alpha Tau Omega and Alpha Phi's take first place with their float entitled "A Dream Come True." Sigma Alpha Epsilon and Kappa Alpha Theta's intricate entry, "Eternal Youth in Dreams," brought them a well deserved second place.

Ondine, played by Tina Ciuffo, has insulted the King, E. Jackson Phippin.

## New Theater Opens With Ondine

The dedication performance of "Ondine" on December 8 proudly announced the opening of our new \$2,500,000 Dramatic Arts Building. The department said, "This versatile building enclosing 63,000 square feet permits SDS to join the outstanding educational theaters of the nation in the advancing of dramatic arts."

The legend of Undine, a water spirit who loved and caused the death of a mortal, was written by Jean Giraudoux, and adapted by Maurice Valency. "Ondine" at SDS was directed by Hunton D. Sellman, professor in charge of the theater; sets by Don W. Powell, and costumes by Phyllis Rogers.

Ondine persuades The Illusionist, or The Old One, portrayed by Joseph White, to go away.

... and the entire cast answers the first curtain call in the new Dramatic Arts Theater.

The first fisherman, David Glass, tells the tale of how he captured Ondine.

Ondine pleads with The Old One for the safety of Hans.

Mike Phillips and Girls' Chorus: Little Chap has dreams of glory as the Factory Girls mock him.

# Stop the World

We all at times have thought we would like the world to stop so we could get off for a second or two. And, that's the desire of Littlechap in the Leslie Briscusse, Anthony Newley play, "Stop the World — I Want To Get Off." The musical comedy follows Littlechaps life from birth until death, telling of his ambitions and failures and his complications with the opposite sex.

Mike Biers and Mary Cobb: Little Chap, headed for the altar with Evie, his bride-to-be.

Mike Phillips and Girls' Chorus: "Give me half a chance in the south of France to make my pitch . . ."

Mike Biers (as Little Chap): Caught in a web of femininity.

STOP THE WORLD director, Dr. C. E. Stephenson, discusses a staging problem with principals Mike Phillips and Rolly Fanton.

# MISS DECEMBER Carol Endres

Each month a pretty coed is chosen to represent the Del Sudoeste. At the end of the year one coed is then chosen as the official hostess of all Del Sudoeste activities. She is selected not only for her beauty, but charm and personality as well. The editor and staff are proud to introduce Miss Carol Endres as this year's Miss Del Sudoeste. Carol, an attractive 5' 8" blonde transfer student from Glendale City College, plans a future in the field of sociology. After graduation from SDS this June, she plans to complete her education with a master's degree from the University of California. As a true Californian who sports a year-round tan, Carol loves outdoor activities, especially bicycling, long summer walks, and the races at Santa Anita. Miss Del Sud has also done modeling for Robinson's of Los Angeles.

# Little 500

Little 500 is an annual happening on this campus as well as nation-wide wherever Lambda Chi Alpha Fraternity is represented. The event features a bicycle relay around the football field with a four member team. Sounds easy? Try it! This year Gamma Phi Beta Sorority won the girls' event, and Toltec Men's Dorm won the male division. Miss Debby Bently, an 18-year-old freshman was named Miss Blowout.

Lambda Chi Alpha Pledges had a busy week publicizing for their annual Little 500!

... GO! And the frantic race is on!!!

# Derby Day

The ninth annual Sigma Chi Derby Day was held April 27 in the Aztec Bowl, only this year it was sponsored by Little Sigmas. This annual event is open to all campus women's organizations who each select a member of the off-campus fraternity, Sigma Chi, to coach them. The many events test the stamina, ingenuity, and lady-like skills of the entering teams. This year Alpha Chi Omega walked away with the beautiful three foot trophy.

Miss Daphne Becharas, an 18-year-old freshman representing El Conquistador, won the title of Miss Derby Day.

The victorious winners, Alpha Chi Omega, show their gratitude by giving Coach Neil Medlock a hero's reception.

Coeds pool their money to buy a slave at the annual Sig Ep Slave Sale.

# AMS "Checks-Um-Out"

This year AMS sponsored an over-the-line-tournament and football replays, narrated by Coach Coryell during the fall semester. Spring semester activities included sponsoring the formal campus installation of International Society of Girl Watchers, of which Rich Phillips is the first president, a Founder's Day car show, and the annual Miss SDS competition.

Following the luncheon, Miss Patty Duffy was selected from seven coeds, attired in paper shifts, as the "Most Watchable Paper Doll." Joe Beagin awarded her the trophy.

The formal installation of the SDS collegiate chapter, which will be the world collegiate headquarters of International Society of Girl Watchers, took place at a luncheon here on the book store lawn Feb. 26.

Miss Terri Luedtke, a tanned, blue-eyed blond freshman was selected Miss Best Dressed Coed of 1968. Terri, an Alpha Phi, is a physical education major she will be the SDS entry in the national GLAMOUR magazine Best Dressed College Girl contest. AWS Fashion Committee, who sponsors and judges this annual competition, selected, along with Miss Luedtke, 10 other young ladies who represent the "prototype of the ideal college coed." These girls are featured on the following pages.

## The Imaginary Invalid

THE IMAGINARY INVALID is a mid-17th century comedy about a hypochondriac who is victimized by quack doctors and his money-hungry wife. The colorful play which stage extended into the audience at times was directed by Dr. Brian Hansen, assistant professor of speech arts. Music for the play was composed and arranged by Terry O'Donnell and choreography was done by Jonanna Weikel. The play was presented the end of March and the first week in April.

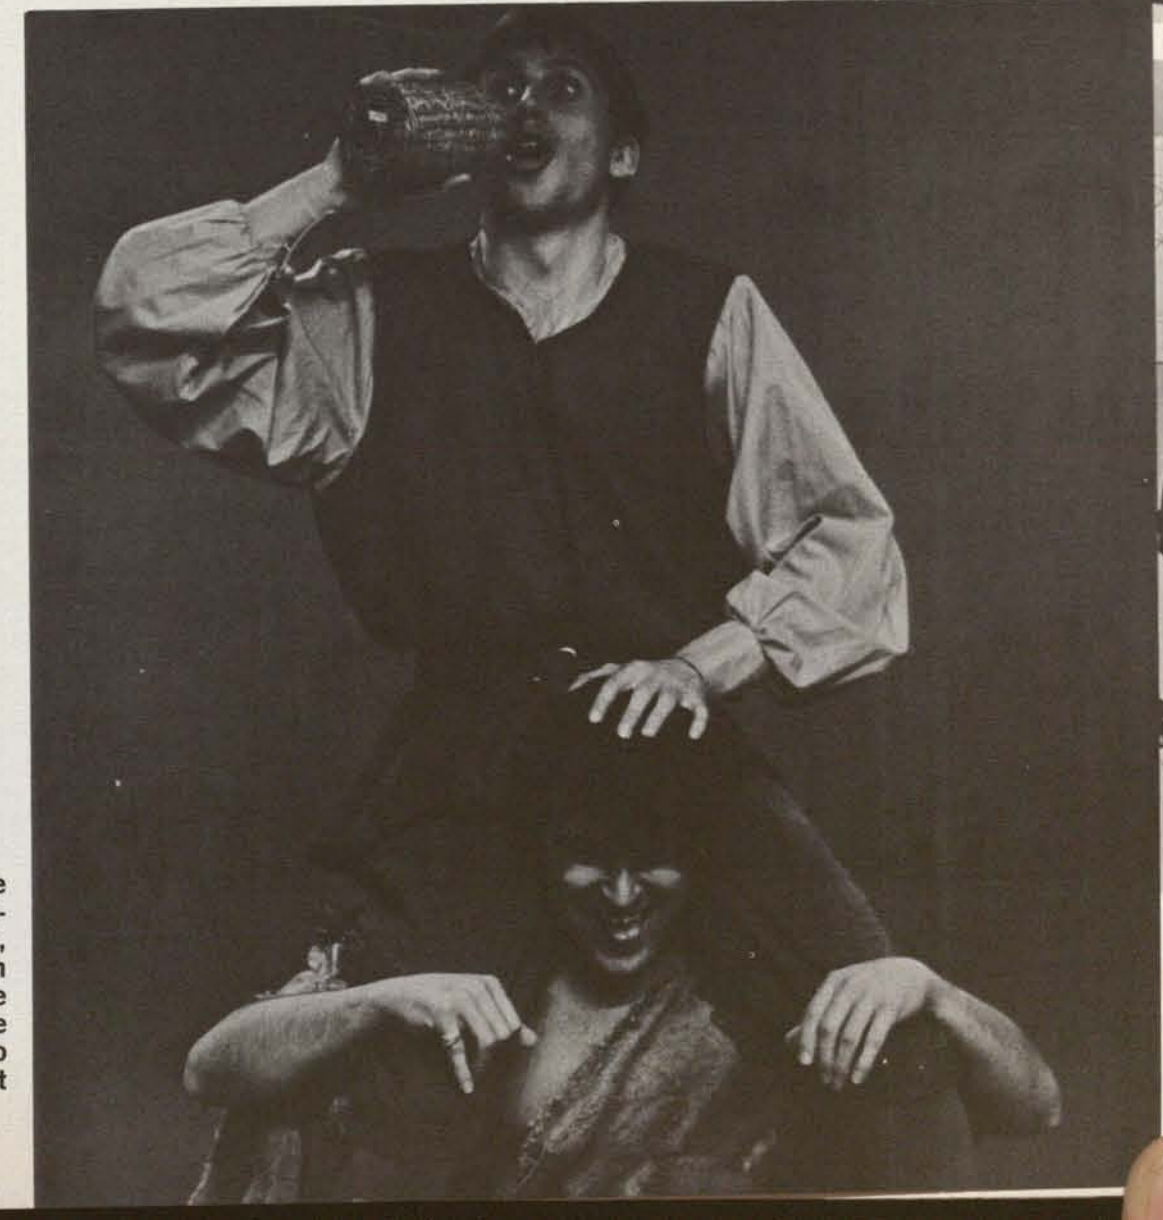

In THE TEMPEST, by Shakespeare, Prospero and his daughter are marooned on a mysterious island where they are threatened by the man-monster Caliban. Prospero, a magician of the highest order, is able to thwart Caliban who lusts after the fair Miranda.

## The Tempest

The production of The Tempest was the third play presented to the campus by the Dramatic Arts department this year. The cast, all students, was as follows:

Betty Carr (pictured above)  
 ..... Miranda  
 double casting  
 Susan Wilson ..... Miranda  
 Dan Holmes ..... Prospero  
 Tony Acosta ..... Caliban  
 double casting  
 Carl Weathers ..... Caliban  
 Mike Byers ..... Stephano  
 Mike Phillips ..... Ferdinand  
 Melanie Danials ..... Aerial  
 Directed by Dr. C. E. Stevens

Stephano, a member of the company shipwrecked on Prospero's island in THE TEMPEST, succeeds in convincing Caliban that the man-monster should be his slave. Pretending to be the man-in-the-moon, Stephano keeps himself and his servant happy by an age-old method.

"Family" becomes a well known word in campus and national politics; Mary McCarthy, 19, visits SDS while campaigning for Senator McCarthy.

Although representing three opposing political factions, Kenny Deman, Karen Grace and Jack Flanigan also represent a unified movement toward the betterment of the campus community.

A gathering of many deserving campus members at the AS Installation Banquet.

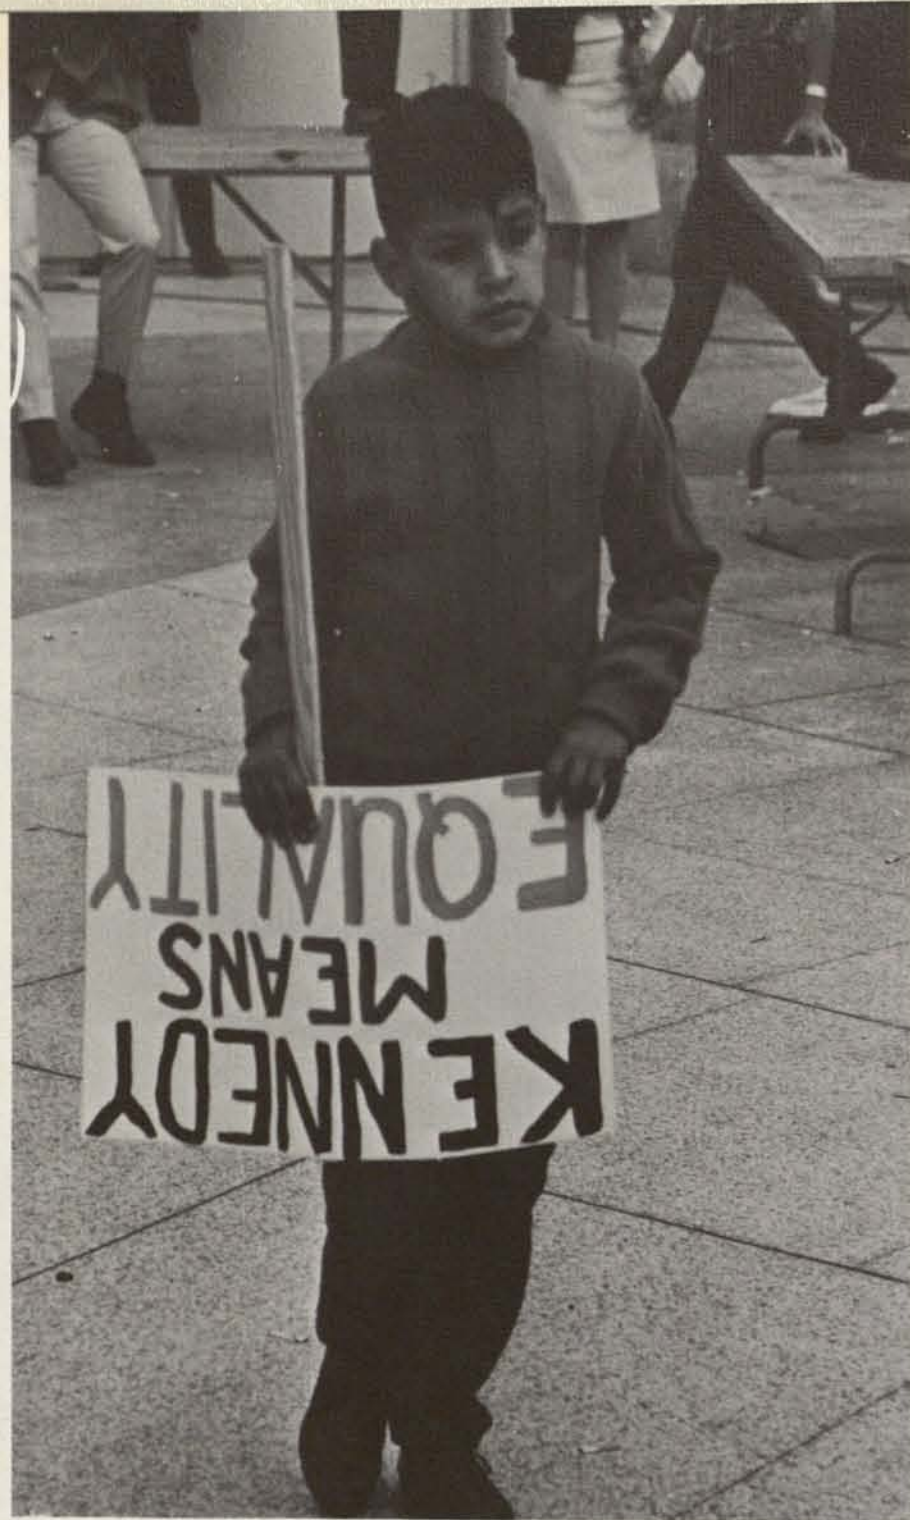

Soon after announcing his candidacy, Sen. Robert Kennedy campaigns in San Diego.

A proud moment as outgoing AS President Jack Flanigan swears in the president-elect, Terry accredited with the biggest turnout in AS elections yet.

# CAMPUS

**FALL:** December 13, 1967, two days prior to Christmas vacation, it snows!!!, first time in San Diego since January 10, 1949; second time in San Diego's history.

**SPRING:** A campus in pursuit, searching . . . answers being discovered, and a generation in motion. Part of our campus joins the International Students Strike with an affirmation of life, April 26.

**CAMPUS:** Education harbors all . . . the young, the collegiate, and the not-so-young; an equalizing force in our society.

The now famous well nursed Canyon Sycamore begins to show favorable signs to treatment.

John Case, Senior Class President, places SDSC official seal, donated by the Class of '68, in the northwest entry of the Aztec Center.

# The Presidio Discovery

All research and excavation at the newly discovered Presidio site, was headed by Dr. Paul Ezell, chairman of SDS Anthropology Department.

The early morning sun breaking through onto what is believed to be the old church sanctuary strikes an impressive scene.

High school student, Todd Miller, reads one of the many articles written about the project.

Project worker, Bob Nellis, shades the excavation area to get uniform lighting as an excavated grave is refilled with the floor, replacing the pieces in their original places.

John Case & Anita Burkhart take time out for some refreshments!

## Senior Class

This year the Senior Class was under the leadership of John Case, President; Richard Tucker, Vice-President; Mavis Morgan, Secretary; and Judy Peters, Treasurer.

The year was filled with many activities for the Senior Class Council. The council was busy choosing a gift for the school. After many suggestions the final decision was made to buy a bronze San Diego State Seal for the entry of the new Student Union building.

Continuing in a progressive year the Seniors were faced with selecting the outstanding professors in each respective division. Each senior voted in the

spring election for the outstanding professor in his major area. After selections were made the Senior Class presented plaques to each professor on Awards Day.

The organization of Baccalaureate and Graduation was another undertaking of the Senior Class Council. Seniors had to be measured for Caps and Gowns, Speakers had to be found, and final detail arrangements had to be made.

Concluding the year was a Cocktail Party for the Seniors at the Atlantis Restaurant on June 6. The party was followed by Graduation Exercises the following day in Aztec Bowl.

## A year comes and goes so quickly...

Didn't it all just begin? The summer riots of Detroit and Newark, the need to get something done, the summer trips to the beach, cold beer, loving, laughing—loving—that was the summer. And, the school year came again.

Andy Warhol came to campus but was it really him? Or just some other long-haired jerk.

SdS and Peace and Freedom wanted to enter campus politics — but they couldn't get into the sandbox.

The Good Morning Teaspoon legitimates the 4-letter word—love.

Dow Chemical recruits on campus, an effigy is burned to protest.

The State budget—what budget?

How are things down on The Farm?

The Daily Aztec goes to national news and becomes The Daily Editorial.

Graduate draft deferments — what deferments?

Canadian tourist business doubles—so does Canadian grade school enrollments.

And a word about the cheerleaders—nothing.

SDS football goes big time — Utah 31, SDS 25.

A campus legal service begins.

The unloyal loyalty oath.

And it was a year of movies—In the Heat of the Night, Cool Hand Luke, The Graduate, Bonnie and Clyde, Closely Watched Trains, To Sir With Love.

It snowed in San Diego.

55th Street resuscitated on October 31st.

Mazatlan and the River are places to go.

Have you seen Weird Harold or Fat Albert?

That Place again!

National politics are up, up and away—

Johnson announces he won't run.

Kennedy, McCarthy — Maybe Humphrey—Who Knows?

Nixon "in," Rockefeller waiting for the "draft" — so Johnson baby draft him, Reagan "isn't"?

Vietnam peace talks are the big question mark.

A look at the future—"50 years ago the U. S. S. Pueblo was captured."

What is religion? Kavanaugh, Pike and Gottschalk speak on campus.

Tijuana is still South.

Parents favor co-ed visiting in dorms — "sure thing."

Motion slowed by strobes.

Star Trek and Mission: Impossible—half way adult.

Chant a while with Allen Ginsberg.

The year of a cat named Sloopy.

Things could have been better but they could have been worse — That's pretty good for me.

... Dr. Martin Luther King was assassinated—and stark reality was forced upon us.

# Imperial Valley Campus

The rapidly growing campus of San Diego State College at Calexico was established in 1959. The Calexico campus now has a student body of 450 and a faculty of 15 professors.

Dr. Rodney has been the director of this campus since its beginning. He has been well supported by a faculty of qualified and enthusiastic professors. Because the campus is small it provides an opportunity for an excellent professor-student relationship in many of its seminar-like classes.

Every Monday, Tuesday, and Thursday, 40 students participate in a college education program by traveling from Indio to Calexico on a bus.

The Calexico students participate in a 45 member chorus which has presented many community concerts and will take part in the graduation of 44 seniors this June.

This year the associated students sponsored several social functions including feature movies, barbecues, Christmas and Spring dances, and several guest speakers.

The college has also sponsored an inter-cultural trip to Mexico, visiting such spots as Hermosillo, Guaymas, and Kino Bay.

# Number 1

Coach of the year Don Coryell led the 1967 football team to its second straight NCAA college division championship. The Aztecs, who were 10-1 for the season, represented San Diego State in front of 280,000 paying fans, while millions watched them on T.V. Highlights of the season included a 16-8 victory over nationally ranked Tennessee State and a 27-6 victory over San Francisco State in the Camellia Bowl.

San Diego's quick, small and hostile defensive forward seven contained the explosive Tennessee offense. Fred Dryer 77, Mike Meagher 67, Jim Hight 50, Cliff Hancock 61, Larry Schakel 89, Jeff Lancaster 38, and Dick Weber, partly hidden, are on the move before one Tiger player can leave his stance.

Anxious Don Coryell discusses blocking assignments with offensive center Curt Hansen.

Dick Wood's 28 yard field goal easily clears the line of scrimmage.

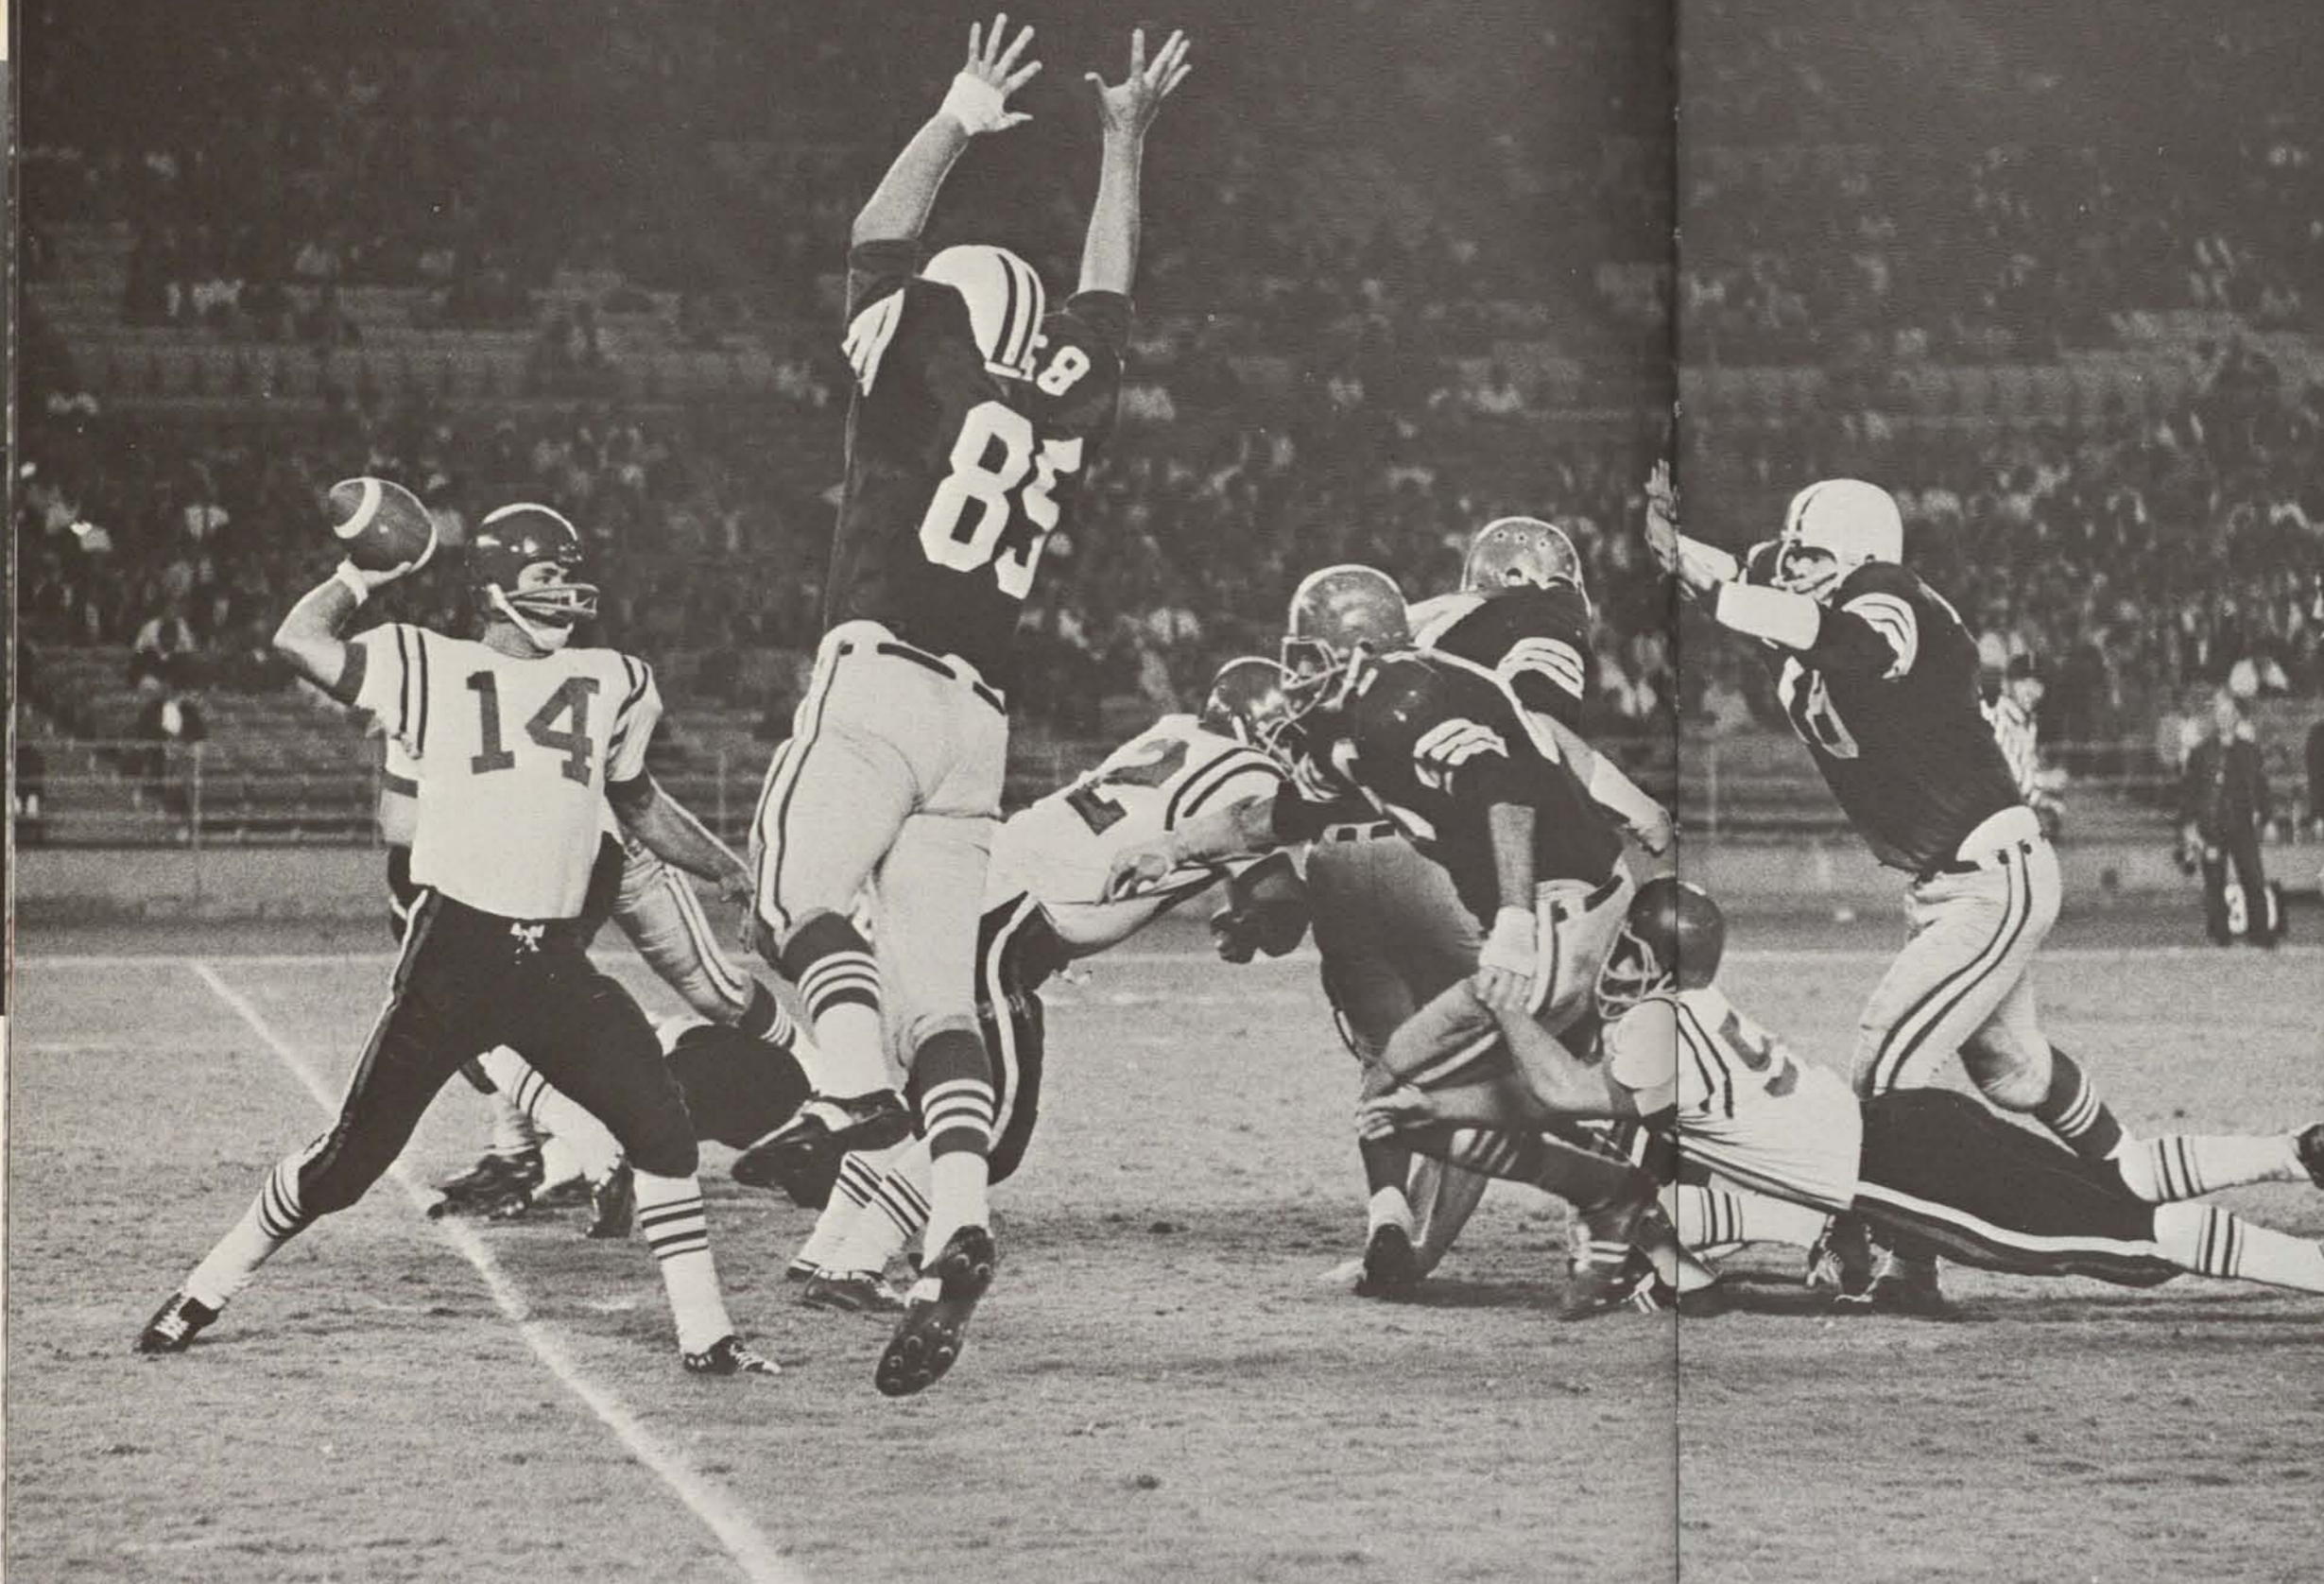

## Coryell Honored

### Aztecs Continue Win String

The City of San Diego proclaimed Sept. 15 as Don Coryell Night and Mayor Curran presented the Aztec coach with a plaque. That same evening the 1967 football team opened its bid for a second straight NCAA college division championship by beating Tennessee State 16-8. San Diego combined a strong defense with an offense that utilized all scoring opportunities. A record crowd of 49,296 watched the Men of Montezuma Mesa stretch their win streak to 17 straight games.

The Aztecs scored on a 41-yard Joe Turpen to Tom Nettles aerial, a six-yard sweep by Mac Dillingham, and a 28-yard field goal by Dick Wood. It was the defense, however, that was the key to victory as it repeatedly stopped the offensive efforts of the Tigers, a team which Coach Coryell called "the best I have faced here in seven years." The defense limited Tennessee to 59 yards rushing and set up scores by recovering three fumbles and intercepting a pass.

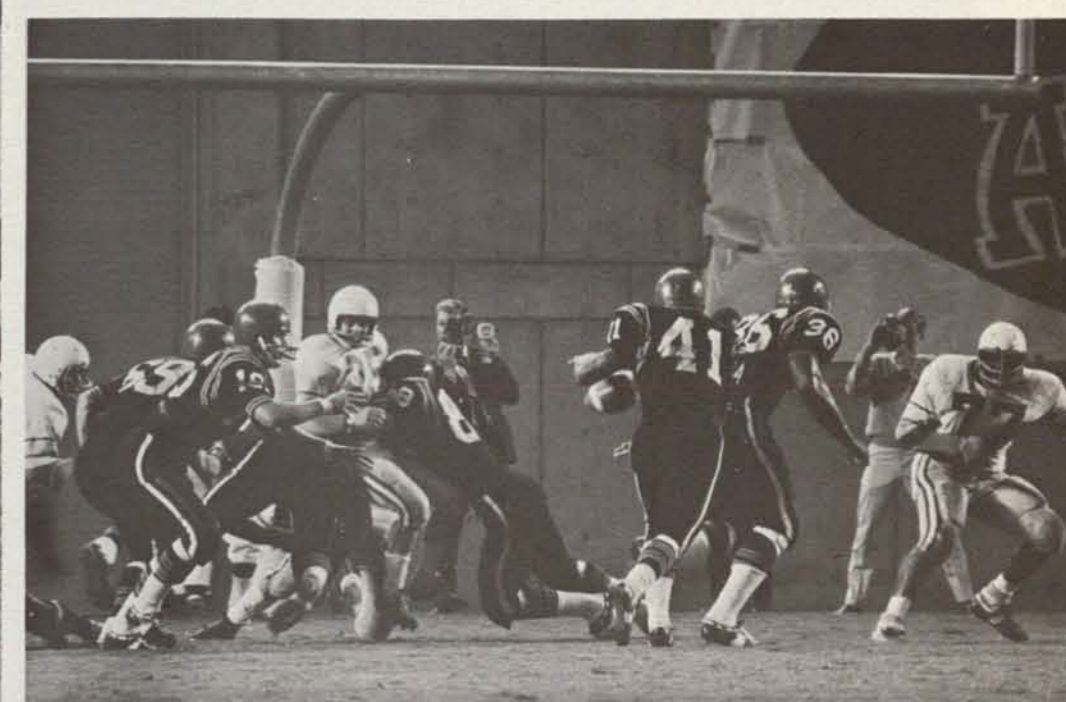

Doug Matheson unleashes a strike, while the offensive line holds out a previously highly touted Weber defense. Matheson threw two of the six San Diego touchdown passes.

## Conquest and Struggle

Weber State Humbled, Cal Poly Almost Upsets No. 1 Aztecs

Joe Turpen heads for the goal line while Cal Poly defenders attempt to stop his 68-yard run.

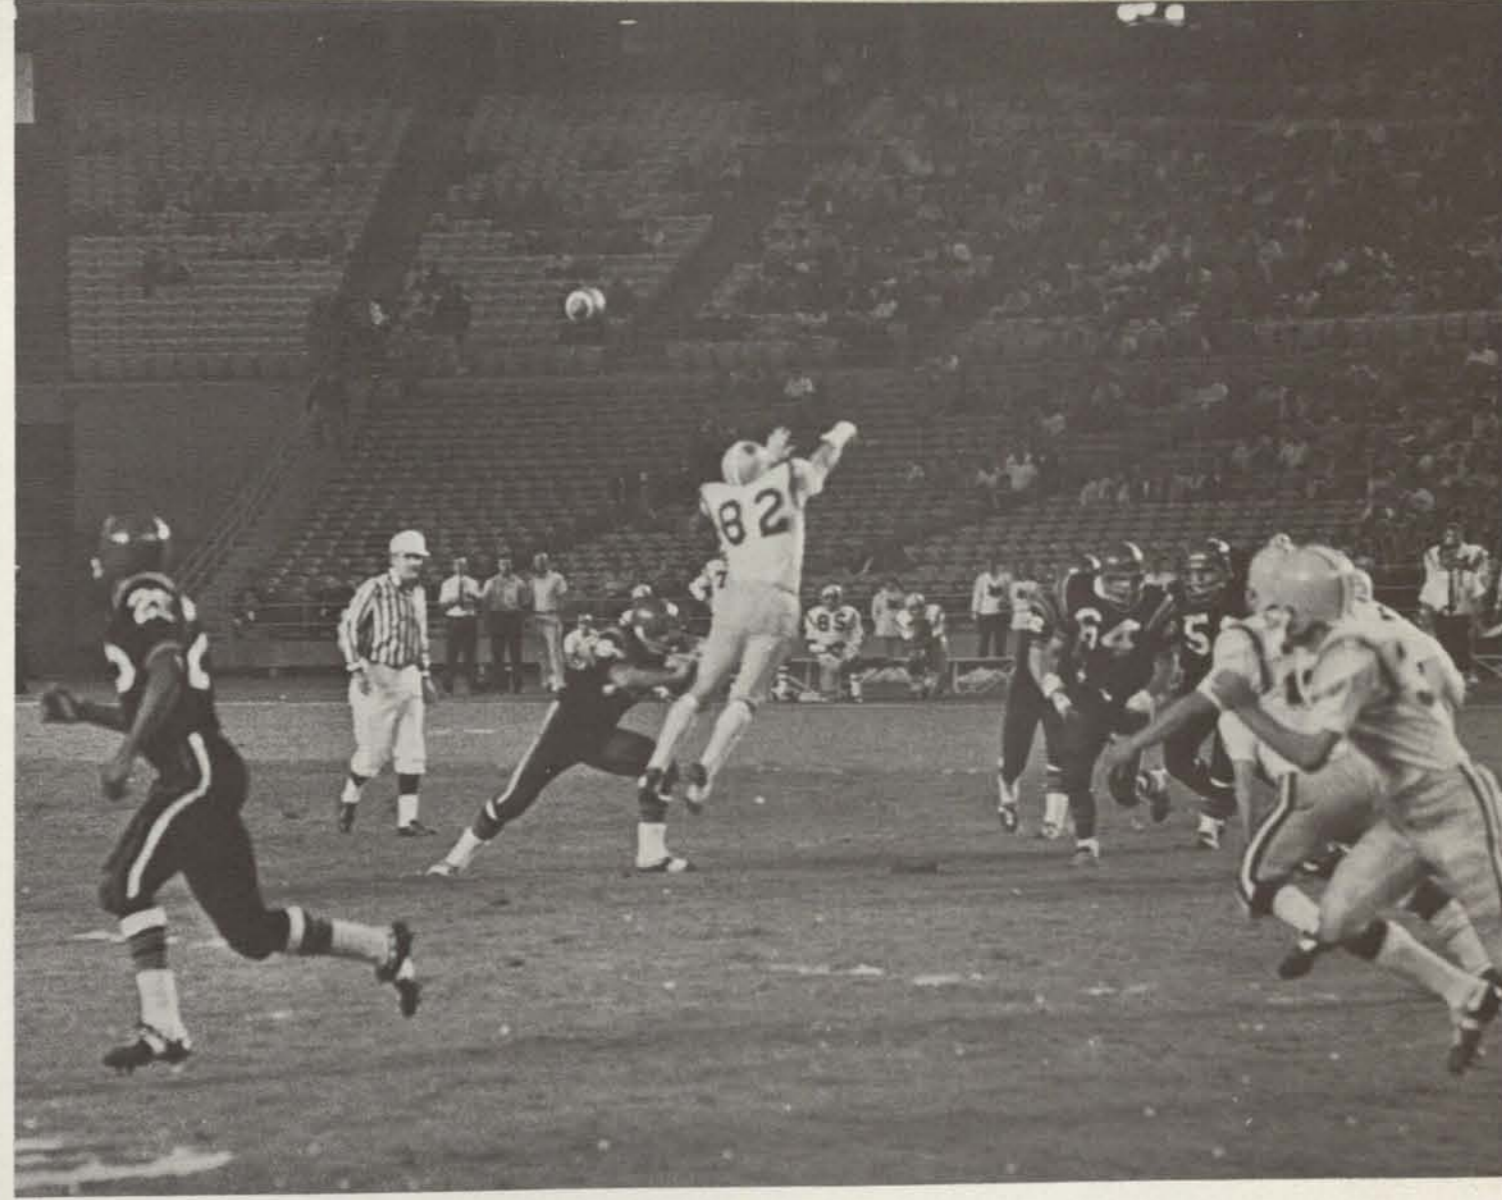

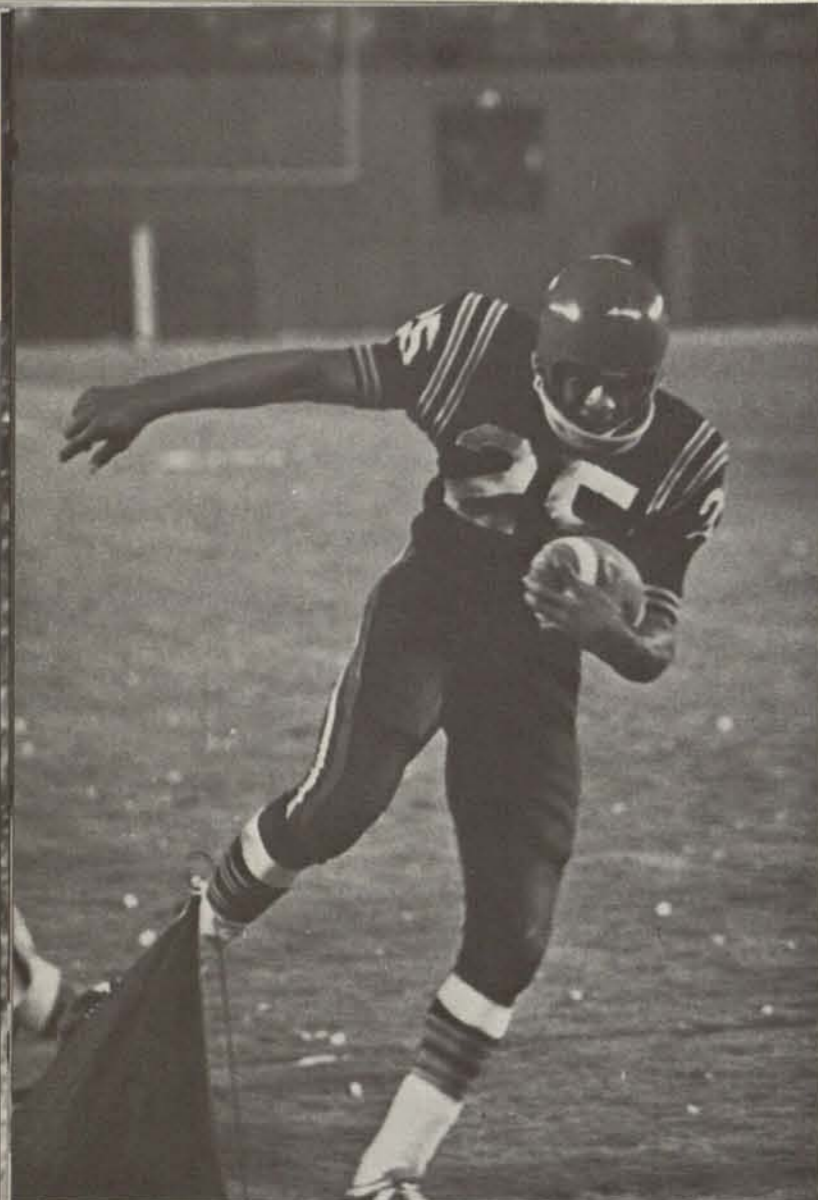

Lloyd Edwards (36) leads blocking for a Washington (41) T.D. sweep.

Doug Matheson, Thom Williams and Joe Turpen threw six touchdown passes as the Aztecs romped to a 58-12 victory over Weber State. The three quarterbacks tossed two touchdown passes apiece. All the aerials were good for 449 yards. Haven Moses and Dan Laskowski each caught two touchdown aerials. Moses scored from 10 and 12 yards while Laskowski tallied on receptions of 15 and 25 yards.

Linebacker Doug Fisher intercepted a Weber pass and ran 34 yards for a score.

Joe Turpen ran for a 68 yard touchdown on the first play of the game against Cal Poly. It looked like another runaway, but the unrated Mustangs gave the Montezumans unexpected trouble. With but four minutes left in the game Mac Dillingham scored on a screen pass to provide San Diego with a 26-20 win.

All-American receiver Haven Moses turns a play designed for a short gain into a touchdown. Moses catches the ball in full stride, outruns one defender, evades another, and crosses the goal line untouched.

## Ball Control Successful

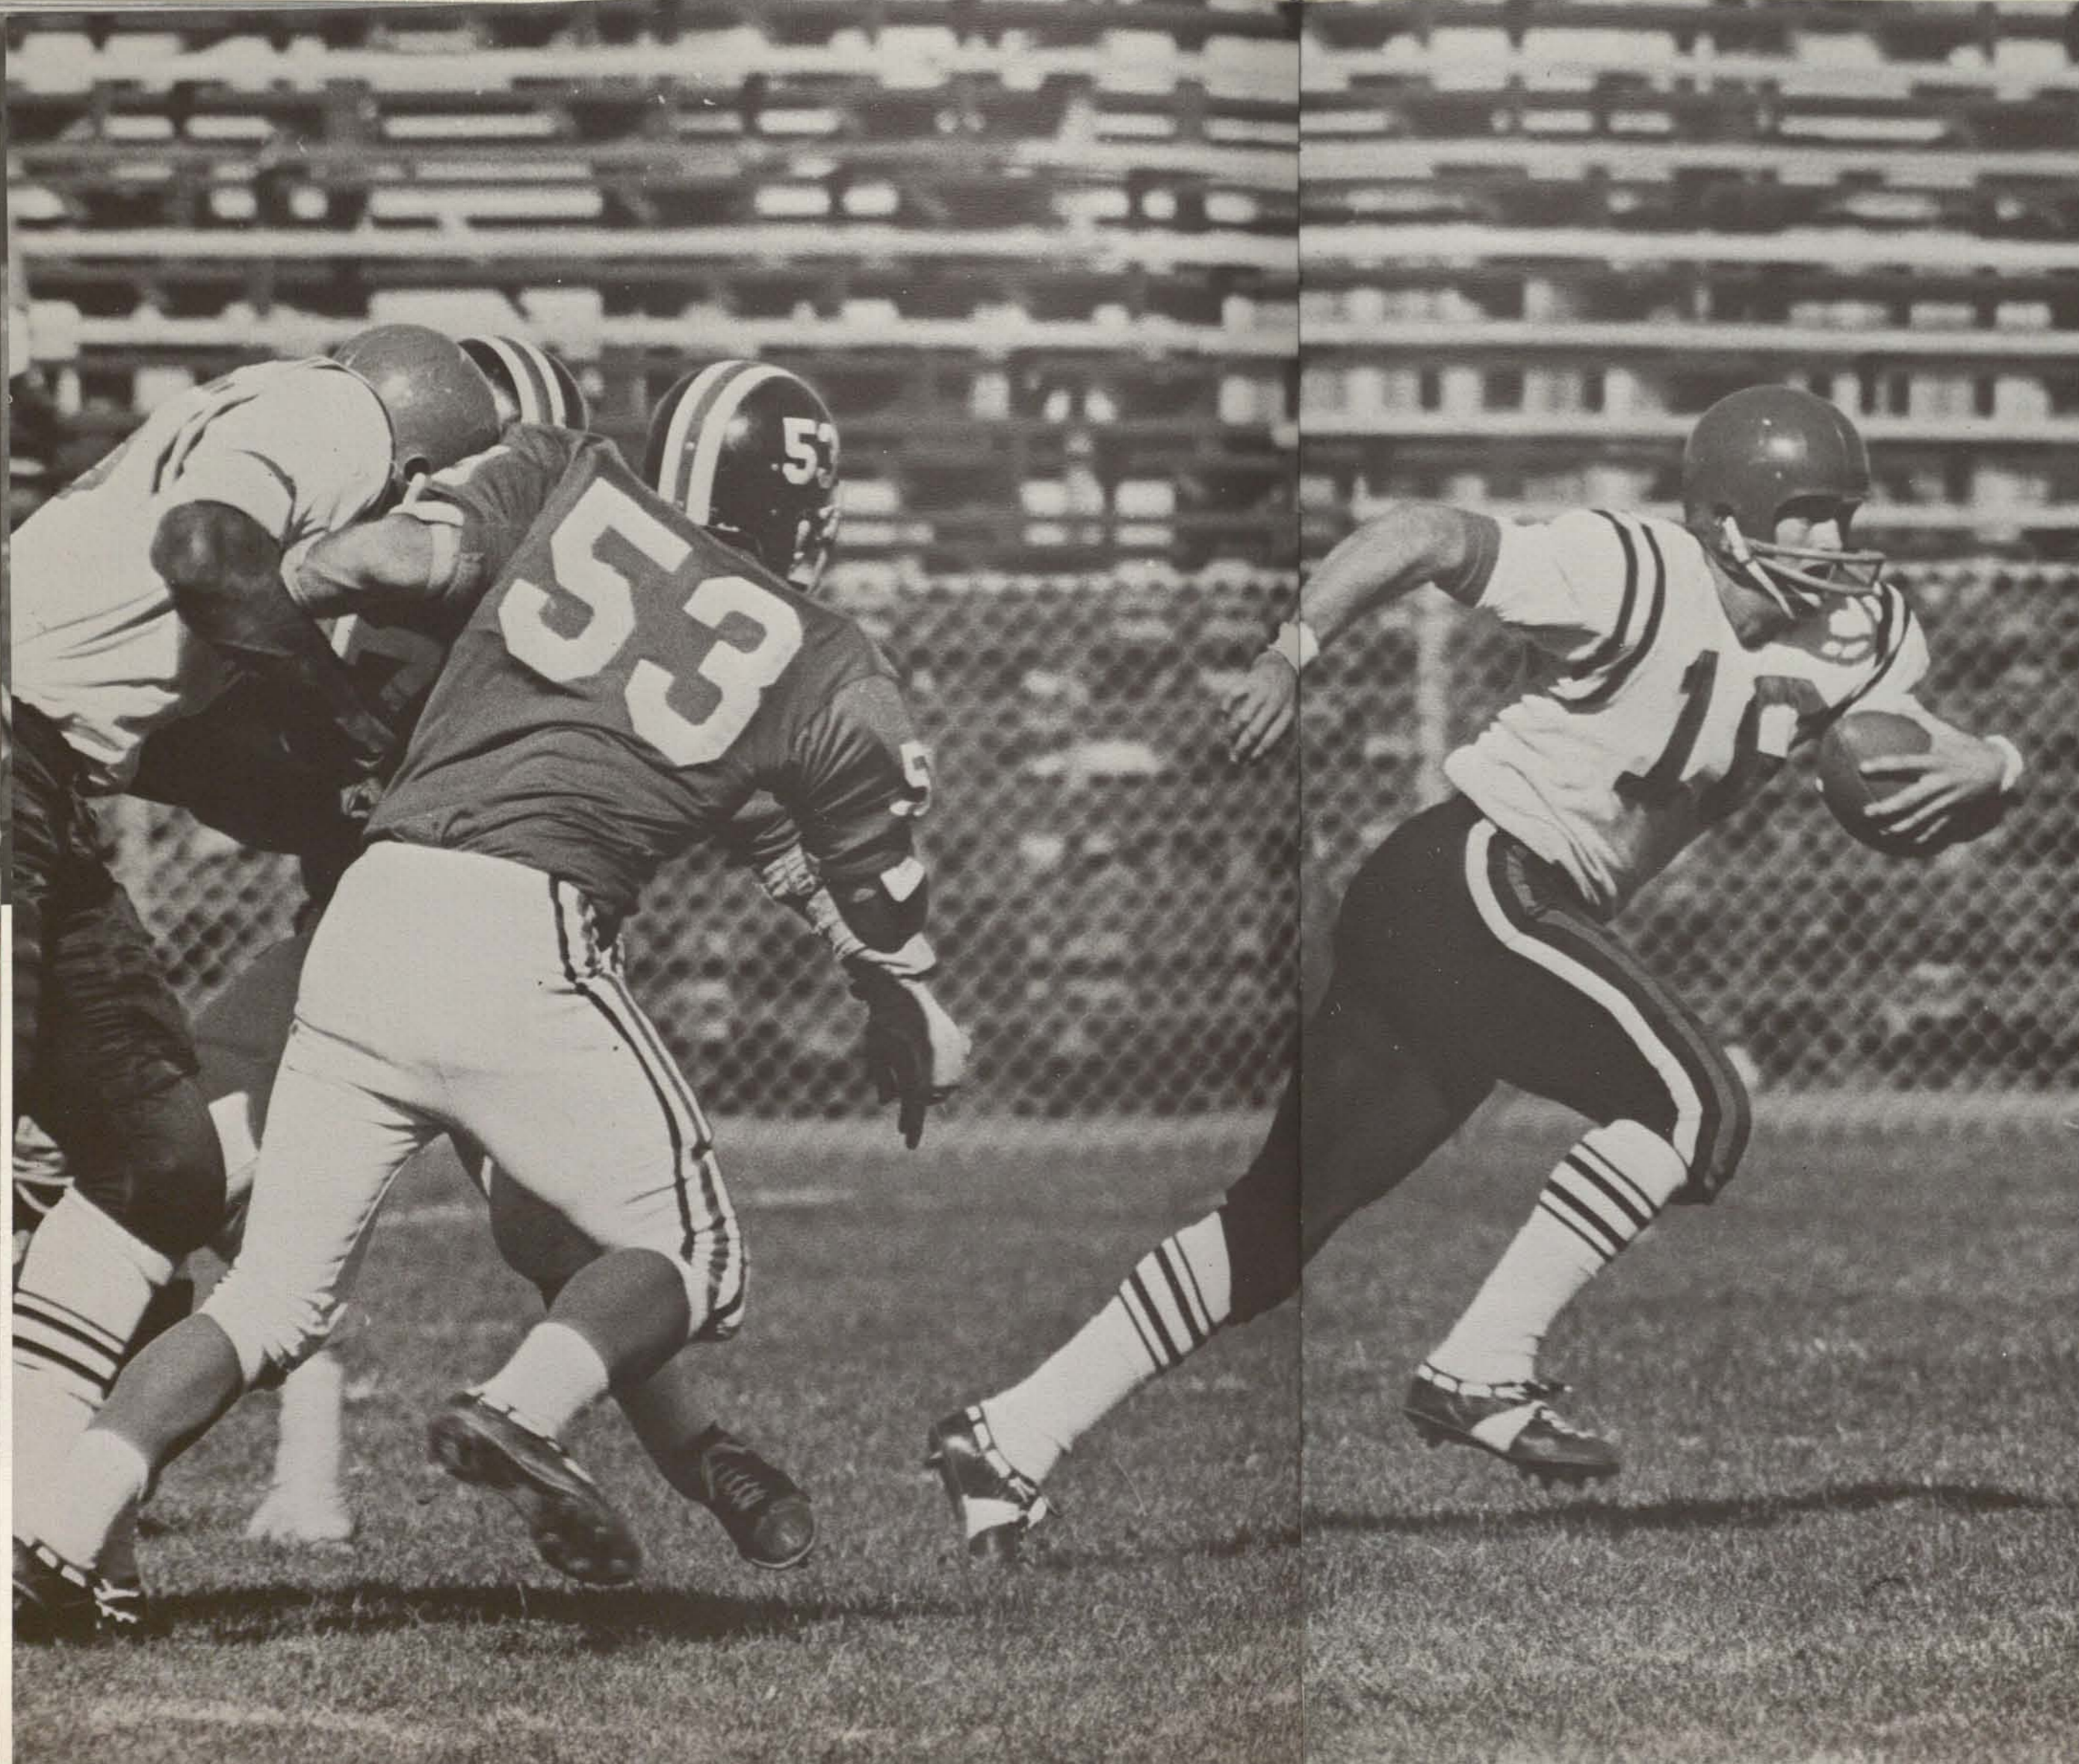

### Running Game Is Key

Long Beach dropped a 20-7 decision to the Aztecs in a game that was televised to the Los Angeles area. Scoring was confined to the first half with Joe Turpen, Lloyd Edwards and Haven Moses scoring for the No. 1 ranked team in the nation. The running game enabled San Diego to dominate the entire game, by gaining 289 yards. In the first quarter the Forty-Niners were on offense for only nine plays.

Fine running and blocking also enabled the Men of Montezuma to keep the ball out of the hands of L.A. State and to score in every period. San Diego won its first away game of the season 28-0. The defensive charges of Coach Sid Hall not only shut out the Diablos, but also limited them to a total offense of just 94 yards.

Cliff Hancock throws the L.A. State quarterback for a substantial loss as other Aztecs attempt to help.

## Defense Dominates

### N. Ill. Shotgun Popped

San Diego's lightning quick defense subdued the highly vaunted passing attack of Northern Illinois. The rush of Larry Schakel, Jim Hight, Dick Weber, Fred Dryer and Cliff Hancock threw the Huskies' quarterbacks for 74 yards in losses, while allowing them to complete only five passes for 66 yards. Nate Wright intercepted one aerial and returned it 46 yards for a touchdown.

The Aztec offense was as cold as the weather in the first half, but exploded for a 30 point third quarter. Haven Moses scored twice on passes of 5 and 51 yards, while Mac Dillingham had tallies of 26 and 6 yards. The game marked the first time the Aztecs played east of the Mississippi and the 47-6 rout convinced many doubters of the reality of the San Diegans' No. 1 ranking.

Joe Turpen turns the corner for an 18-yard gain as Lloyd Edwards blocks two Northern Illinois defenders.

Fred Dryer reflects the sideline involvement of a player at rest.

# Fresno and Valley State, Two Close Wins

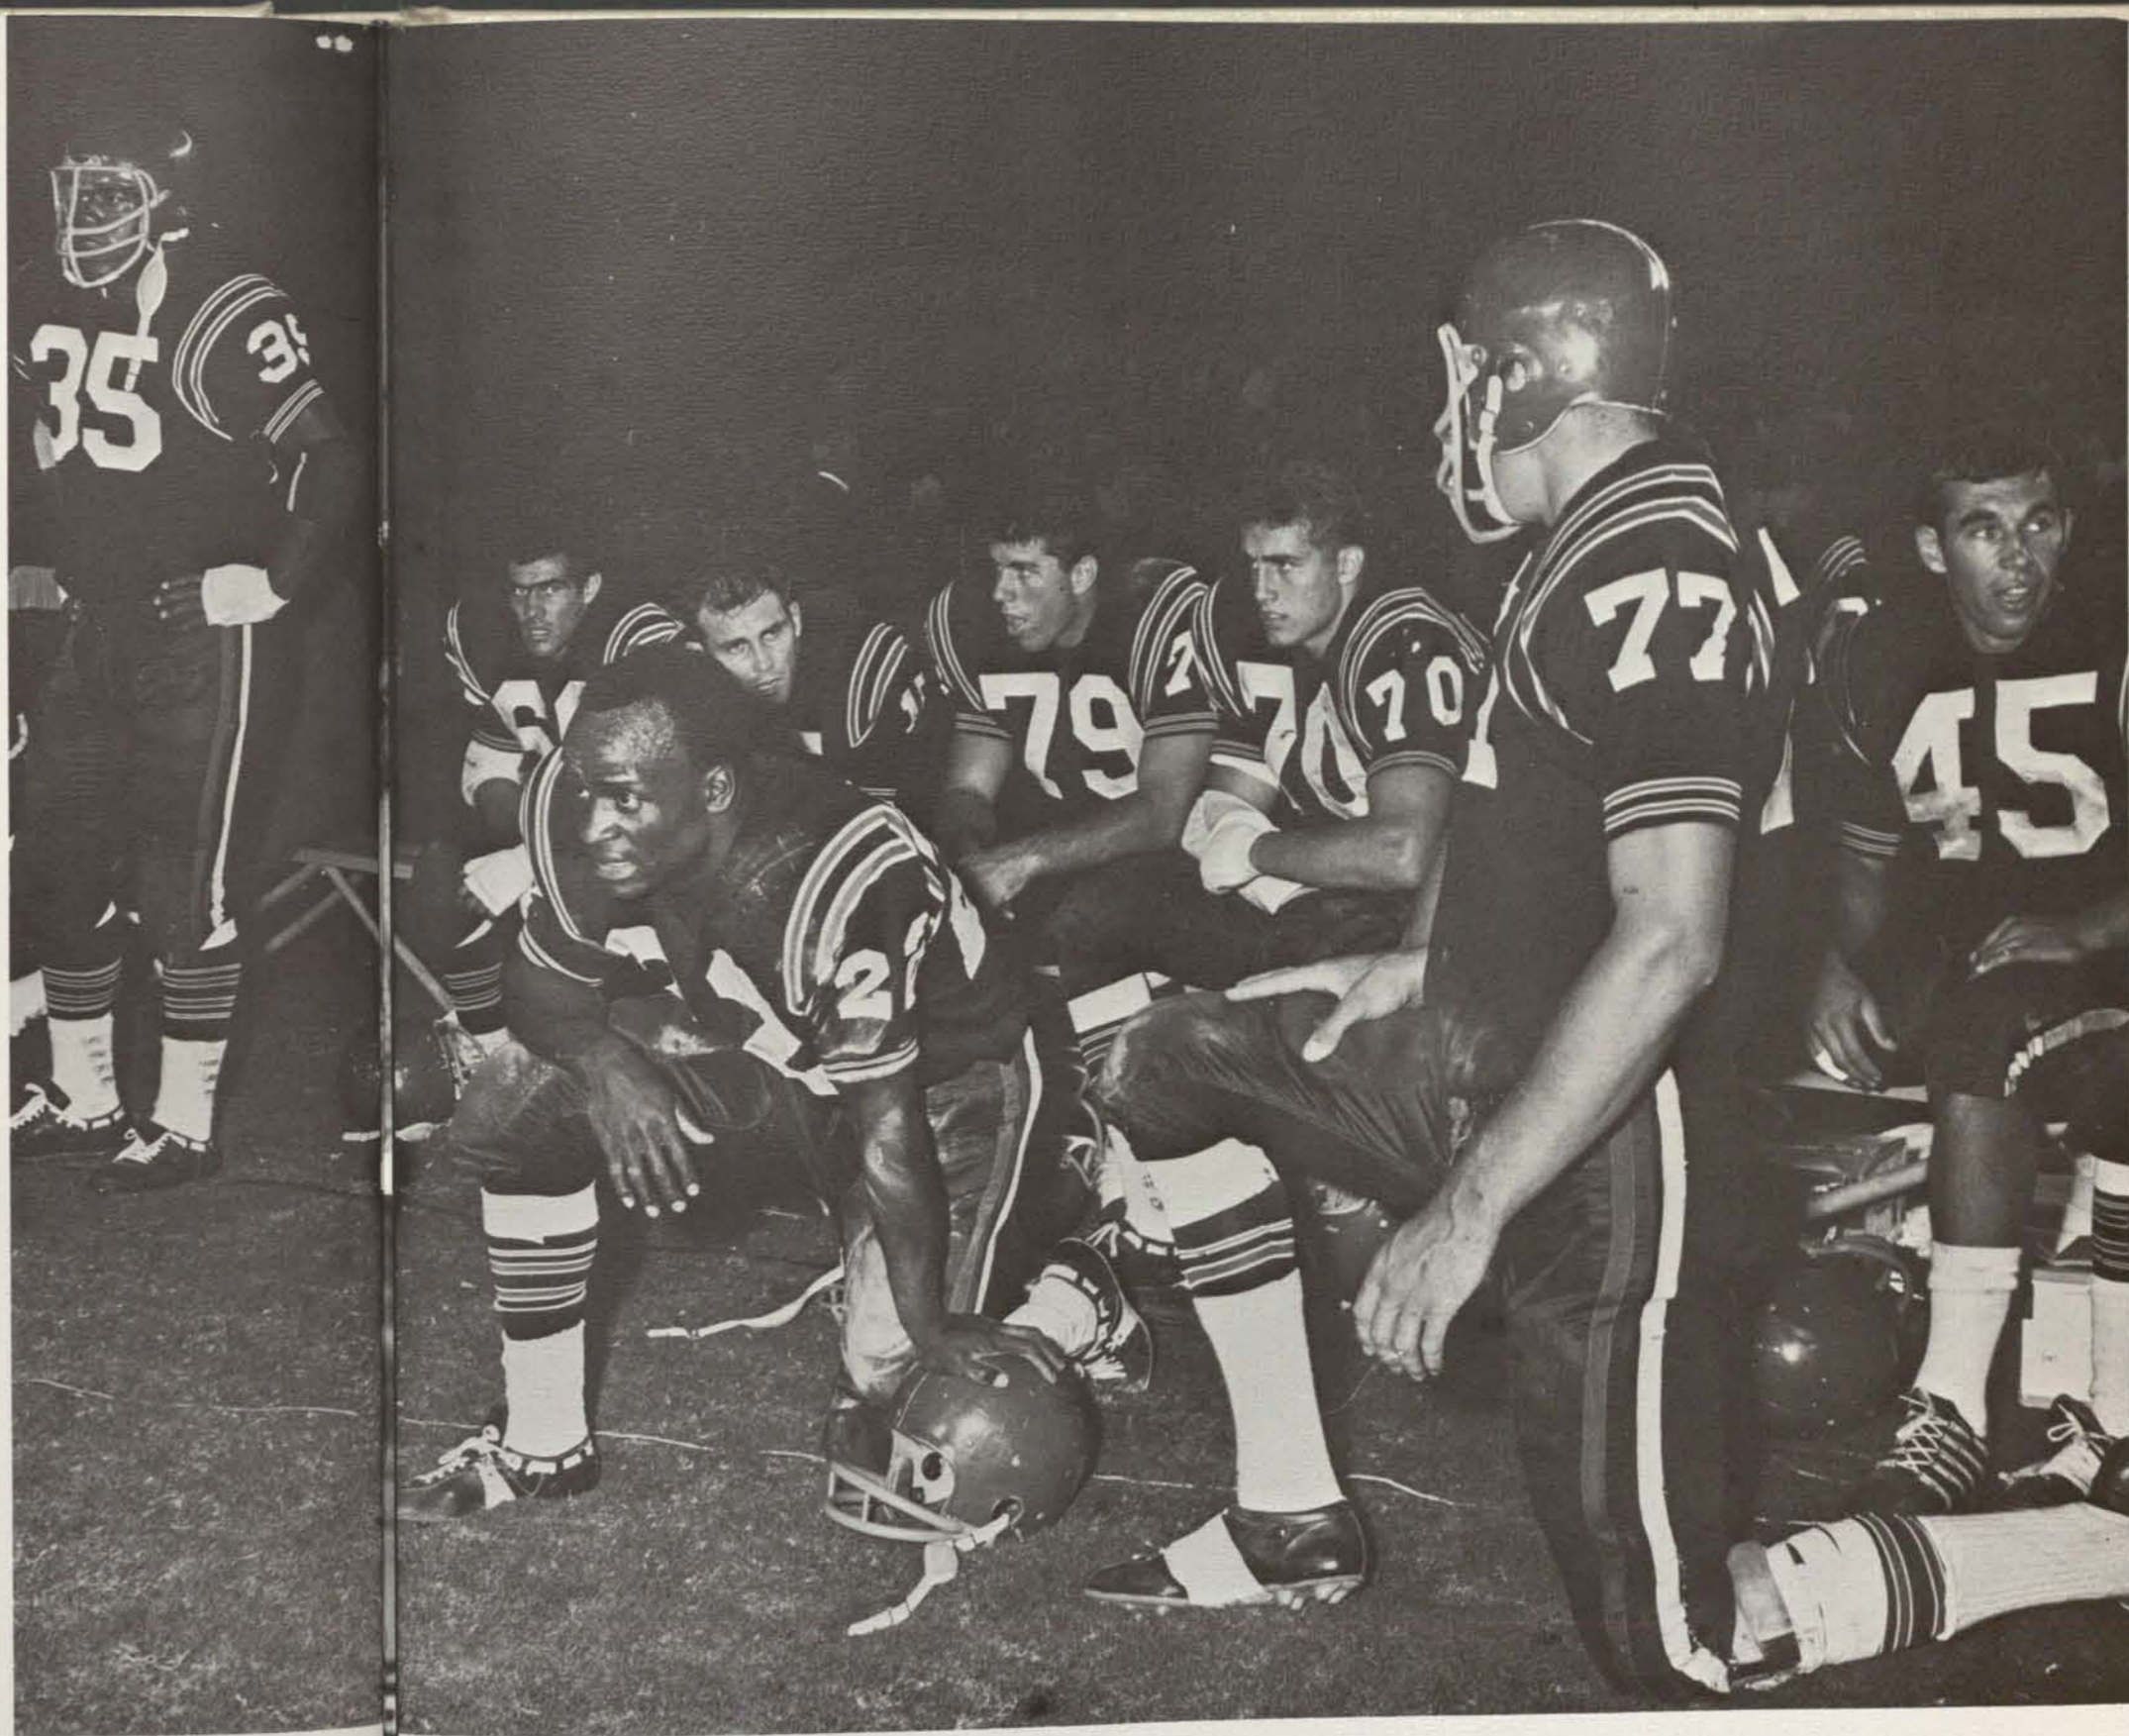

San Diego beat Fresno State 28-21, but the score made the game look closer than it actually was. With eight minutes left in the game the Aztecs led 28-0, and then allowed the Bulldogs to save some pride. Nate Wright was brilliant for the winners while Lloyd Edwards gained 28 yards on three carries before being sidelined for the rest of the year with an in-

jury.

Against Valley State the Aztecs were hard pressed before winning 30-21. Dick Weber ran 91 yards with an interception for a touchdown, while Mac Dillingham scored from 65 yards out. John Beck intercepted a pair of passes in each game.

The men who work in the PIT or in the interior line, resemble some of H. G. Well's creatures through their attempts to protect themselves from the hazards of their position.

S.D.S. defense was considered by some to be the mainstay of the team. Resting well the offense works are (L-R) Doug Fisher, Dick Weber, Ambrous Jacobs, John Beck, Mike Carsey, Mike Pompa, Fred Dryer, and Jim Crossley.

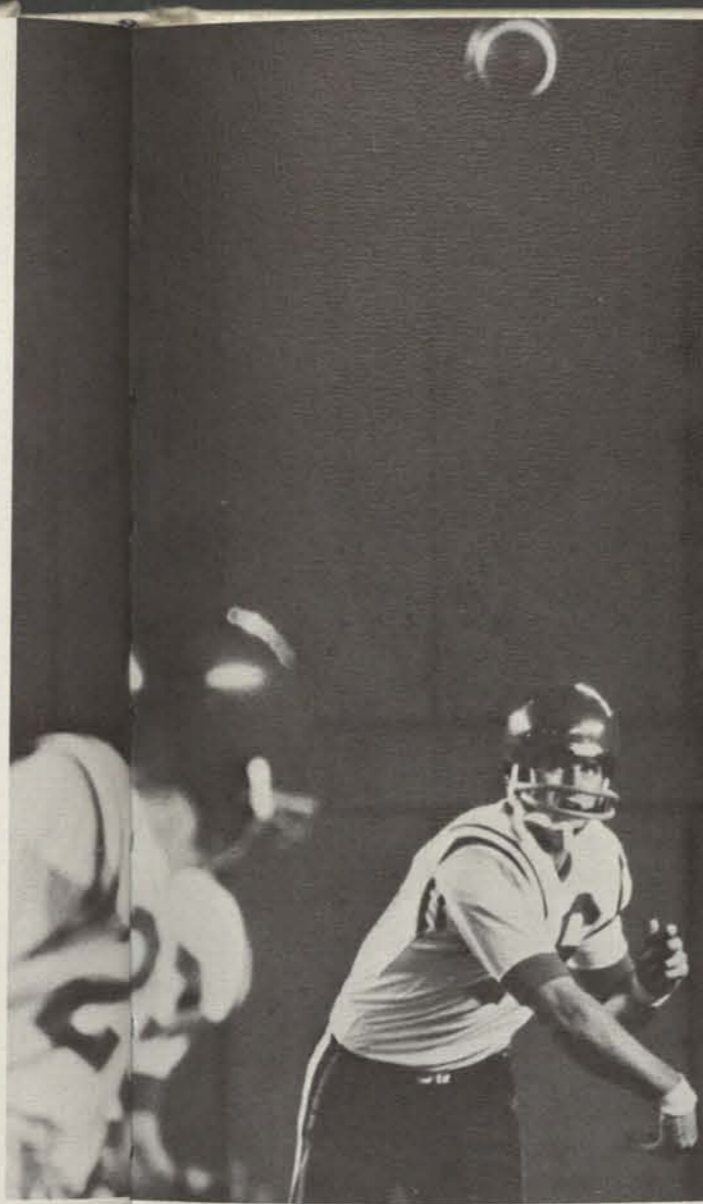

Don Coryell worries about every opponent while quietly fostering confidence in his team members. Coryell was named the NCAA Dist. 8 coach of the year for the second consecutive year.

Football and a feeling: an Aztec kickoff and Aztec backing.

Joe Turpin (r), completes his follow-through while the ball is still en route to Byron Olander (l), Olander, the only sophomore on the team, made the reception.

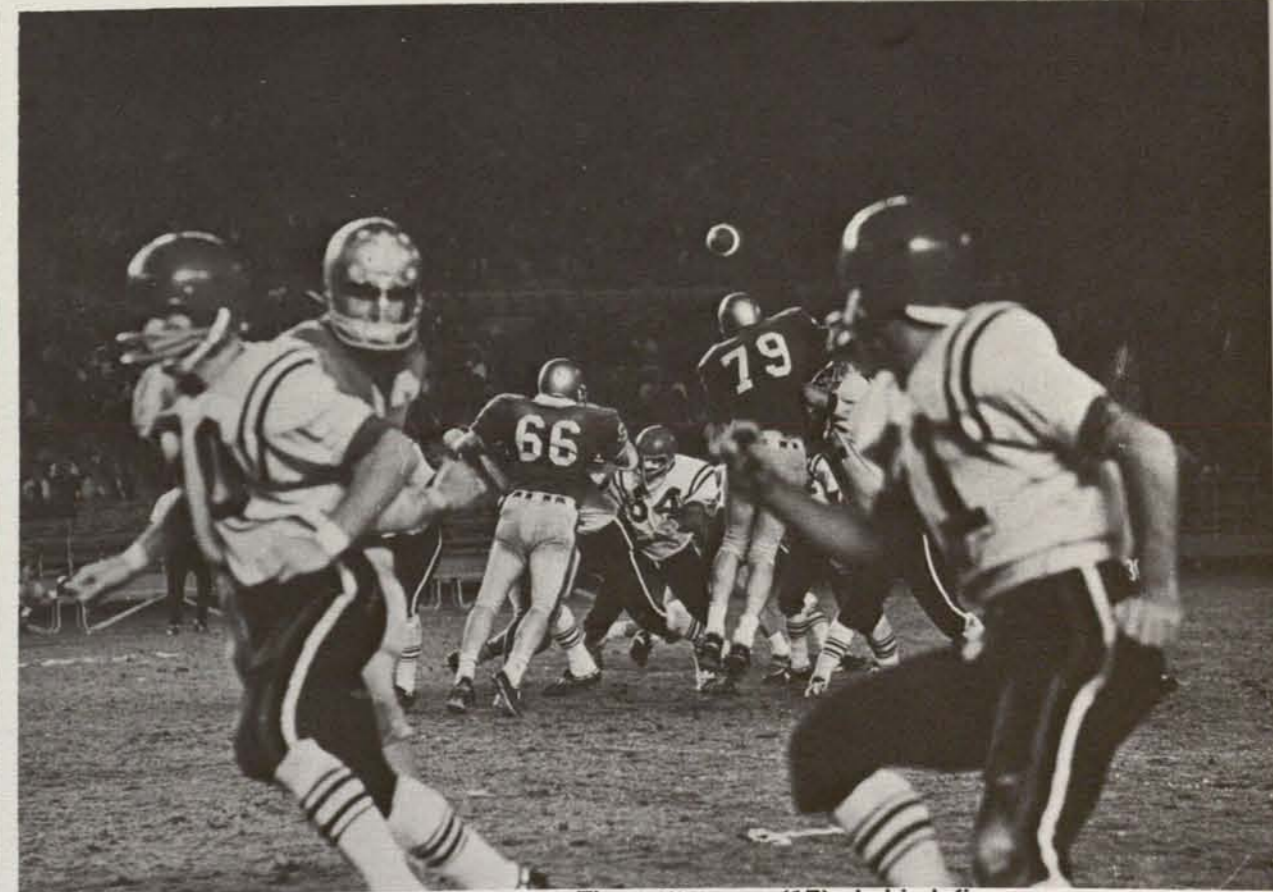

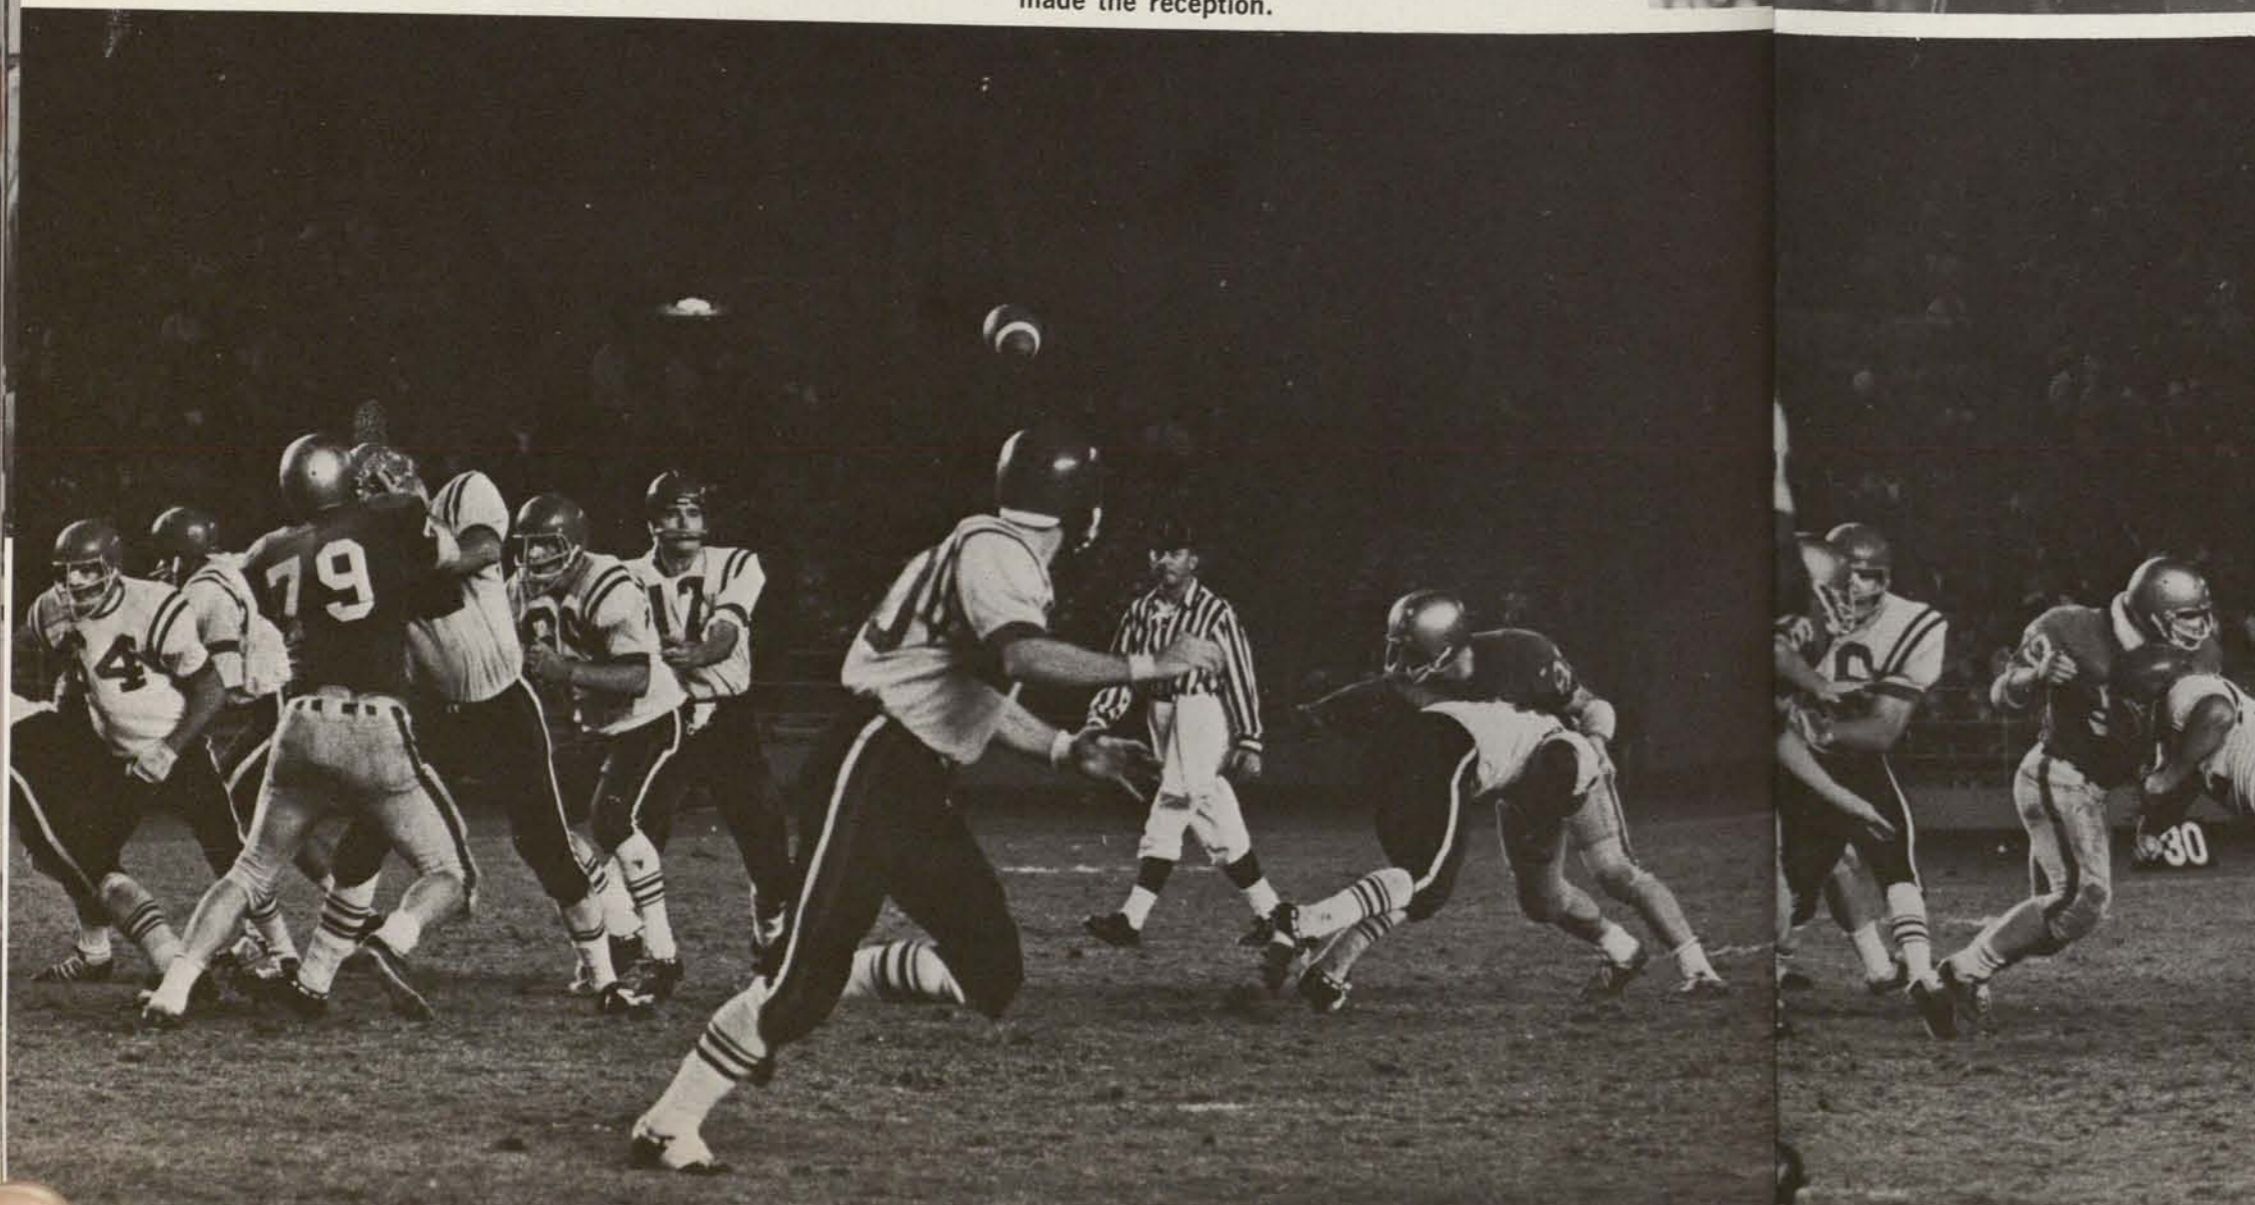

# Montanans Fall And So Do Aztecs

**A tough win and an even tougher loss close the regular season.**

Larry Schakel threw Montana State backs for 50 yards in losses, as the nation's third ranked team was never able to match the aggressive play of the Aztecs. Led by Fred Dryer, Mike Carsey, Dick Weber, Mike Meagher, Cliff Hancock and Schakel the San Diego defense stopped All-American Don Hass and insured victory. Joe Turpin and Haven Moses scored touchdowns in the 14-3 conquest.

The entire regular season reached a finale on a controversial play with 36 seconds left in the Utah State game. With the score tied the Aggies tallied on a fourth down and one yard for a touchdown situation. The 31-25 loss ended a 25 game winning streak.

Thom Williams (17), behind fine man-on-man pass blocking, completes a strike to flanker Dan Laskowski.

A Montana State defender is baffled by which receiver to cover. While he looks at Dan Laskowski (l), Tom Nettles (r), cuts to the inside to make the catch. The ball is thrown ahead of the receiver and Nettles must run to the ball.

# Camellia Bowl Victors

**Aztecs prove their No. 1—once more**

The San Diego football aggregation lived up to its advanced billings and defeated the San Francisco State Gators before a hostile Northern California crowd. The spectators jeered the Aztecs most of the game, but did applaud the nation's No. 1 team 21 times—once for each penalty called against them. However, by employing Western logic, the white shirted Aztecs must have been the good guys since they rode into the sunset with a 27-6 victory.

Gator QB Bob Toledo entered the game with a helmet that resembled a planetarium. The S.F. State standout had one star for each of his 45 touchdown passes painted on his headgear. The only stars that were added during the Camellia Bowl were possibly ones in front of his eyes when he was lunched (a football term meaning hit hard) late in the game and was forced to leave with a broken jaw.

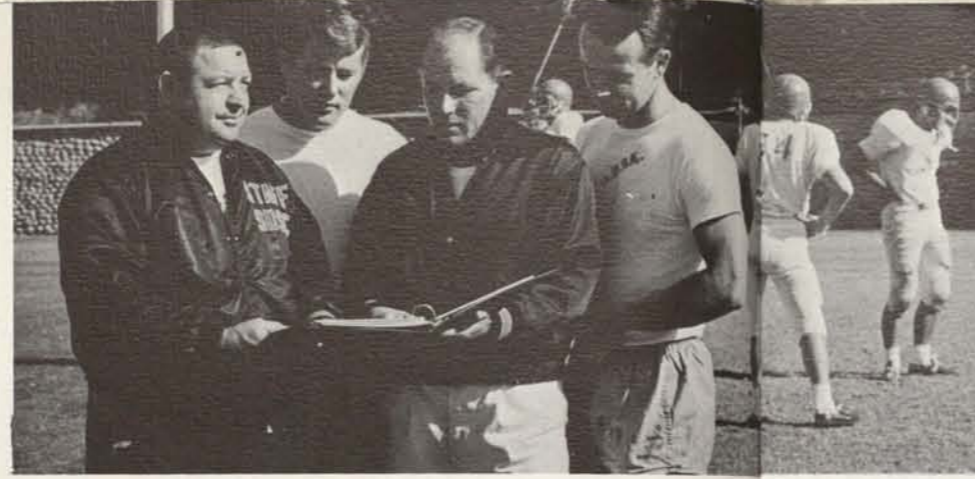

Players (above) say grace before their second annual Camellia Bowl meal, gobble the main

dish of Gator (below) and (right) treat the nations No. 1 college Q.B. like Mom's apple pie.

Line coach Claude Gilbert (L) and backfield coach Rod Dowhower (R) assist Don Coryell in the offensive coaching.

Head defensive coach Sid Hall (L) and Ernie Zampese (R) during a practice session. Zampese will drill the defensive backs, while Ken Madison and Larry Hilliard (L-R background) will oversee the linemen and linebackers.

While not often noted, trainer Bick Harmon must be credited with keeping the Aztecs healthy.

# Football Progress Parallels Campus Expansion

San Diego State has been the nation's Number One small college football team for two consecutive seasons. In accomplishing this, mutual benefits and challenges affected the campus community and the football program. While individual team members and coaches have been recognized, the school itself has also received nation-wide attention. Many prospective, well qualified college students desire to further their education at a California school. Where do the applicants turn? They go to the institution best known to them. The publicity which San Diego State has received through football program, coupled with the academic rating and climate offers the searching student an opportunity to identify with our college. The entire school benefits from the matriculation of these students, while the football program is afforded the opportunity of attracting new talent.

A successful football program also has developed pride within the students already attending San Diego State. Football games permit the students and faculty alike to say "Who do we play this week?" or "Did you hear that we beat

## SCORE BY QUARTERS

Opponents	0	54	40	35	129

San Francisco?" This allows not only the players and coaches but the entire school to justly say "We are Number 1."

Victories over Tennessee State, Weber State, Northern Illinois, Montana State and all the members of the CCAA proved the ranking or our team was no fluke, but a 25 game winning streak was broken when we lost to Utah State 31-25. Even the loss to one of the major college teams in the nation demonstrated San Diego's proficiency. The desire was manifested in the support the campus and the San Diego community at large gave the team. It was hoped that the advance could be achieved while continuing our traditional tie with the CCAA. However, the league refused to take meaningful action. And finally a change in policy became the straw that broke the camel's back; instead of splitting the gate receipts 90 per cent for the home team and 10 per cent for the visitors, as had been done in the past, the league decided that in the future receipts would be split 50-50. Thus our visiting league members would take home half the money from our 44,000 spectators, while we would receive half of the gate from their 9,000 fans who watch our games on the road. — President Malcolm Love announced our withdrawal from the CCAA and San Diego's football life entered its most critical period.

## The Future

Quo Vadis? Failure to gain affiliation with a major conference, coupled with the Chargers' priority for scheduling dates in the new stadium make setting permanent dates a hazardous chore. The thirty-odd scholarships Coach Don Coryell has to utilize places the team at an obvious disadvantage when playing major foes, like Utah State with its 110 full scholarships. In addition, lack of funds presently prohibit the installation of a freshman football program. Thus most of our players are Junior College trans-

fers who are subject to the harassment of rules by members of the NCAA, who are mainly from areas where junior colleges are scarce, or not utilized. This year six Aztec starters were ruled ineligible for the Camellia Bowl.

These problems are not insurmountable. Coach Coryell has had a successful year recruiting, and the team's spring session has proved that next fall's team is probably the best yet, but our schedule is also the toughest in our history.

## Excellence-The Key Word

All human things are subject to decay, if meaningful dedication and purpose are not present. With Mr. Coryell in charge we have no worries in this area. In addition to the dedication of our head coach and his staff the players also extend themselves. Not only must the athletes put in full day at school but they practice up to 30 hours per week in the fall and spring, and work 40 hours a month for their scholarships. Their enrollment enhances the stature of San Diego State. In fact the team is a physical manifestation of the desire of the campus community to achieve excellence in all areas. The attainment of this goal, and the wide recognition which it gives us, can only be achieved if we the students continue to increase the support of our athletic programs.

Seventeen players gained honors for their play this season, and of course the list was led by 6-3 flanker Haven Moses, who was named to a first team berth on the Sporting News and Time Magazine major college All-American team. Moses was also named to the honorable mention list on the Newspaper Enterprise Association (NEA) and United Press-International major college All-American teams.

Other honors won by Moses included first team Associated Press Little All-Coast, and first team All-California Collegiate Athletic Association.

Moses was also picked to play in the Shrine East-West Game, the Senior Bowl and the Hula Bowl. He declined the latter because of the conflict with Senior Bowl.

Others receiving Little All-American mention include middle guard Jim Hight, defensive back John Beck, offensive tackle Steve Duich and fullback Lloyd Edwards. Also awarded United Press major college All-Coast mention were Duich, Hight, Beck, center Curt Hansen, tailback Ted Washington, defensive end Cliff Hancock and defensive back Nate Wright.

Besides Moses, United Press Little All-Coast first team honors went to Duich, Hansen, Hancock, Beck, defensive end Larry Schakel, defensive tackle Dick Weber and defensive back Jim Crossley. Second team selections included tackle Dave Ogas, guard Dave Thornton, Edwards, Hight, and Wright while end Tom Nettles, Washington, Hancock and linebacker Mike Meagher received honorable mention honors.

All-CCAA first team picks included Moses, Duich, guard Paul Daniels, Edwards, Hight, Hancock and Beck.

Six Aztecs were named to the annual North-South Potato Bowl Shrine Game to be played, December 23, at Bakersfield. They include Hansen, Washington, Hight, Hancock, and Beck.

In the Camellia Bowl quarterback Joe Turpen, was voted most valuable player for leading the Aztecs to victory.

Turpen completed 10 of 16 passes for 118 yards and carried the ball ten times for 74 yards.

## Song and Cheer Leaders

Aiding the football team in its drive for a second consecutive NCAA Football Championship, the song and cheerleaders practiced almost as much as the squad. While hampered by controversy early in the fall, the cheering squad went on to prove its ability and boost spirit throughout the year.

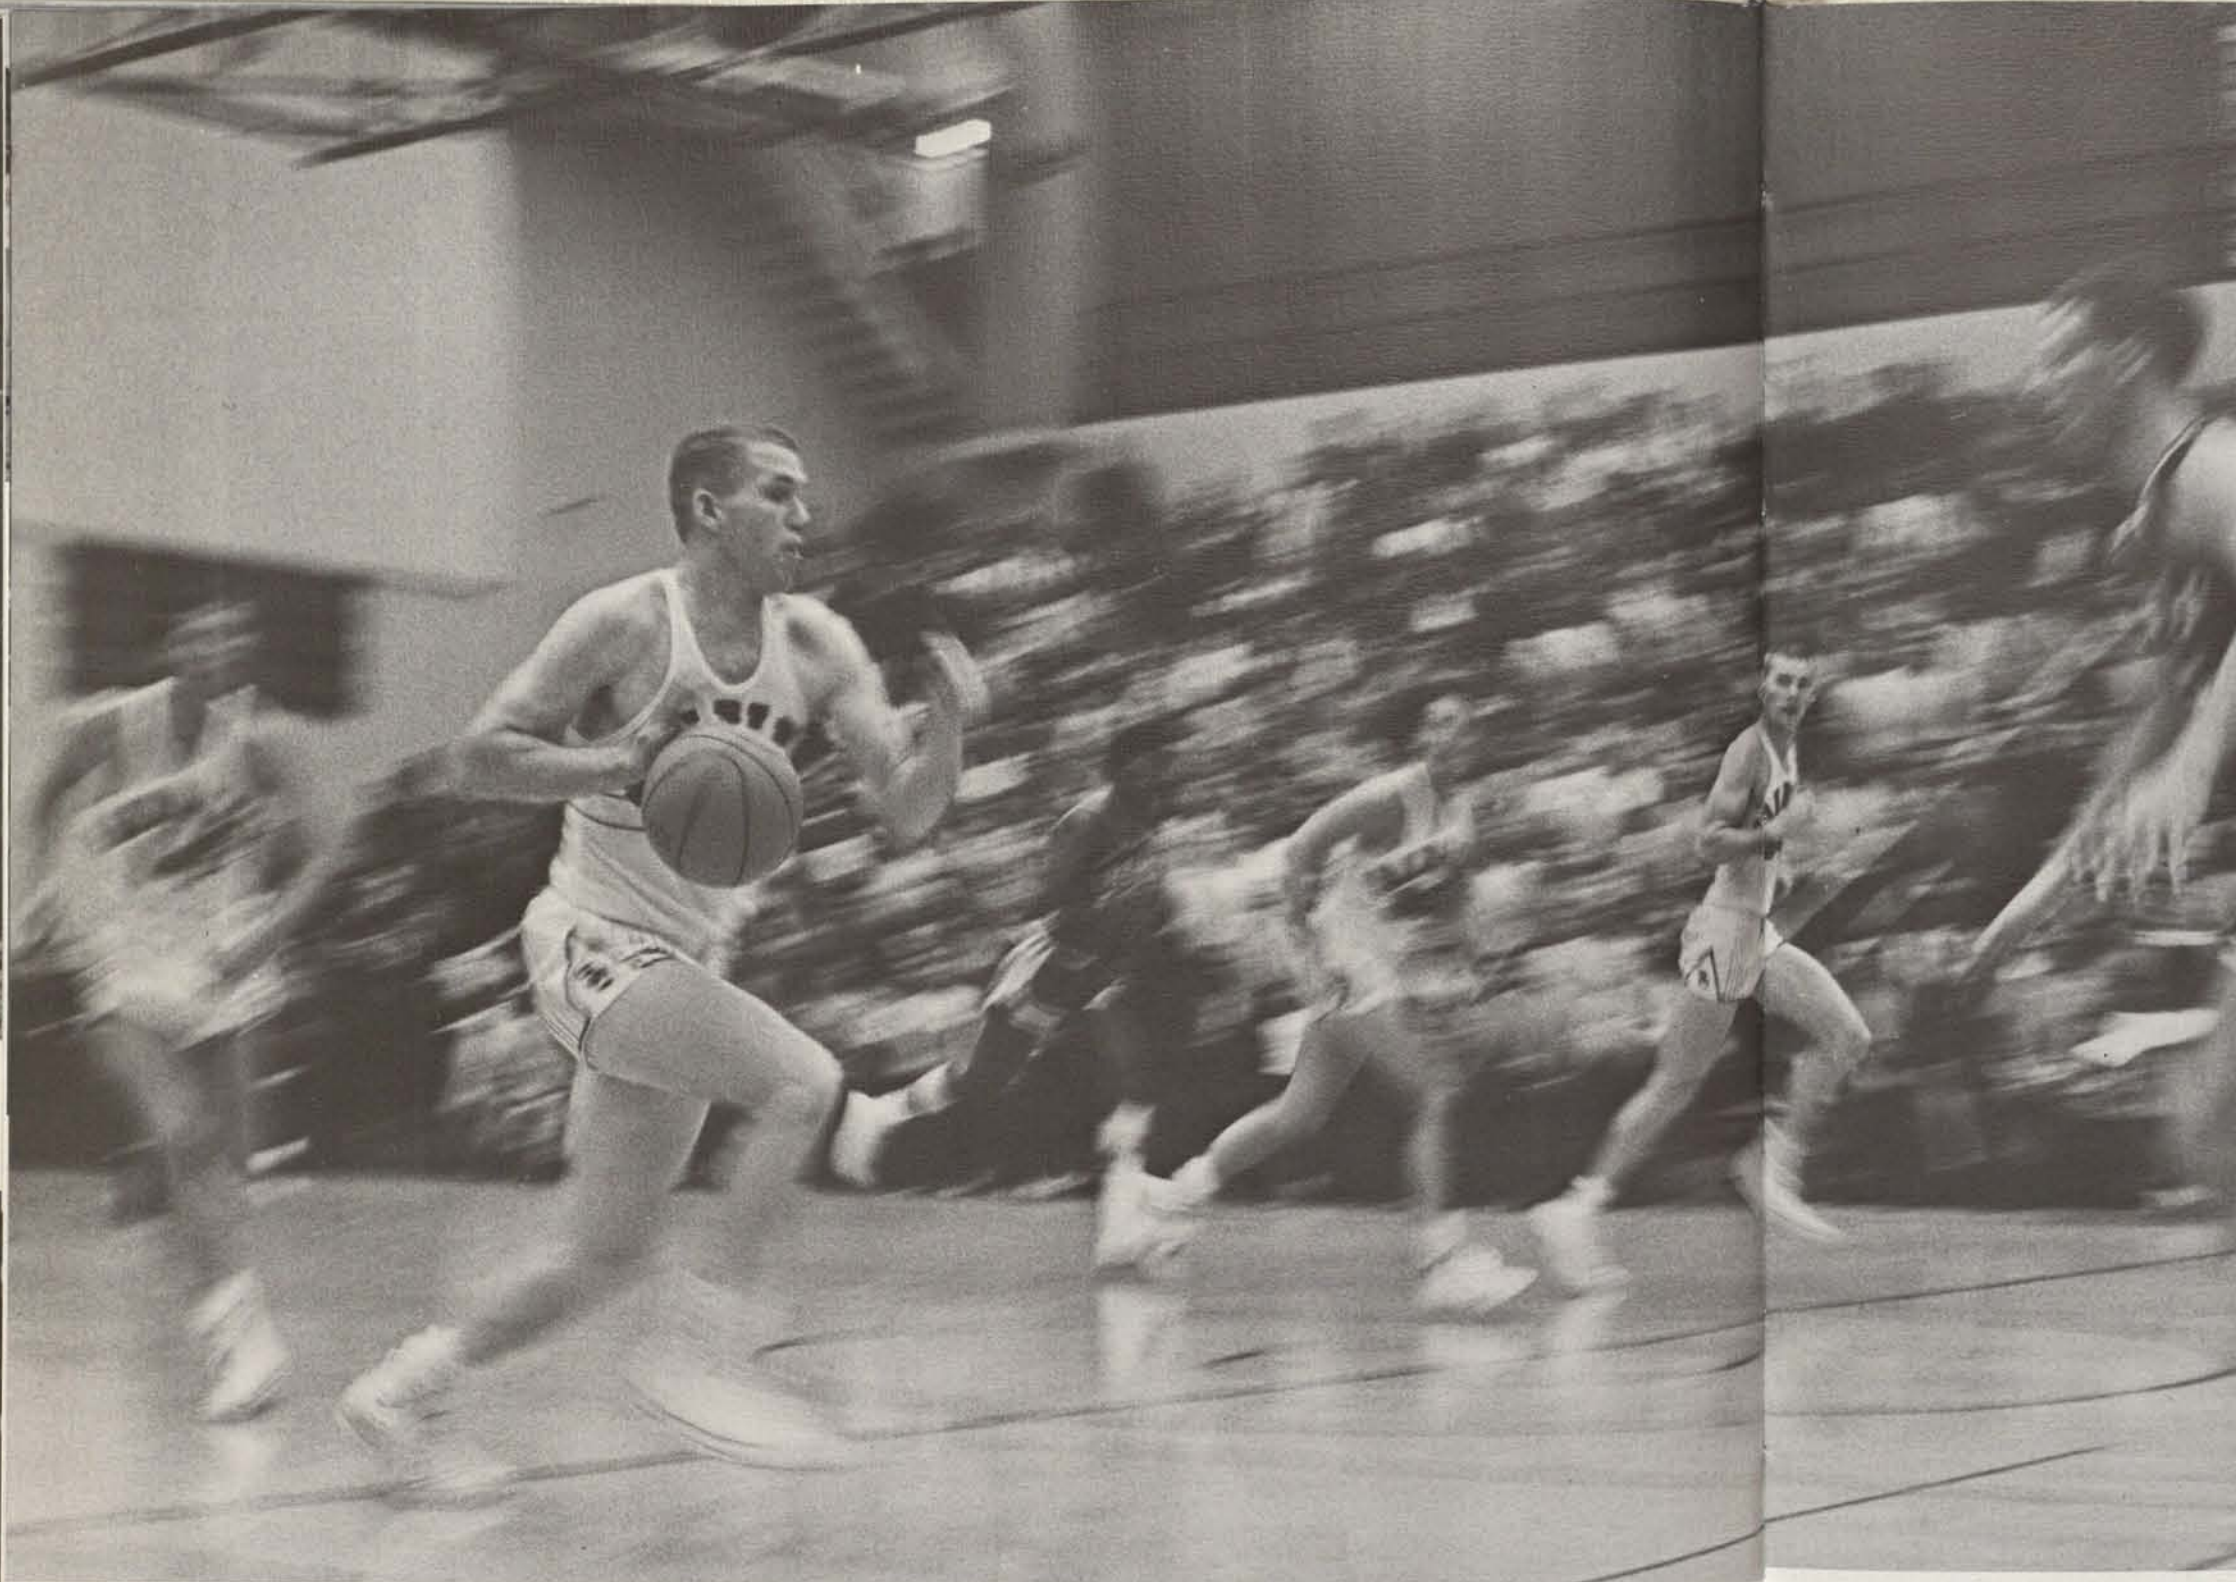

SDS was represented in 1967-'68 by cheerleaders Mary Redmond, Ned Holle, Evie Yarnell, Joe Smith, and head cheerleader, Gordy Walker.

## Aztecs Take CCAA First

Although winners of the CCAA crown for the second straight year, the Aztecs closed their season on a low note — losing to Irvine in the regional semi-finals.

Pegged as the nation's No. 1 team at the start of the season, the Aztecs set out to prove their pre-season ranking was no fluke. But a combination of untimely injuries and bad breaks caused the Aztecs to drop steadily in the polls as the season progressed.

Seemingly out of the CCAA race at two games off the pace, the Aztecs finally found the range around midsea-

son. Dave Miller, Al Skaleky and Bob Clem started scoring regularly above their averages and Rick Eveleth began feeding the ball well. Coupled with the help supplied by newcomers Herman Hagen and Eric Martensen, the Aztecs charged past their slipping competition, capturing their second straight CCAA title on the next to last game of the regular season. Not to be considered "backing in" Coach George Ziegenfuss' boys ran over previous contender Long Beach State 84-72 in the regular season wind-up.

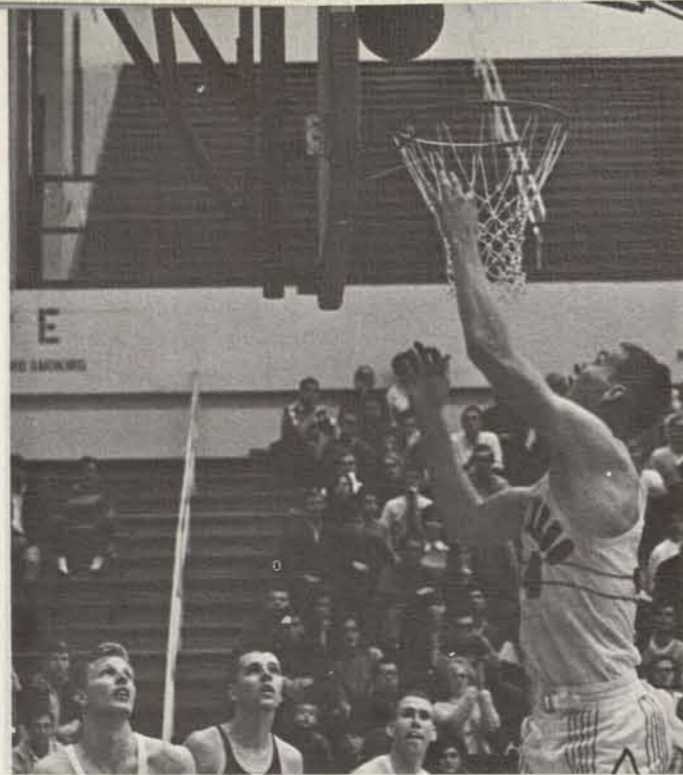

Dave Miller (14) and Bob Clem set up a mismatch.

The Aztecs are behind and Coach Ziegenfuss shows the strain.

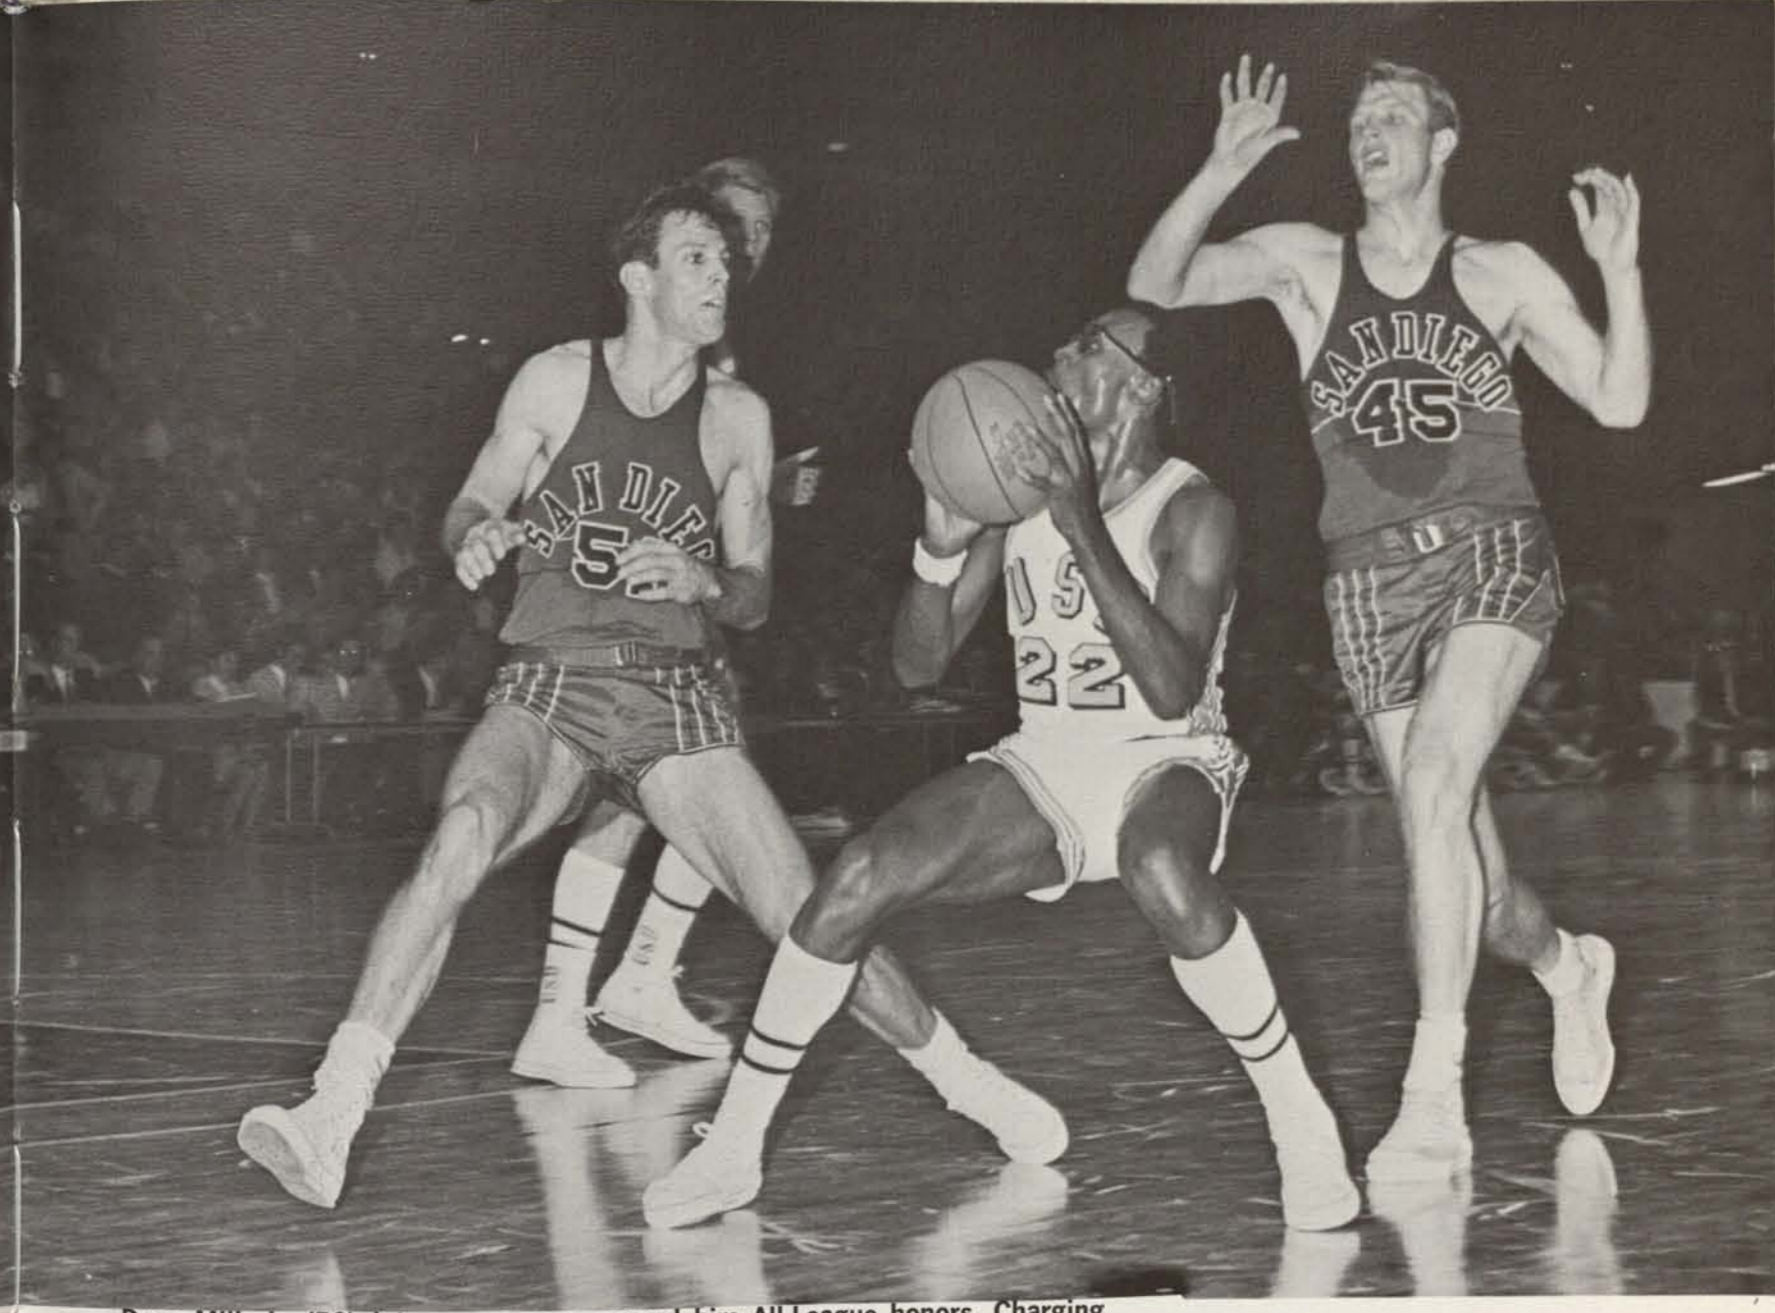

All-League center Al Skaleky towers above the crowd in his quest for victory.

# CCAA Honors Go To -

Aztec standouts Al Skaleky and Dave Miller were named to the CCAA all-star basketball team, while Bob Clem was chosen for the second team and Rick Eveleth was accorded honorable mention.

Bob Clem, another Aztec standout, forces his man out of position before he drives in for the layup. Bob was awarded a berth on the CCAA second team.

Dave Miller's (52) intense coverage earned him All-League honors. Charging in behind the opponent is 6'-7" Bob Lundgren (45).

# Cross Country Captures Crown

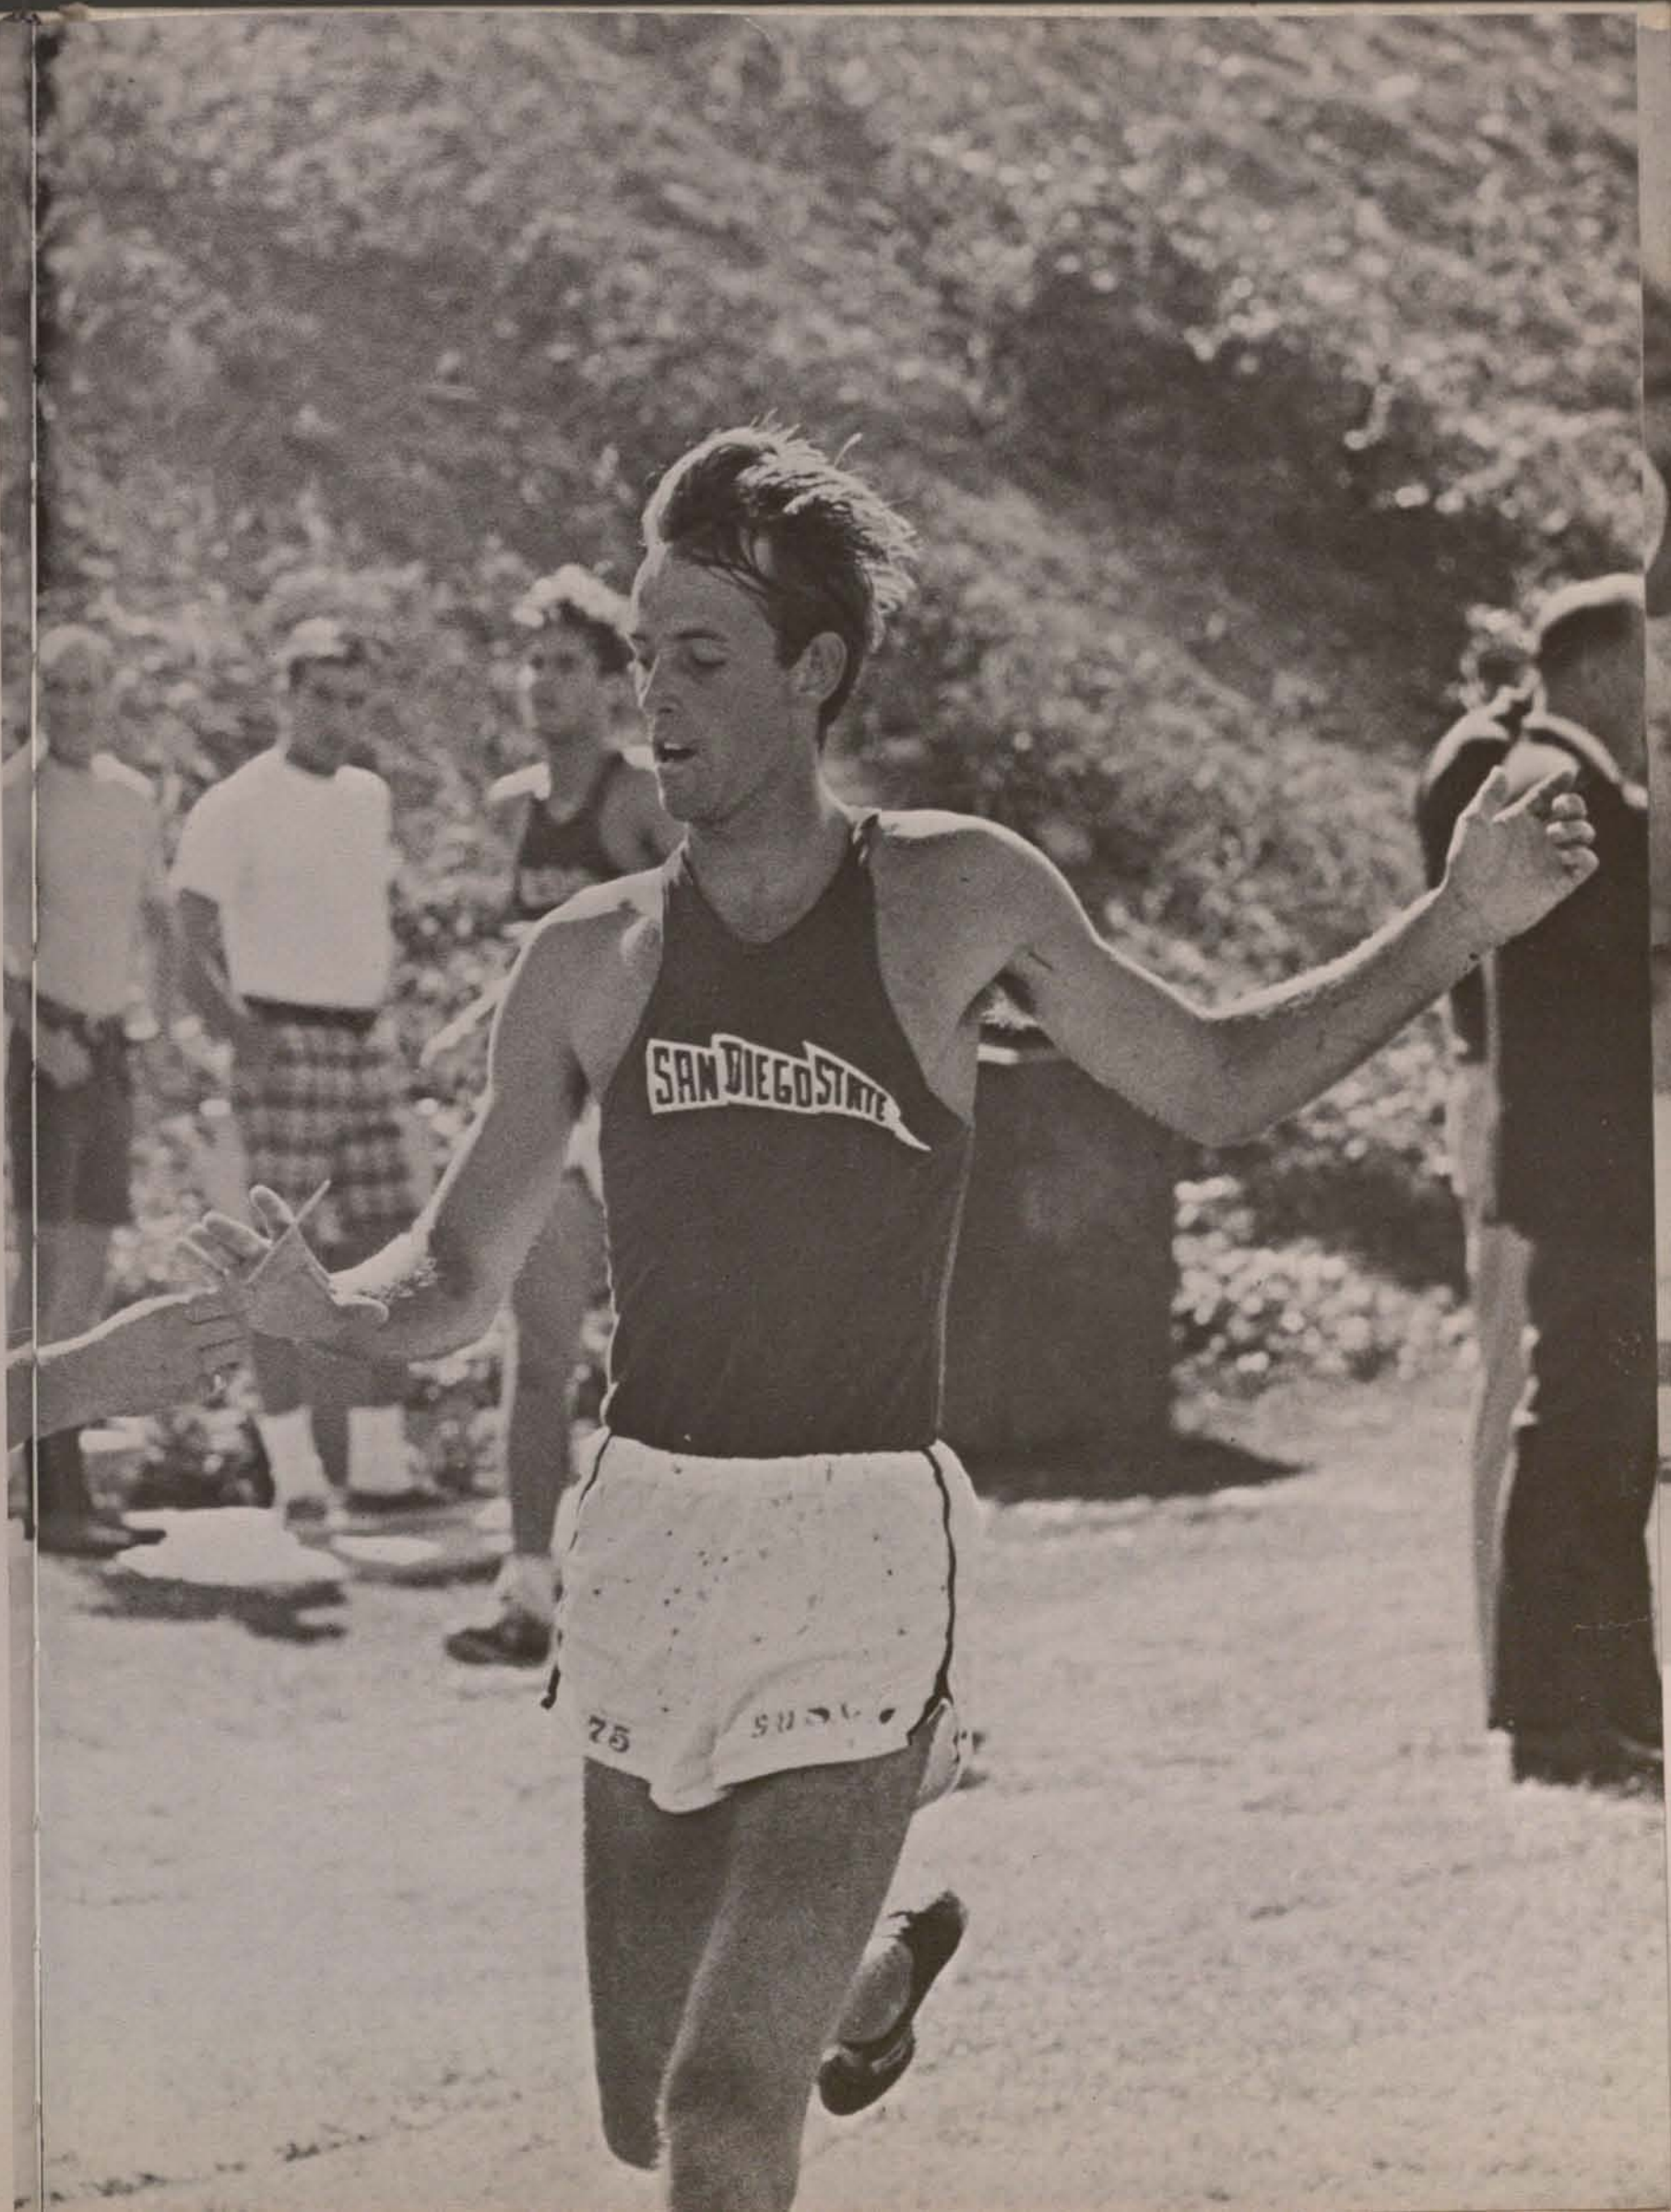

**Dedication and hard work produce NCAA crown**

Far from the glory of publicity, a squad of 16 dedicated men push themselves to the peak of physical perfection. The 1967 Cross Country team, coached by Tony Sucec, captured the CCAA championship and won an unprecedented third straight NCAA college division crown. The squad finished either first or second in every meet it entered, regardless if the opposition was small or major college. The team members, who had to run from six to eight miles a day, six days a week, selected all-American Greg Bagby as the outstanding runner. Other outstanding performers were Juan Hernandez, John Colson, Dave Hamblen and Pete Virgadamo.

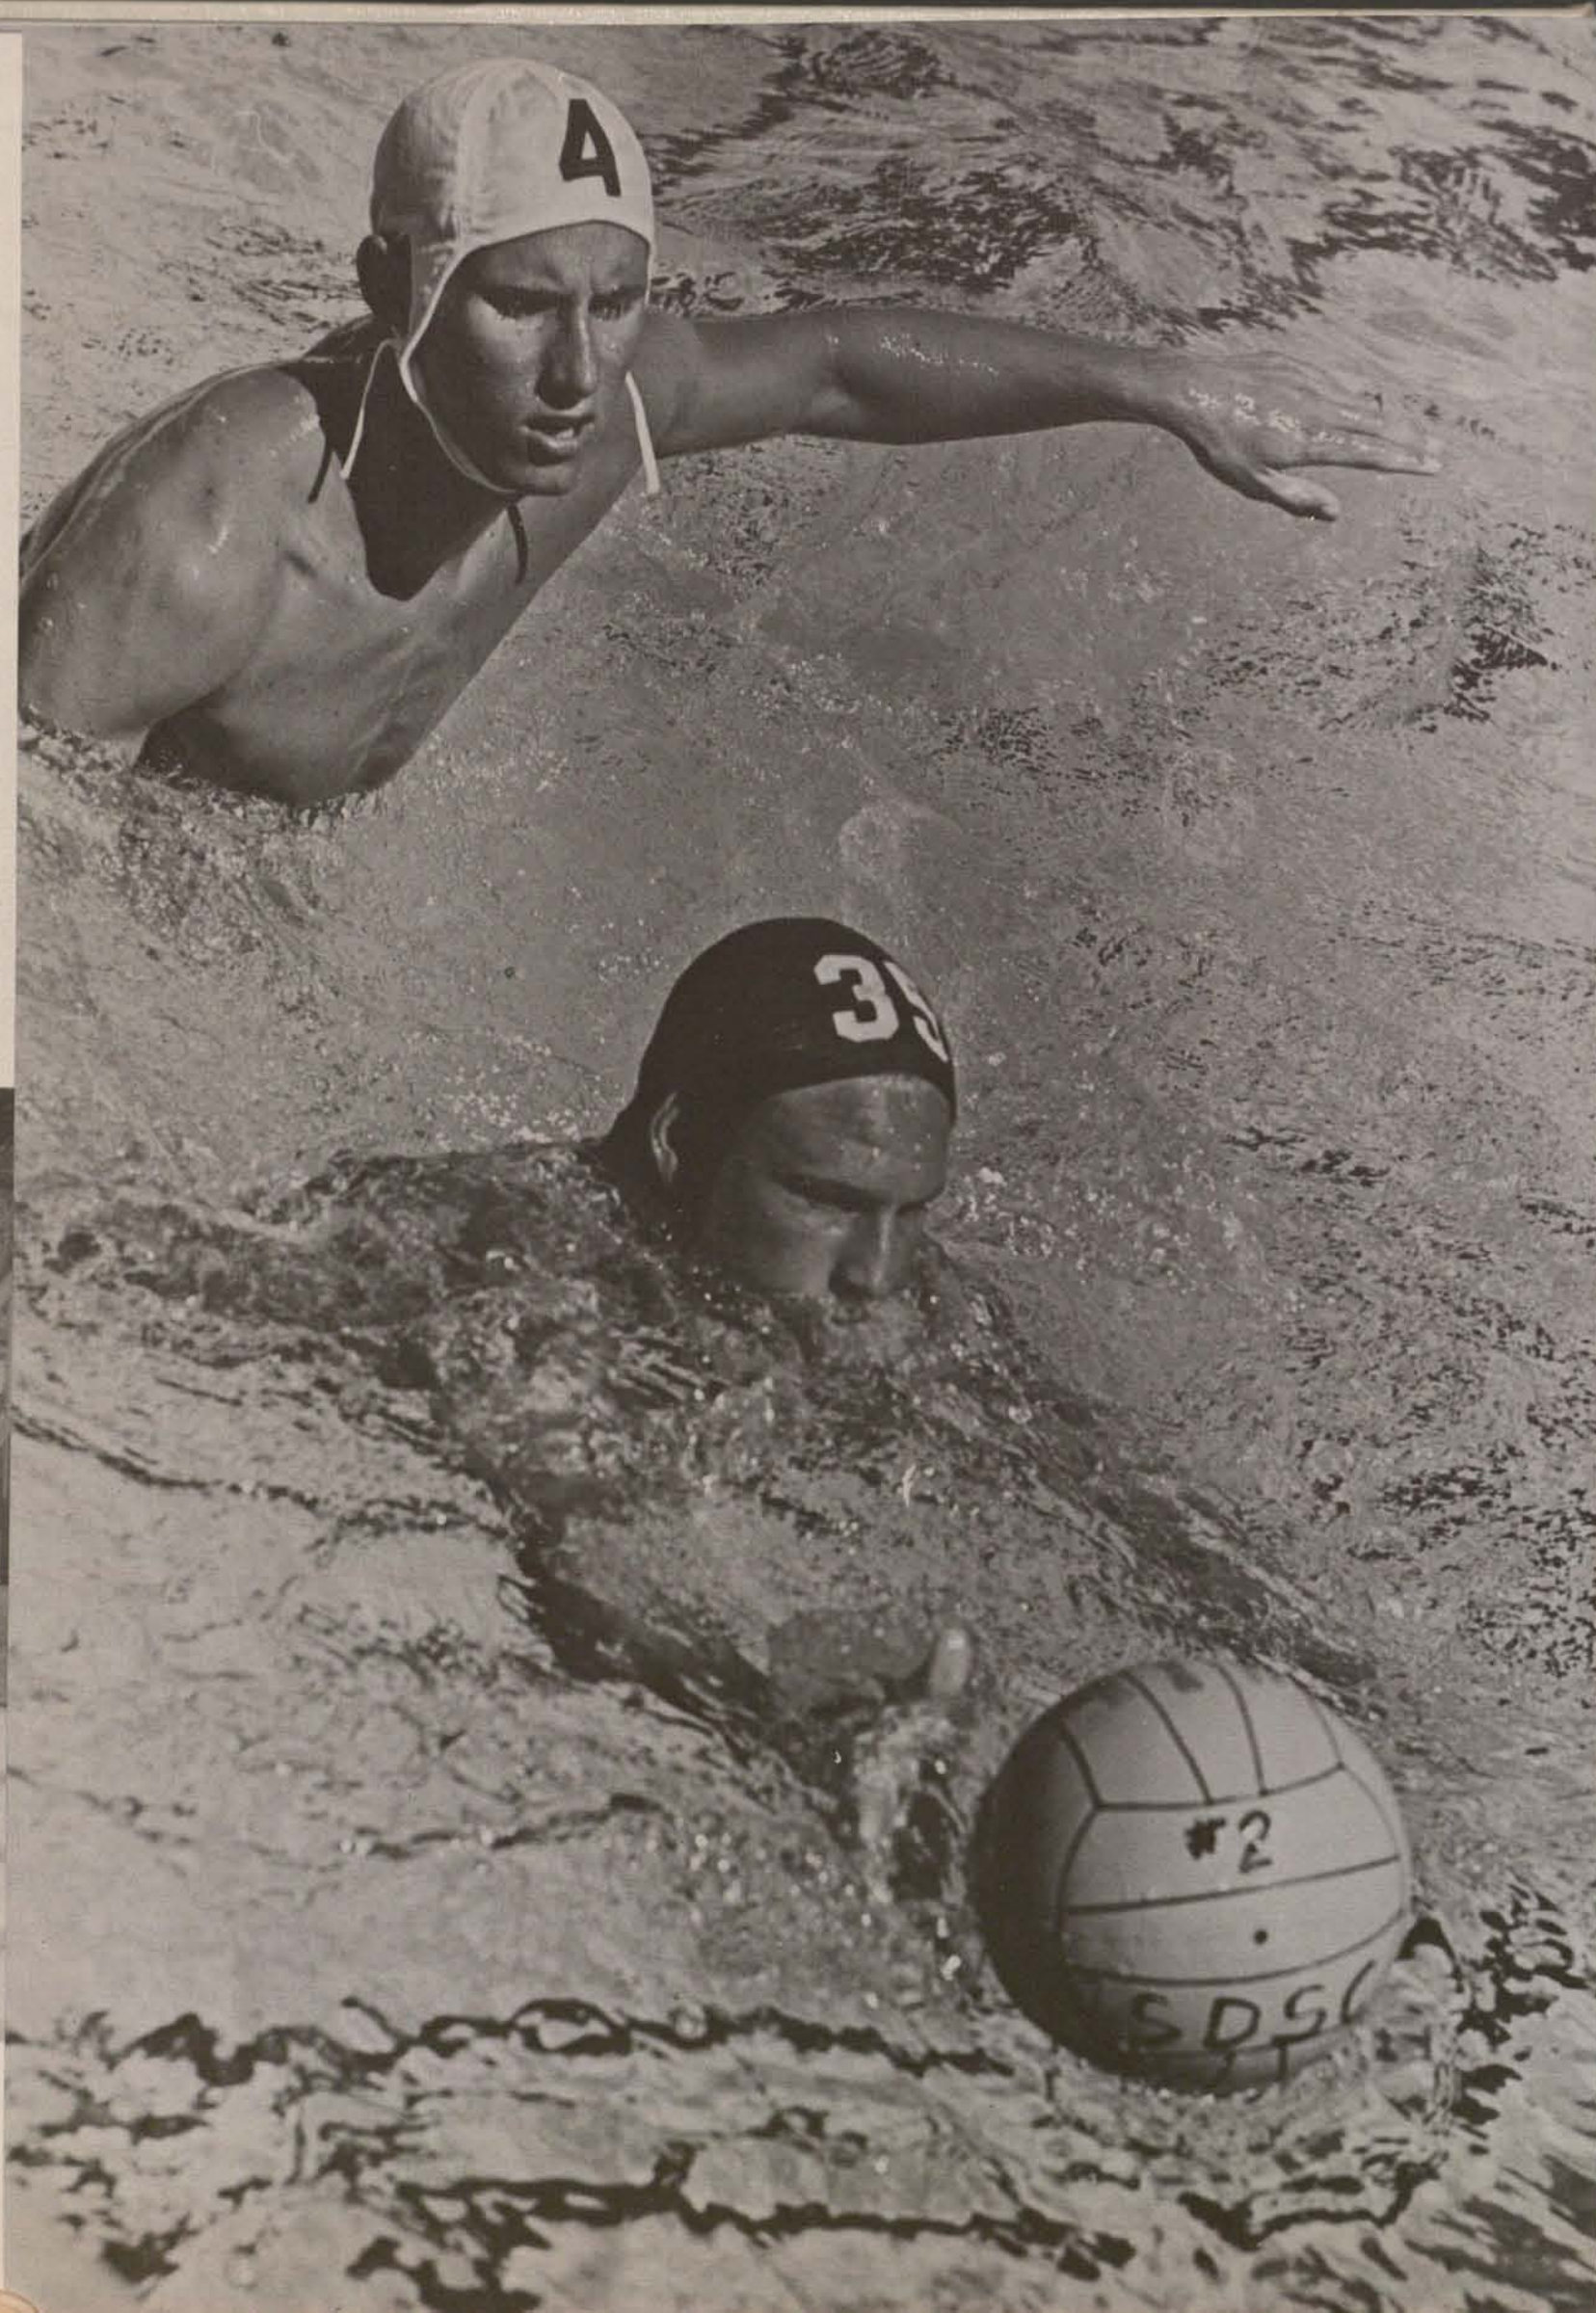

Senior Greg Bagby placed third in the NCAA finals, second in the CCAA championship race and was the team's outstanding runner.

Team members include, first row, from left: Juan Hernandez, Dave Hamblen, Rich Cota, Roger Friend, Bob Caikowski, Skip Crowley. 2nd row: Bill Plumb, Pete Virgadamo, Bud Piraino, Al Marshall, Doug Barnett, Elvin Durop (mgr.), Coach Tony Sucec. 3rd row: Steve Dorsch, Greg Bagby, John Colson, Ron Weaver, Biff Newman.

After a grueling four mile run, Aztec Skip Crowley receives his award, a simple stick which records his order of finish.

## Tough Schedule Slows Poloists

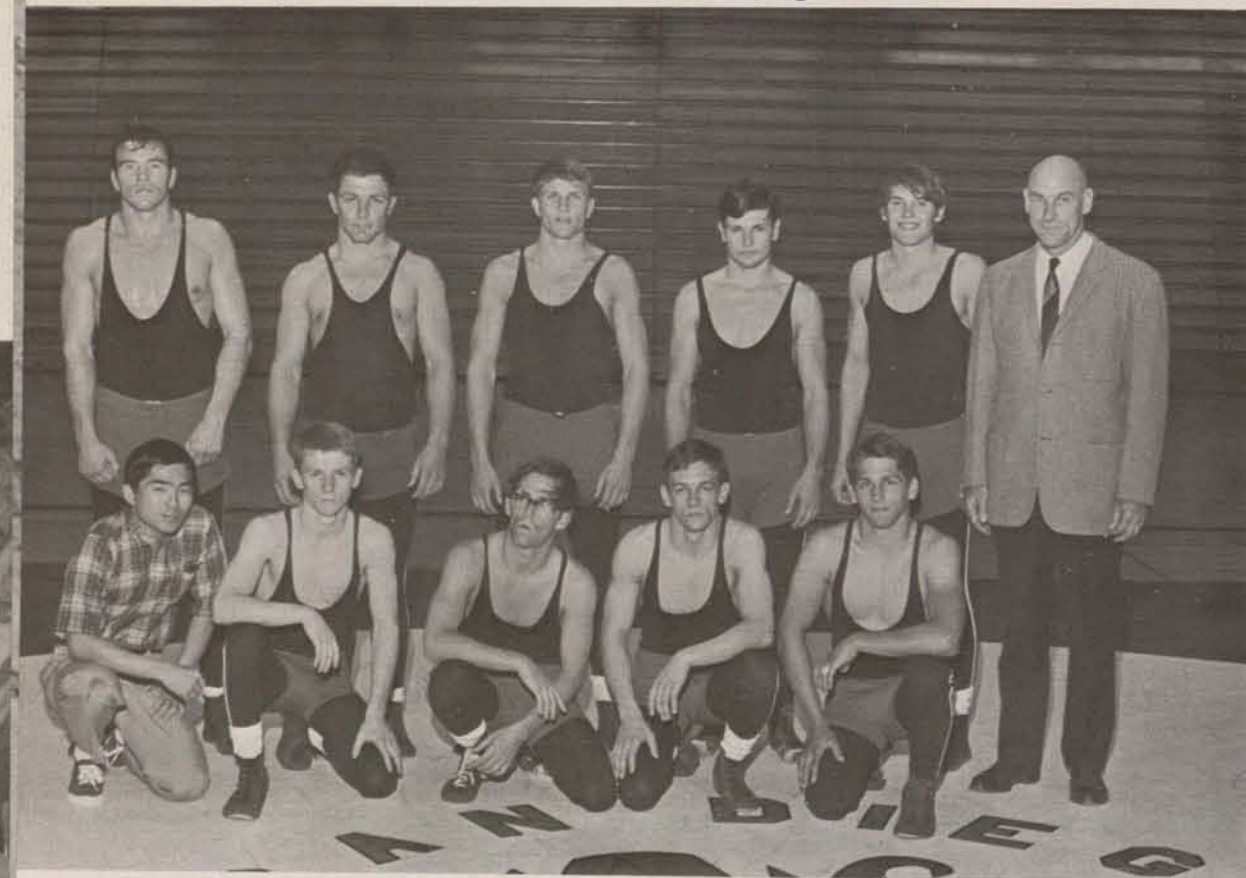

While not the most successful water polo season that San Diego State has had, the Aztecs showed great poise and significant individual improvement in tackling their toughest schedule to date. The team faced more major college competition than any other Aztec team. Coach Bill Phillips' encouragement enabled the Polo Aztecs to splash their way to victories over several nationally ranked teams. The experience gained from this year should greatly help the poloists next season.

# Wrestlers Post Successful Season

Top Row (l-r): Bob Grimes, Bill Hoffman, John Wilson, Roger Schumann, Mike Nystul, Coach Swift. Bottom Row (l-r): Ronnie Takashima, John Thorsnes, Larry Becht, Dave McCullough, Mike Ferdig.

Bob Grimes, heavyweight, weighing only 195 lbs. (l) faces his L.A. State opponent who weighs 250 lbs. Grimes won this one.

Roger Schumann, 160 lbs., drives for a pin against L.A. State wrestler.

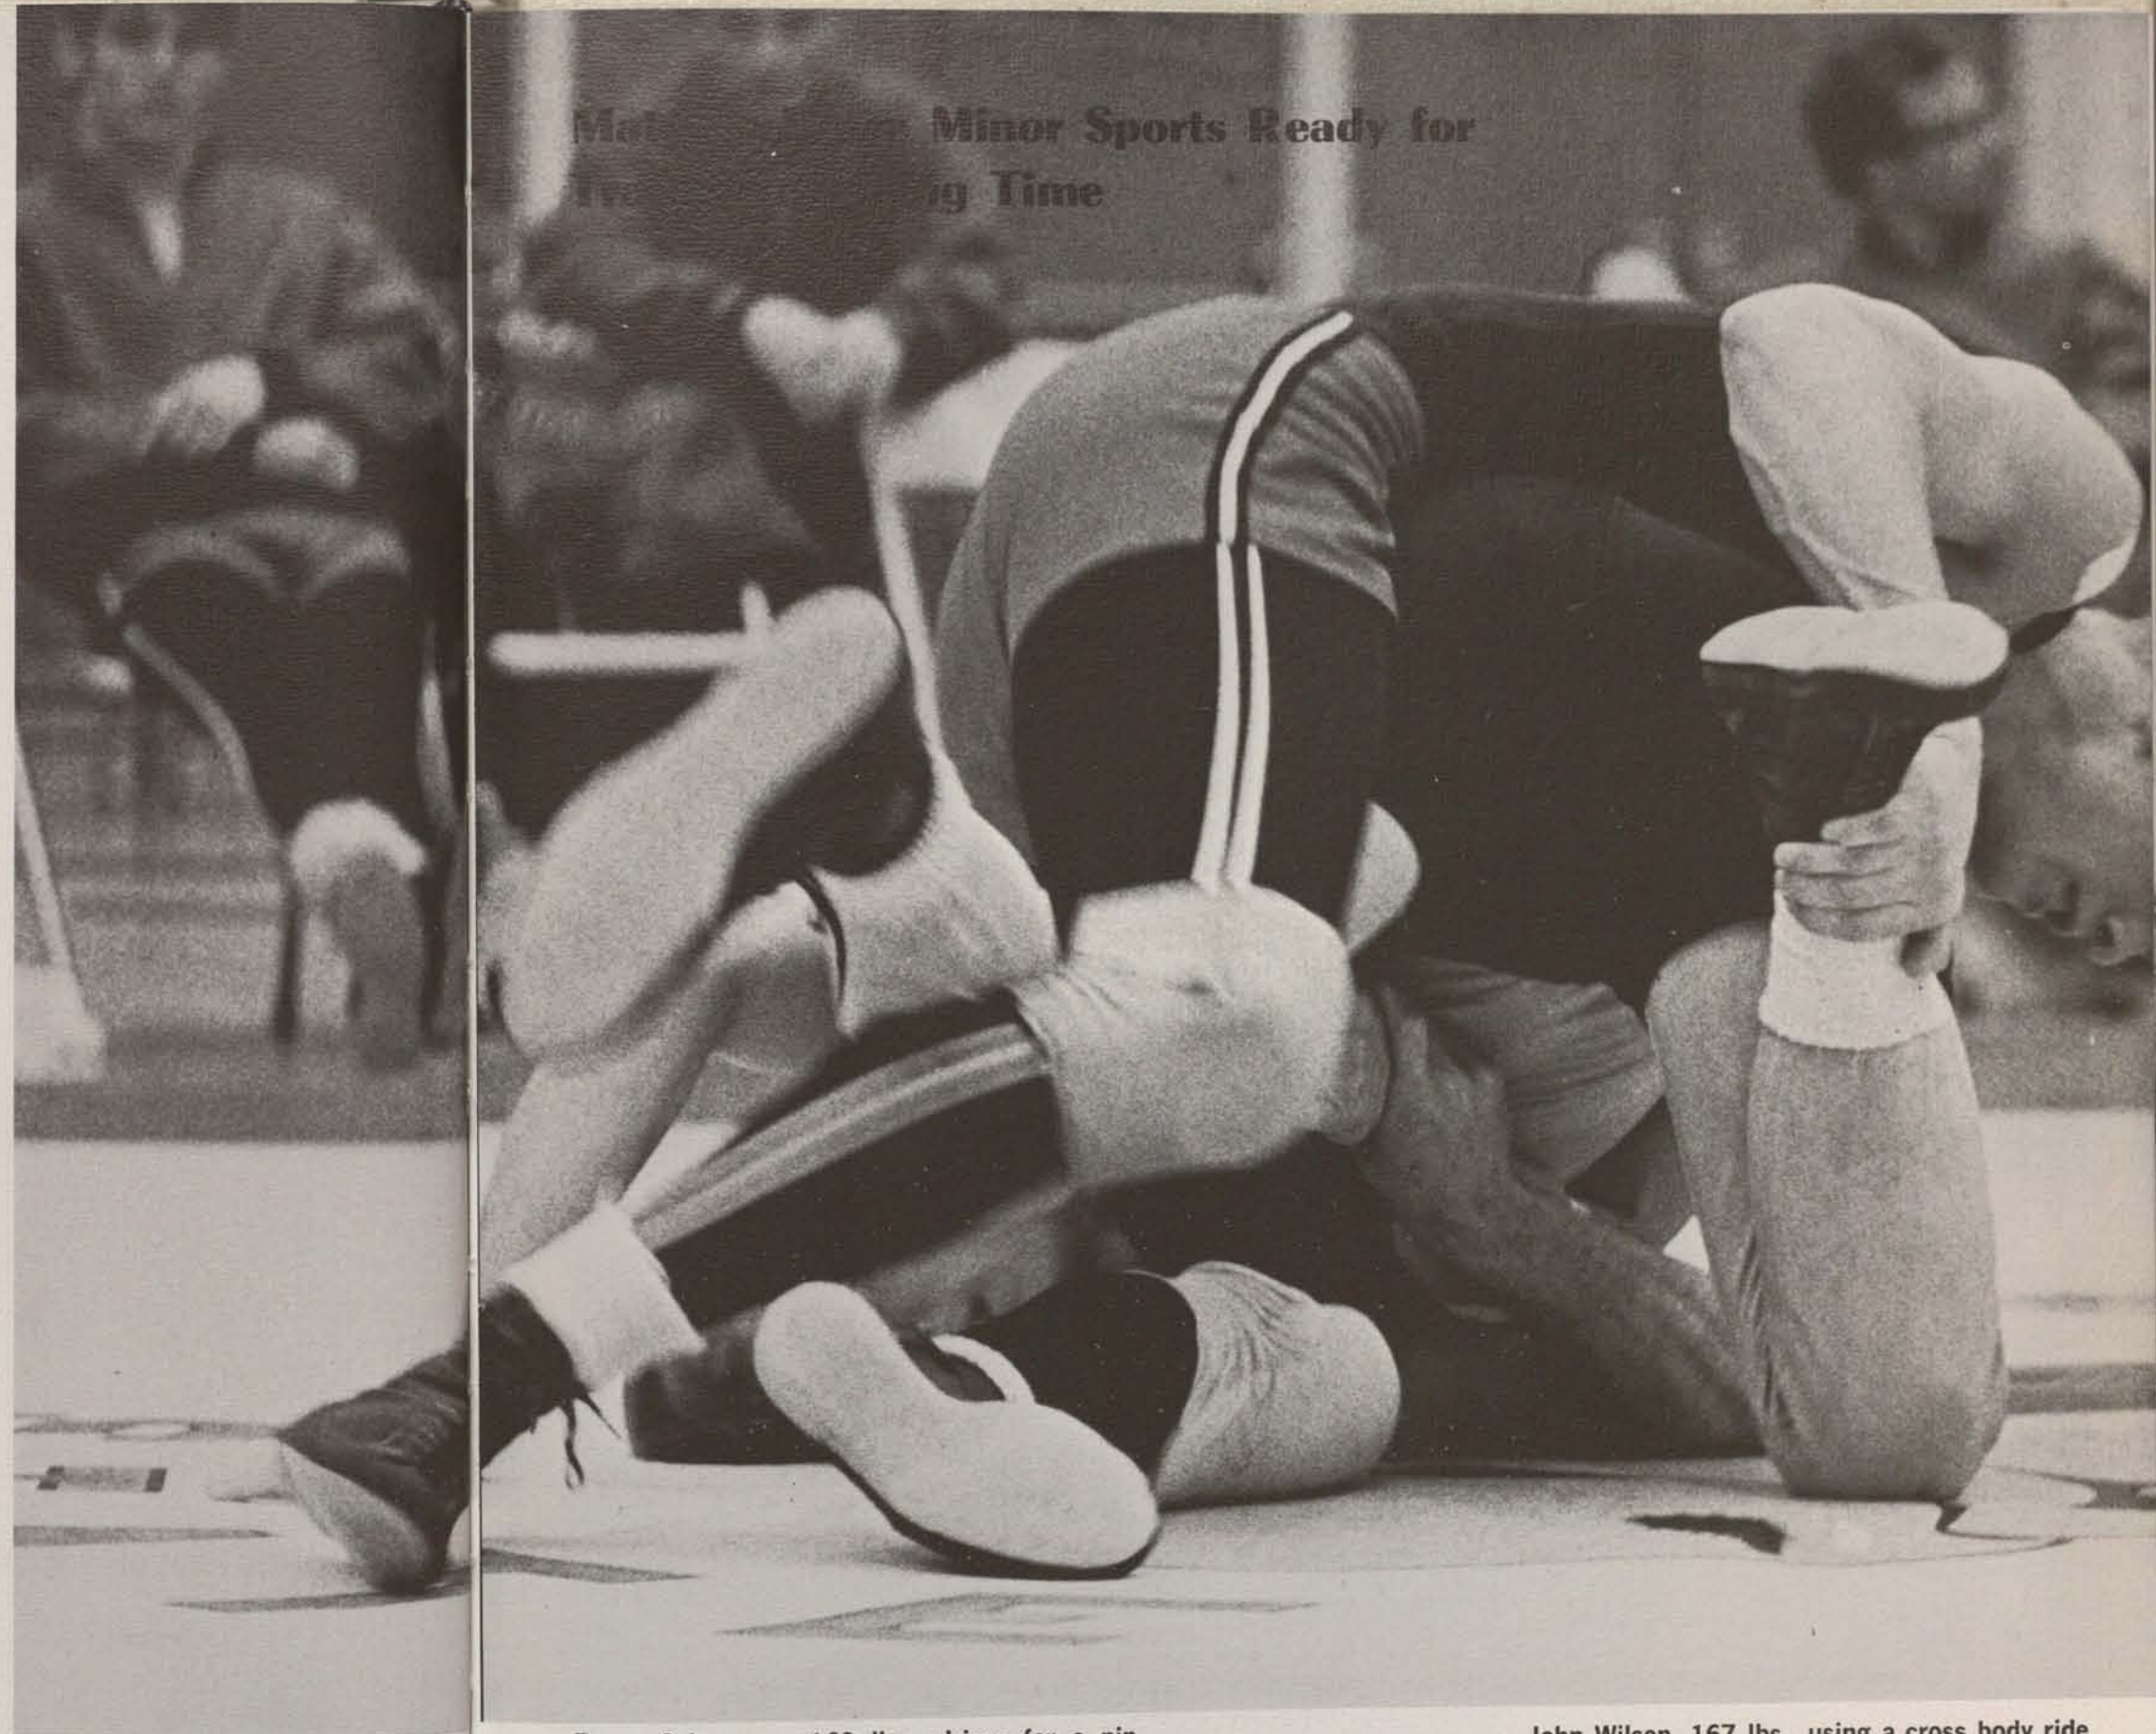

A fifth place finish in the CCAA championships can not be taken as a true measure of the wrestling team's strength. Three of the clubs that placed higher, Cal Poly (San Luis Obispo), Fresno, and Cal State Long Beach are among the best in the nation. Coach Shuford Swift's squad defeated two AAWA opponents, Stanford and Berkeley, during the regular season, proving that the minor sports are ready to compete in such major college athletics as football and basketball. The advent of more

scholarships, providing for individual standouts and team depth, will also enable the wrestling squad to compete with the larger schools. Aztecs who placed in the CCAA championships were John Thorsnes, 4th in the 123 pound class; John Wilson, 3rd in the 160 pound class; Bob Grimes, 2nd in the 191 pound class; and Bill Hoffman, 3rd in the heavy-weight division. Swift will have to replace seniors Wilson, Dave McCullough, Les Adair and Roger Schumann.

Minor Sports Ready for Big Time

Surrounding the team's brand new golfball are Aztec golfers (L-R) Bill Parbarcus, Bill Teasdall, Joe Aiken, Coach Dr. Frank Scott, Ray Carrasco, Rich Ward and Tom Nettles.

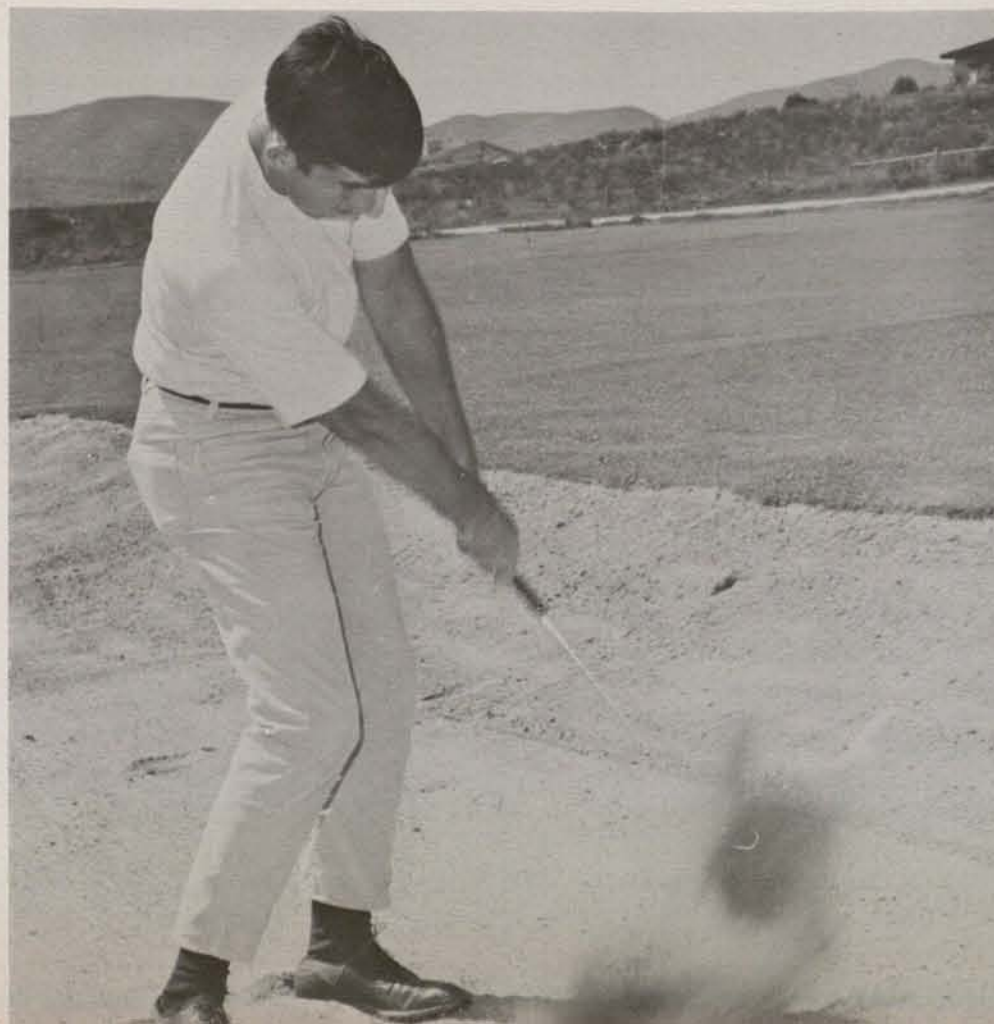

## Golfers Post Excellent 23-4 Record

This year's edition of the Aztec golf team finished in sole possession of 2nd place in the CCAA. After starting off with a win the Aztecs ran off twenty-two more. This, coupled with only four losses in dual match competition, added up to an excellent season record of 23-4. The

golfers will compete in two post-season tournaments, the Fresno Classic and the Western Intercollegiate Tournament in Santa Cruz. Overall the squad averaged under 76 when playing on their home course, Carlton Oaks.

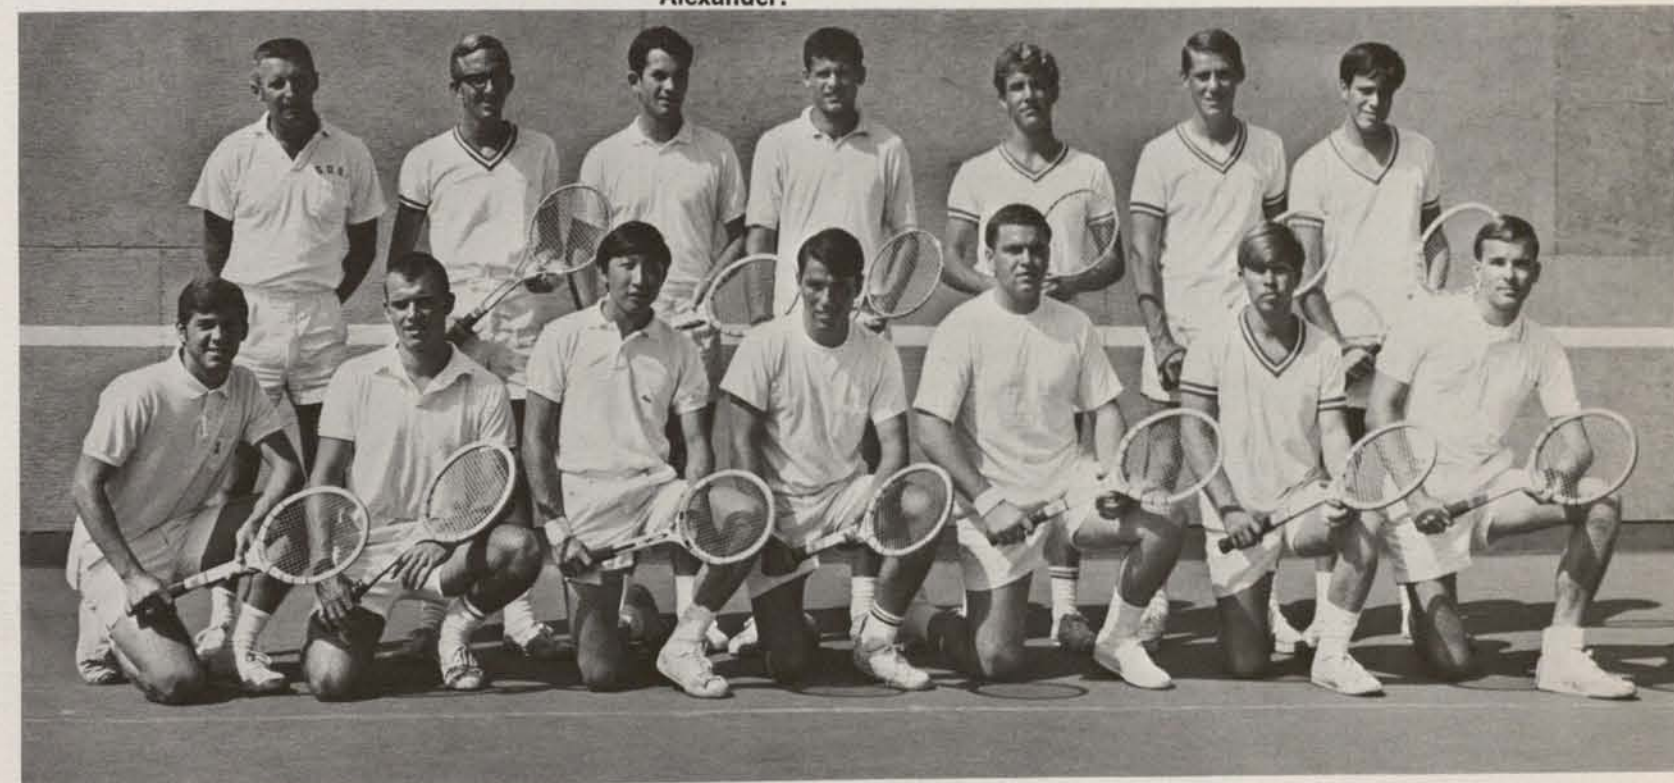

With wrists firm, heels dug in and little body turn, Rich Ward drives through a perfect sand shot.

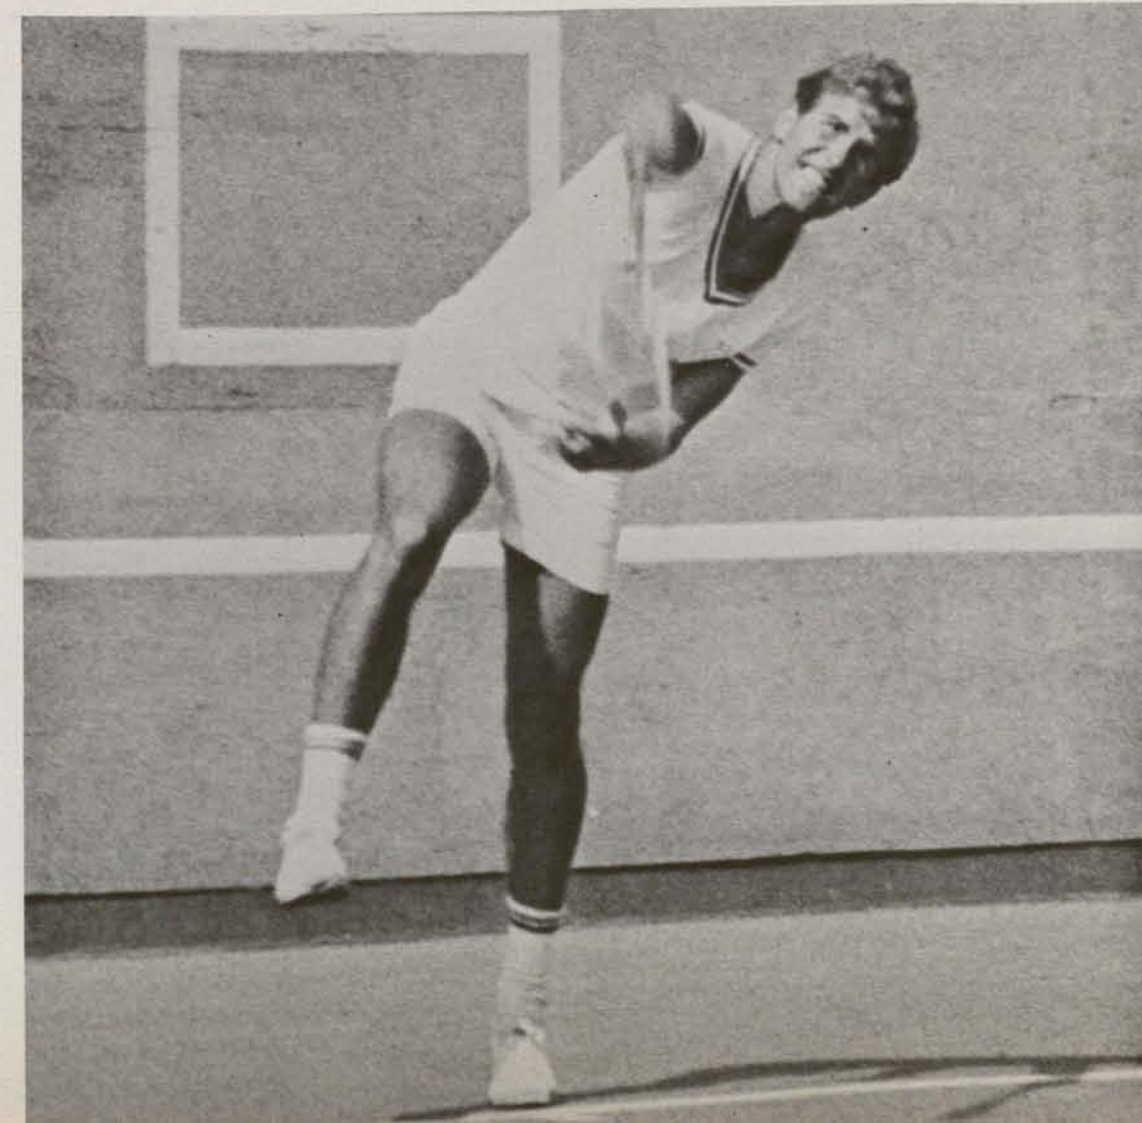

With new Coach Bob Chapman behind them the tennis team had posted a respectable 5-3 record by the beginning of April; a definite improvement over last year's record of 4-17 for the whole season. Back from last years squad include much improved Bud Myers, Dennis Hannan, and Rich Williams. Paul Robinson, a letterman, Paul Farr and Don Dale are also returning.

Under the tutelage of Coach Dennis Wise this year's Rugby squad faced some of the nation's best teams. Among them were UCLA and always tough UC at

Berkeley. Although the team was often undermanned they still managed to complete a successful season with wins in three out of their last four games.

# Gymnasts Go Coed

This year gymnastics enlarged its schedule by including women's competition as well as men's competition.

The men's team did fairly well by placing four men in CCAA Finals.

The women's team drew quite a crowd at their two home meets this year.

## Swimmers 5th in NCAA

The Aztec swimming team finished a fine season by placing fifth in the NCAA Championships in Atlanta, Georgia. Joe Helland was outstanding as he placed second in the 200-yard butterfly and the 100-yard butterfly. Larry Helland fin-

ished sixth in the 200 individual medly, and ninth in the 100 yard freestyle. The Aztec 800-yard freestyle relay placed eighth, but bettered the time of last years first place team

# Aztecs Finish With 10-1 Record

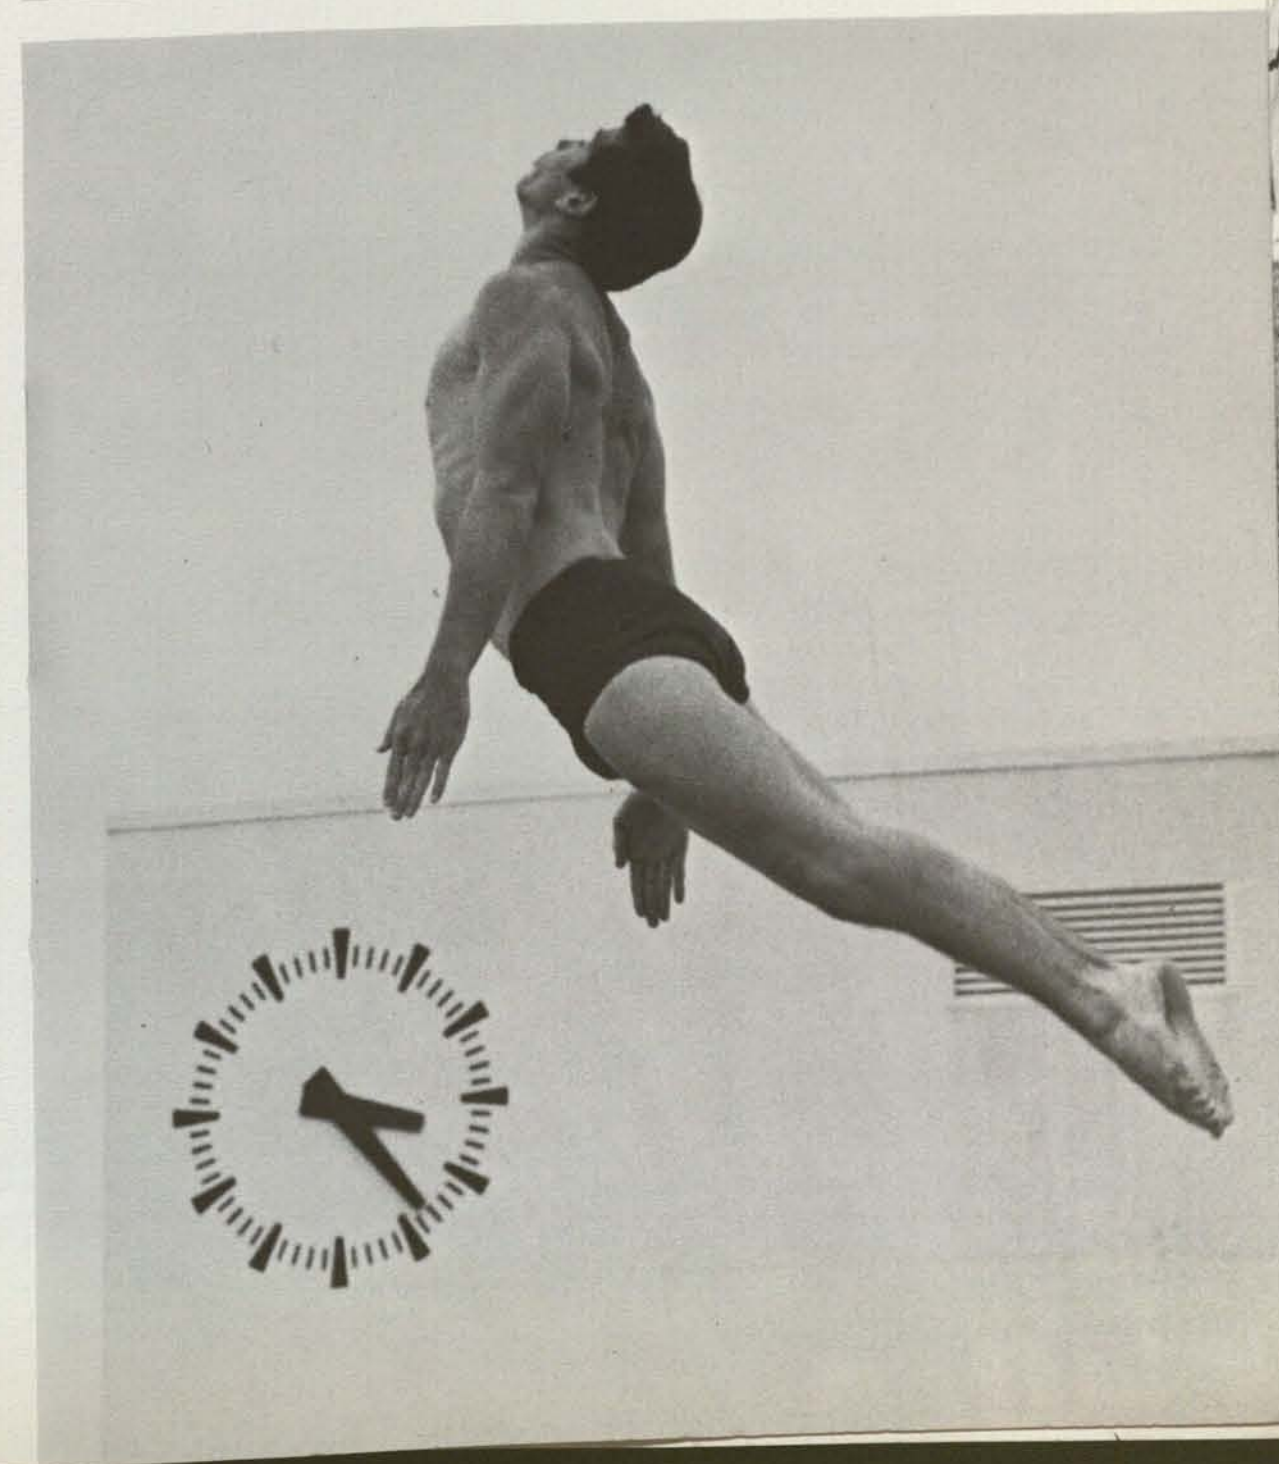

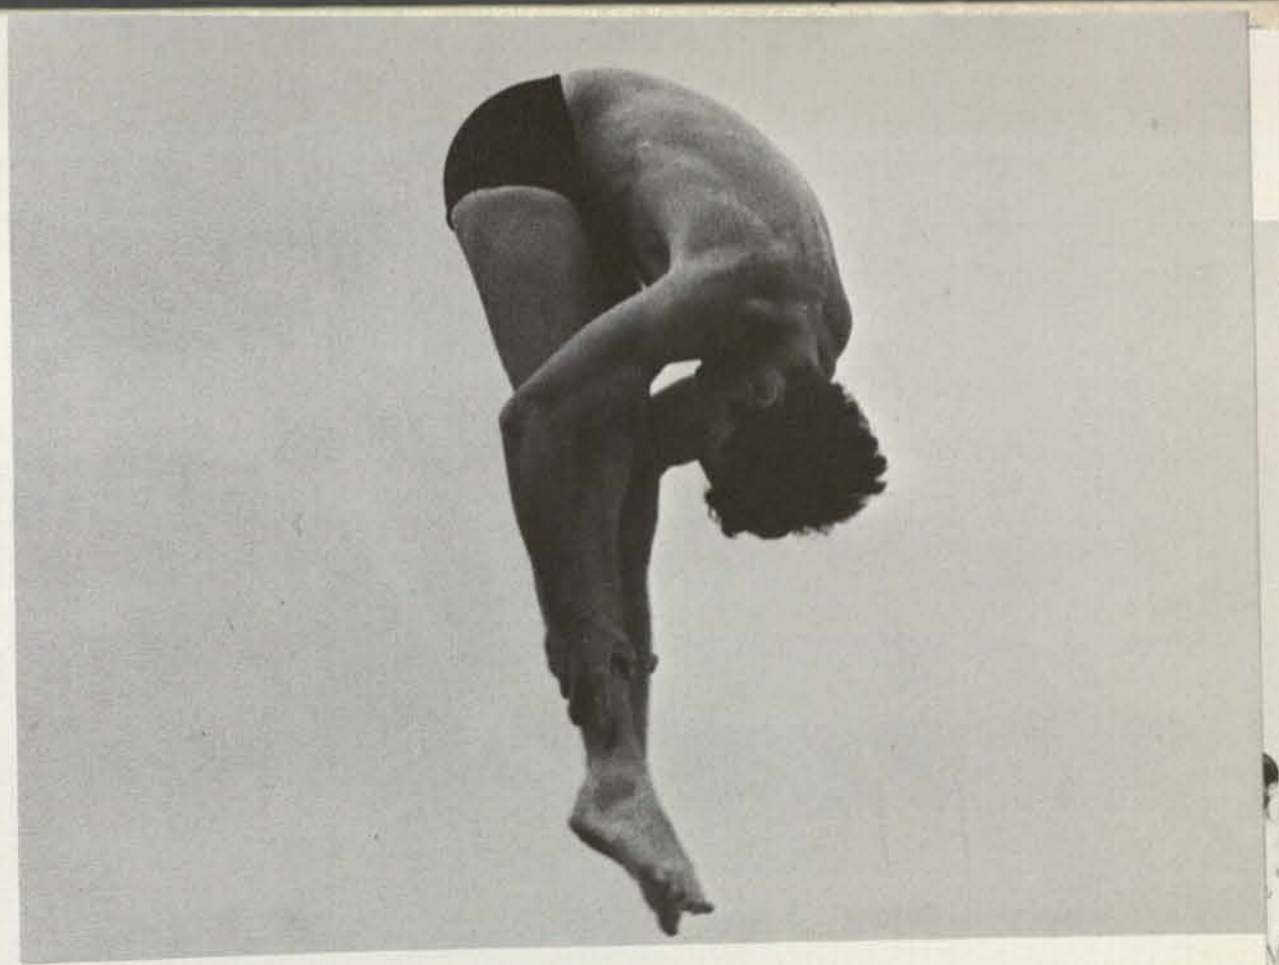

Highlights of this year's dual meet season for the SDS Aquamen were strong wins over the University of California at Irvine (72-41) and Clairemont-Mudd (79-33). The Clairemont-Mudd Swimmers were NAIA champs last year in the small division.

Individual high points were reached when Jon Helland captured two first places in the conference finals and Gary Bruce took a double victory in the Clairemont-Mudd meet. Both of Helland's times were new conference records.

An Aztec swimmer prepares to make his turn.

# Late Dash For League Title

With only six league games remaining the Aztecs baseball team holds on to a tie for first place in CCAA competition. Leading the team to this position on the standings were third baseman Rick Eveleth, left fielder Dave Robinson, and shortstop Paul Zetts. All of these players have averaged close to or over .300 all season. The result of the final league games will not be available until after press date but the prospects for a CCAA title were very bright.

Bottom Row, L-R: Bart Miller, Riley Mullen, Tom Kam, Pete Schiff, Gene Lamke and Head Coach Lyle Olson. Middle Row, L-R: Mike Slatery, Scott Simon, Mike Fellows, Jim Nettles, Dave Middleton, Ron Hayes, Jim Willis, Craig Baylor (statistics). Top Row, L-R: Dirk Van Dyke, Chris Courter, Dave Robinson, Glenn Shoemaker, Terry Scholfield, Ralph Stewart, Rick Eveleth and Assistant Coach Larry Wilkins.

## Volleyball-No. 1

This year the Aztec volleyball squad went undefeated in tournament and team competition. The team was led by returnees, Bob Clem, Pan-Am Games player; Rich Duggan, 2nd team All-American, and first team All-American Danny Paterson, a junior college transfer. The Aztecs defeated teams such as perennial national power UCLA and always tough Santa Monica CC. Among the honors garnered by this year's squad were the University at Santa Barbara Invitational Volleyball Championship and a first place in the Collegiate Far West Tournament.

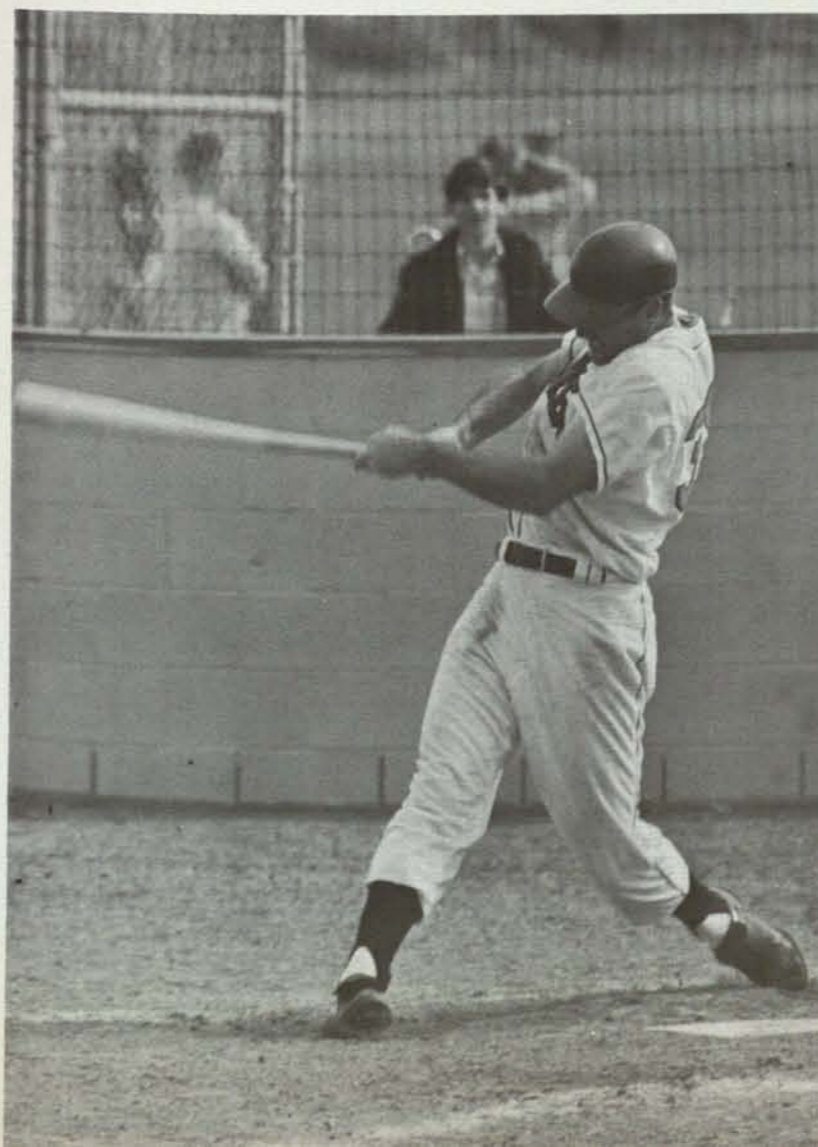

Bob Dabron creates a human wall which not only stops the shots, but also returns them at the same time.

Although this play, of two Aztecs colliding, resulted in an error, aggressive fielding such as this brought home a 9-0 win for the Aztecs.

Dave Robinson slides into second with just one of his stolen bases.

A welcome home for Glenn Shoemaker, after powering one out of the park.

## Baseballers Break Record

### Win Marine Tourney Twice

Sparked by the pitching of Dave Middleton and Scott Simon, the 1967-68 baseball team won both San Diego Marine Corps' tournaments, a feat never accomplished by any team. Middleton has an earned run average of 1.57, while Simon has allowed opponents an average of only 1.82 runs per game.

Jim Nettles pulls one down the right field line for a ground-rule double.

# Standouts and Depth Win

Team effort and individual standouts were factors in the Aztec Track Team this year. The results: a first place in the Long Beach Relays, College Division; a strong showing in the Mount Sac Relays, and a new record in the 440 yd. relay.

Tom Eklund handily wins the 880; a grueling combination of speed and stamina, in the easy time of 1:52.5.

Top row, L-R: Bob Hauer, Larry Stoddard, Dennis Dolly, Dave Litell, Skip Crowely, Greg Bagby, Gary Hafner, Gary Hails, Biff Newman, Steve Dorsch, Joe Jackson, Sam Fernandez, Pete Downes, Barry Montgomery, Dan Reeves, John Colson, Mickey Craven, Carl Geiser, Byron Mack, Craig Virgen, Bill Plumb. Bottom row L-R: Pete Virgadamo, Dave Colegrave, Doug Barnett, Dave Hamblin, Roger Friend, Juan Hernandez, Lincoln Arthur, Bob Stewart, Joe Miyoshi, Allen Handley, Jim Eddington, Tom Eklund, Warren Murchison, John Spurrier.

Co-Capt. Doug Fisher utilizes a scientific law as he holds the discus away from his body. The speed of the plate is therefore greater than if he carried it close to the body. Fisher is the national J.C. record holder in this event.

# Tracksters Could Be Best Yet

This year's track squad could be the strongest San Diego State has ever had. The sprints should be a strong point with Byron Olander, Fred Featherstone, Gary Hails, and Lincoln Arthur all holding times of 9.8 or better. Hails recently broke the school record in the century with a 9.5 clocking in an all-comers meet.

While only a freshman George Brown was the top shot-putter for the varsity.

Greg Bagby is all alone at the finish as he shatters the school mark in the two-mile. While most people can not even walk two miles, Bagby ran the distance in 9:04.

Long-jumper Dan Reeves pock marks the sand as he concentrates on traversing of the greatest possible distance.

Pole vaulter Micky Cravens sprints toward the standards while focusing on the box. If his plant is incorrect the entire effort will be a waste.

Tranquil vacationers in Mission Bay are sometimes troubled by the appearance of a flotilla of modern Viking boats.

Year round conditioning, vigorous practice and fluid response to the coxwain's demanding orders enable the SDS crew to defeat USD. (foreground)

The victorious varsity repays coxwain Dave Palmer for riding while the others worked. Actually, this treatment is a crew tradition and is not meant to demean the coxwain who directs and steers the shell.

## Financial Hazards Rock Aztec Crew

Coach Del Beekley's oarsmen performed creditably this season in all four divisions of competition, varsity, junior varsity, lightweight and freshmen. In addition, the locally sponsored 8th Annual West Coast Invitational Rowing Regatta added prominence to the year.

However, budget shortages have threatened the future of crew competi-

tion despite student backing and local enthusiasm for collegiate rowing. A petition sponsored by Shell and Oar contained 1,500 student signatures, and called for increased funds for equipment and the hiring of additional coaching. Without the backing, ten years of Aztec tradition would be lost.

IFC TEAM SPORTS DEVELOP group cohesion and permit physical recreation.

## IFC Sports Some Win But All Benefit

Student's desire to compete against others, and against their own standards, not only in the classroom, but also on the intramural field. Athletic abilities can be tested in eleven different areas, in both individual and team sports. Winners are born and broken without the pressure of 50,000 spectators (or even fifty for that matter). The TKE'S, last place in the Black League in '67, were awarded the Horatio Alger trophy for winning the White League this year.

The great variety of sports allows everyone to compete.

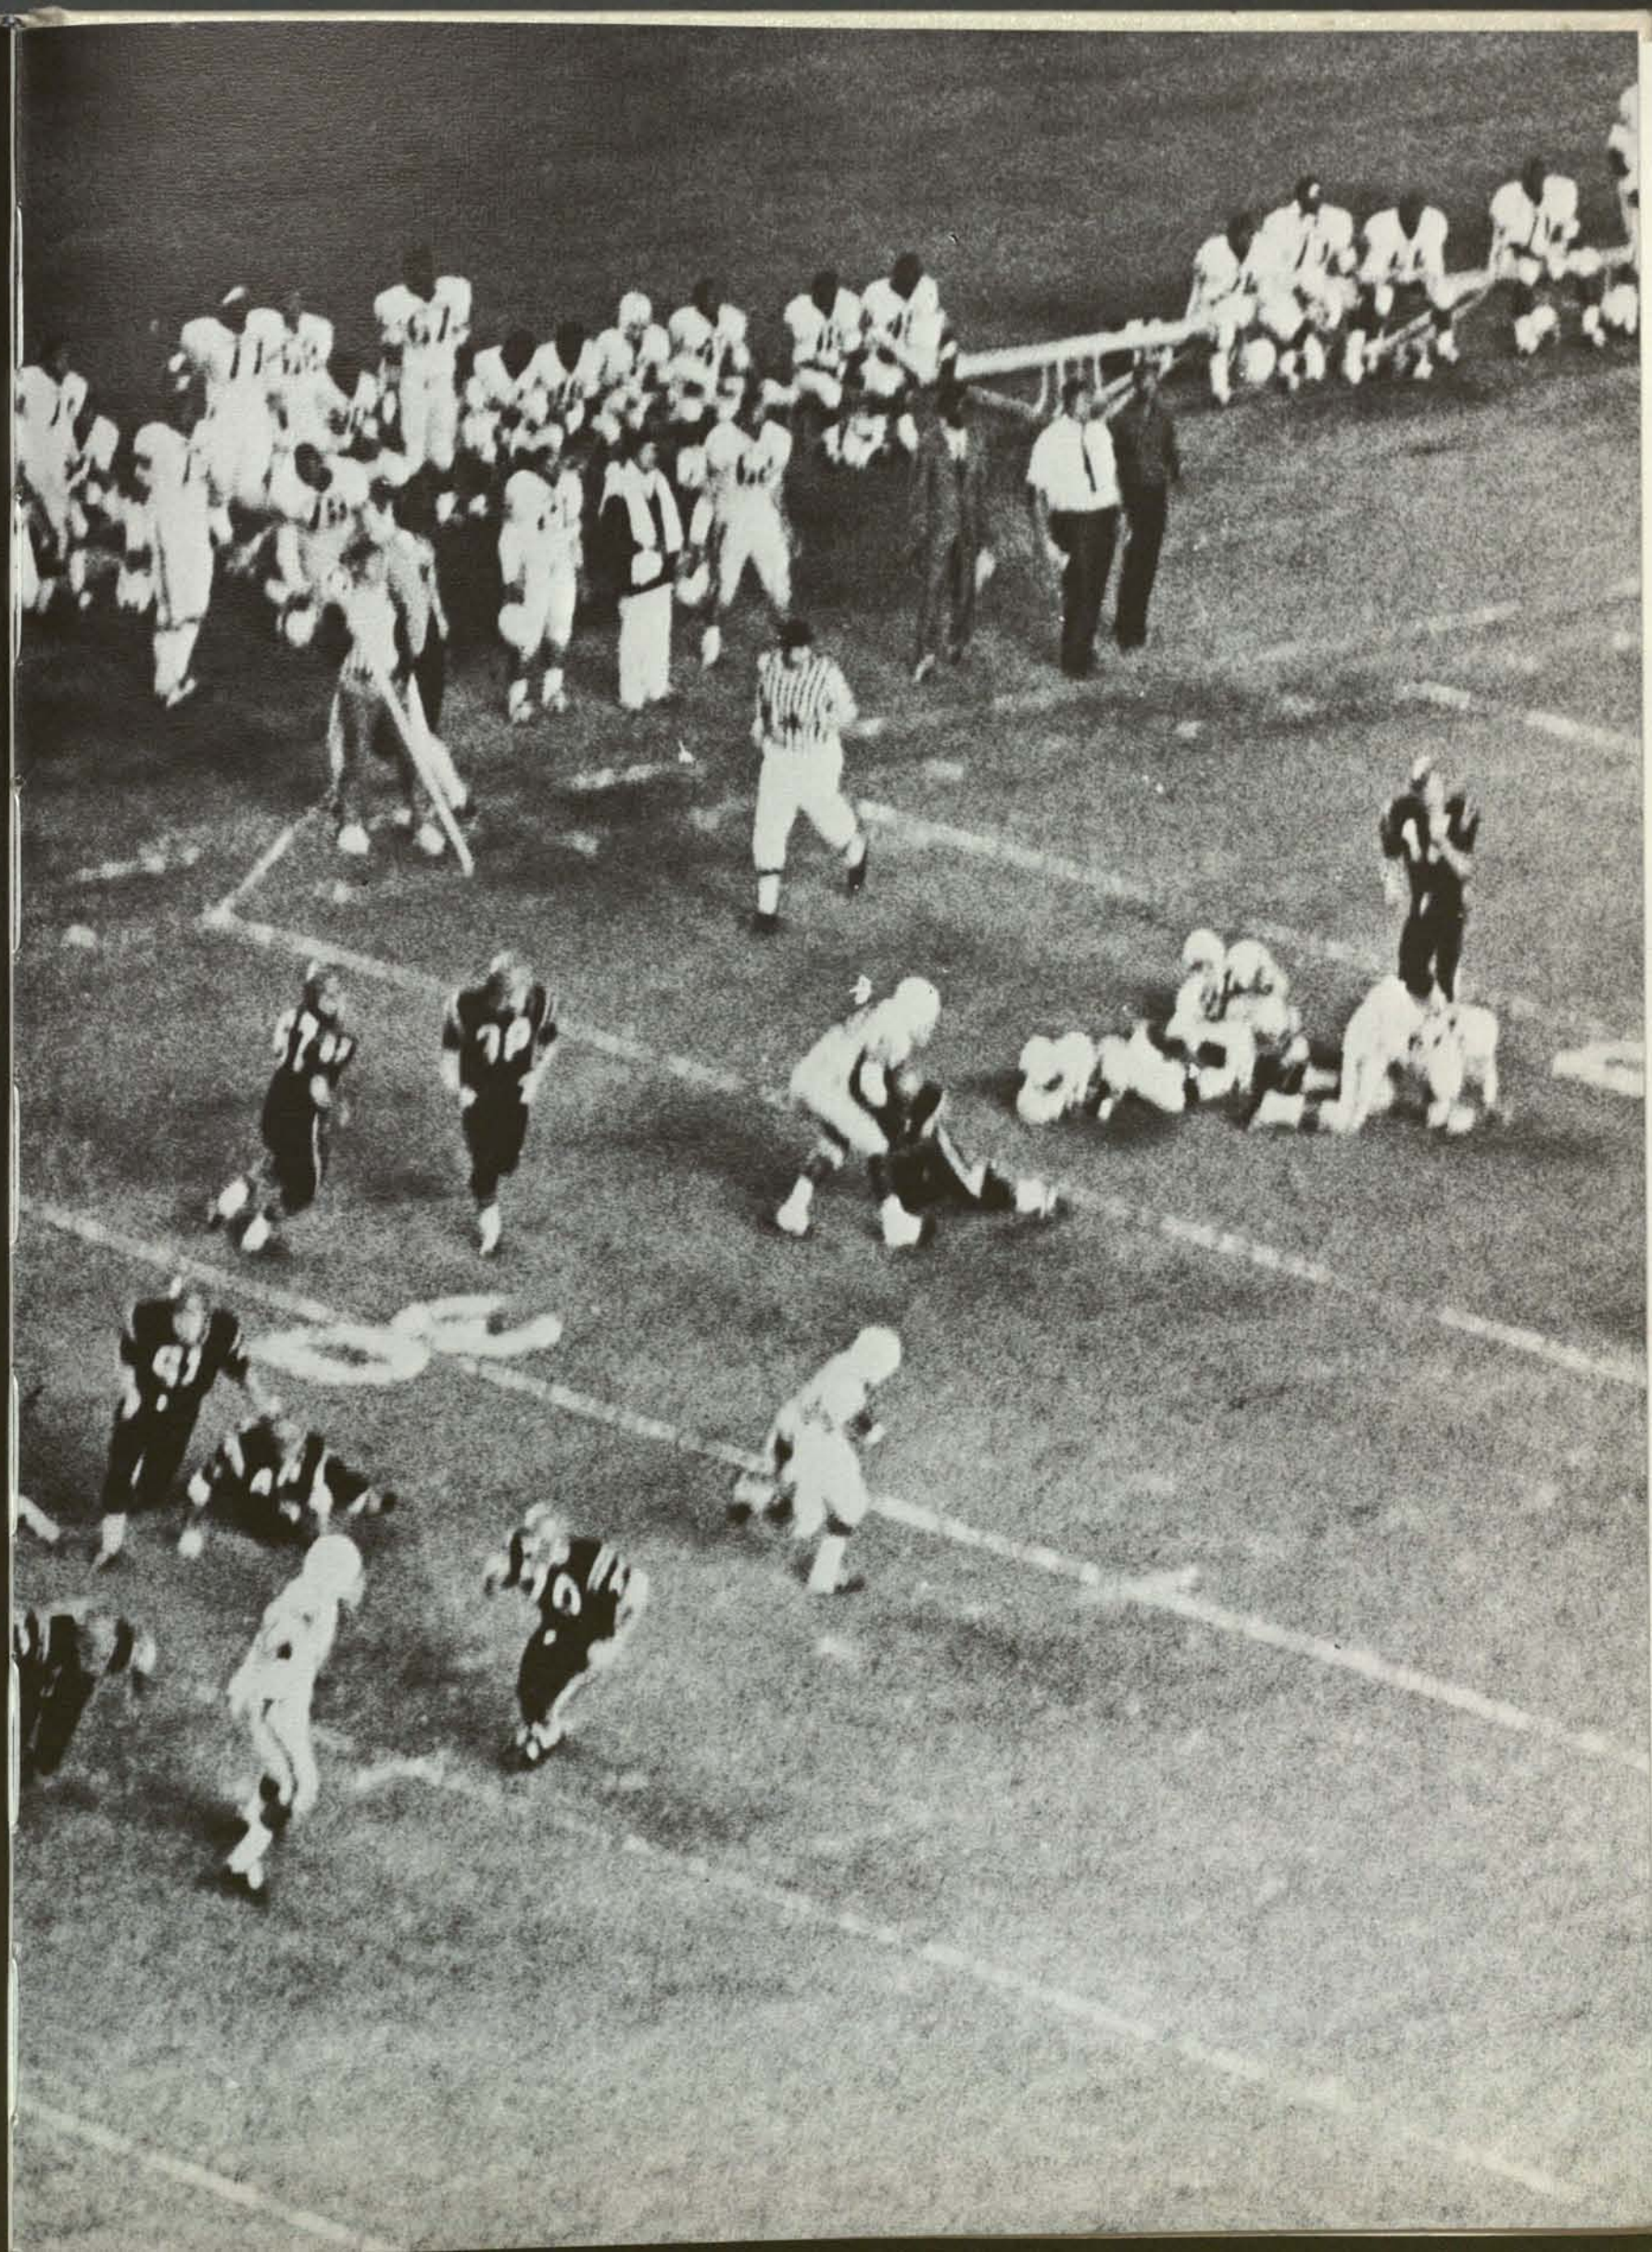

Individual competition demands a desire to improve against one's previous best. Byron Upham (below) of Sigma Nu clears 6'6"¾ in the high jump to set a new IFC record.

What can we say; they're going to sail.

# Aztec Sailing Club

With La Jolla, Mission Bay, and the San Diego Harbor, sailing is another natural San Diego sport. The Aztec Sailing Club offers a competitive atmosphere for more advanced sailors and lessons for the novice. When there's a breeze you'll find the club members at Mission Bay. The Aztec sailors participate in regattas and compete with other schools up the California coast.

Look at that idiot photographer treading water.

# Aztecs Strut...

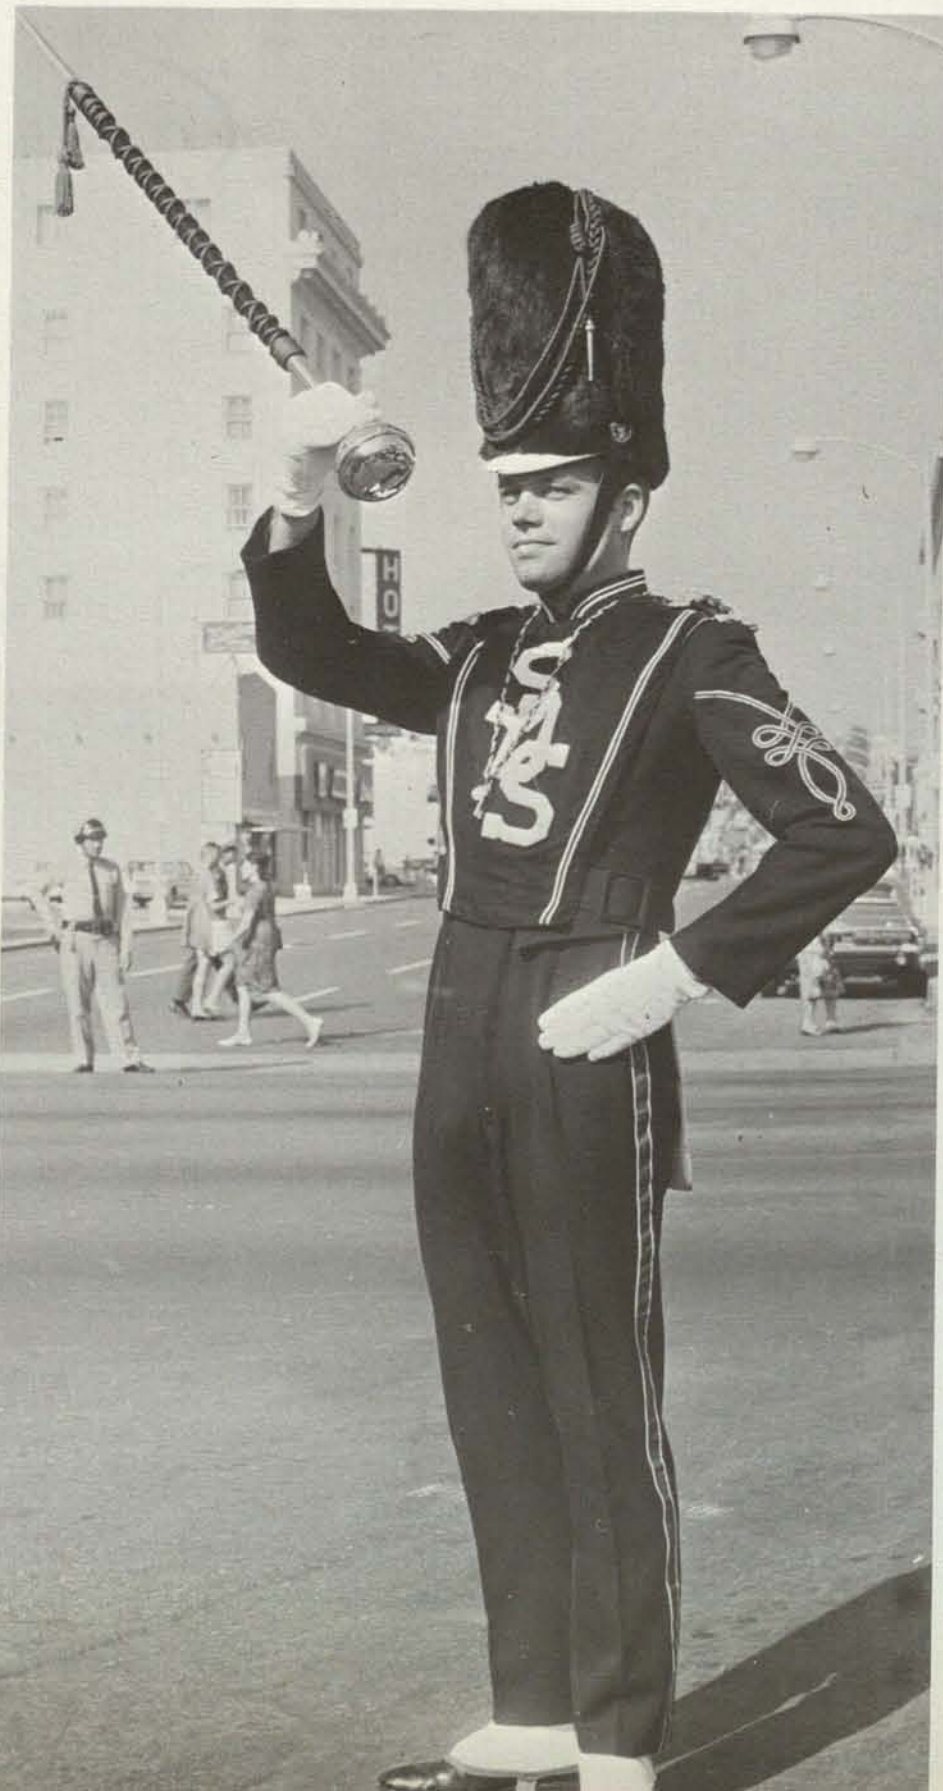

## Majorettes, Flags and Drum Major

Adding to the excitement and splendor of the Marching Aztecs are the drum major, majorettes and flag twirlers. The figure of Drum Major Royce Riggan can be seen strutting across the football field as he commands the band into its marching formations. Baton throwing and flag twirling girls add to the grace and beauty of the band as it parades and performs at Aztec football games.

Drum Major — Royce Riggan

I hope somebody is behind me.

Flag Twirlers — Peggy Cardinal, Kathy Flansburg, Colleen Fort, Leslie Thomas.

Majorettes — Jody Nelson, Patsy Boyce, Debbie Gann, Karen Greenrock.

Director Norman Rost reviews the troops.

## The Marching Aztecs

Sporting new band uniforms, the Marching Aztecs led the way for the opening football game in the new stadium. The 112 piece band under the direction of Norman Rost and graduate assistant Terry O'Donnell appeared at all of the Aztecs' home football games. For each minute of the half-time performance the band practices 30 minutes. The band represents the college at local parades such as the Parade of Champions and the SDS Homecoming Parade. They also performed at Disneyland.

## SDS Verse Choir

Poetry takes added dimensions when interpreted by the San Diego State College Verse Choir.

"The Crucifixion" by James Welton Johnson and "The Plot to Overthrow Christmas" by Norman Corwin were among the works recited by the group. This unique choir takes the "spoken and written word" and interprets it in graduations of 150 voices. The choir has made three motion pictures and records which are used by local schools to illustrate group verse interpretation. The choir performs at area school assemblies and for conventions. Each spring, they present a campus concert. The Verse Choir is directed by Prof. E. Kingsley Povenmire.

Prof. Povenmire directs a choir rehearsal.

Don't laugh, it's 1 unit of A

## College Chorus

Three hours a week plus numerous hours of rehearsals go into the performance of a work such as Handel's "Messiah" by the San Diego State College Chorus. The five hundred member chorus comprised mainly of non-music majors combined with the Concert Choir to present "The Messiah" at Christmas and Sternman's "Song of Moses" at Easter. The chorus is under direction of Profs. David Loomis and J. D. Smith.

# Spurs

The sophomore women of Spurs try to promote college and community spirit through their active participation in various service projects. During the year, they gave thousands of hours of service to SDS.

# Aztec Ski Club

The Aztec Ski Club has been a part of our campus for almost a decade. Obviously, its primary purpose is to promote skiing but the club does participate in other activities, such as parties, movies and meetings. This year President Dean Pratt said the ski club had a very successful ski trip to Mammoth Mountain and surrounding ski areas. In the future the Aztec Ski Club is looking forward to larger membership and trips farther from home.

Skiers take to the slopes in Aspen, Colorado.

Ski Club Officers are; from left: Dean Pratt, Vicki Hancock, Bob Skelton and Vicki Jackson.

# International Students Association

The International Students Association is made up of the nearly 300 foreign students on our campus, from about 50 countries, and American students — sharing in many educational and social events during the year. Monthly International Coffee Hours, a Brother-Sister program for new incoming foreign students, weekly meetings, the annual International Fair in the fall with items to buy from all over the world, and the International Festival in the spring — featuring songs, dances, music and displays from many lands; and a variety of social events, round out the I.S.A. activities.

International Students discuss varied ideas and opinions.

Informal meeting results in cultural exchanges.

## Society of Automotive Engineers and American Society of Mechanical Engineers

The Society of Automotive Engineers and the American Society of Mechanical Engineers promote engineering professionalism among the engineering students at San Diego State.

# Student Nurses' Association

Members are, from left, Row 1: Linda Cramer, Janie Miller, Diane Martin, Della Smith. Row 2: Linda Bethel, Nancy Harris, Eleanor Kerr, Pauline Clark, Leslie Anderson, Barbara Smith, Karel Dierks.

The Student Nurses' Association provides an opportunity for the student nurses at San Diego State College to become acquainted with the job opportunities available after graduation. The group also keeps up with the continuing advances being made in medical fields related to nursing. This is accomplished through guest speakers and discussions led by nurses or members of related fields. SNA aids community service through its philanthropy projects. This year the members participated in the activities of the Teen Tigers through the Cerebral Palsy Foundation.

# Sinawik

Members are, from left, Row 1: Marjorie Rohfleisch, Cathy Milton, Roberta Stern, Sharon Tucker, Carole Walters, Joyce Evans, Judy McClard, Beverly Daly. Row 2: Jan Droog, Linda Piraino, Lori Wall, Jan Klippel, Rose Therese Madden, Irene Winkler, Theresa Gussa. Row 3: Carol Nascimento, Pat Eagan, Nancy Lofgren, Yvonne McKelvey, Janet King.

Sinawik is a women's service organization affiliated with the Kiwanis Club. The women have been involved in many varied community service projects. Among these activities was repairing playground equipment for a school for exceptional children, and giving ward parties at Balboa Naval Hospital. In the Spring they hosted a conference for the Sinawik clubs of Southern California. They also hold social functions with Circle K.

"Future sociologists discuss the environmental consequences of choosing the correct cookie."

Alpha Kappa Delta, the national honorary society for sociology majors, helps all people interested in the social imperatives that specify the underlying mode of economic production which places specific limits and conditions on the theoretical basis for the second postulate. Many people in the group find that through their informal-formal relationships they conclude that thrift and such values in our own society are very nearly those valued in the antebellum South, or that social forms are instrumentalities the same as the totem poles of the Northwest coast.

The new, artistic entrance to the Alpha Phi Sorority house was created by the well known California sculpturer and wood carver, James Hubbel. Mr. Hubbel designed the brick entrance as a contrast to the wood architecture featured throughout the entire house. The door, a massive hand carved piece of art, has a freelance design carved in it, which is complemented with wrought iron scroll work. The stained glass windows on each side of the entrance accent the door and also carry out the use of wrought iron. The brick love seat, in front of the door, is a free form design and has tiny multi-colored tiles embedded in it. The tiles continue from the love seat onto the floor of the doorway and are used in the entry hall to form an artistic, mosaic design.

Delta Zeta sorority was founded in 1902 at Miami University in Ohio. It established the SDS chapter in 1949. Today, there are 175 chapters across the United States. Included in this year's activities were a Christmas and Spring Formal, a pumpkin carving contest and serving of refreshments during campus elections. DZ's participation and enthusiasm won it the national Delta Zeta award for the most spirited chapter. Officers for the year were Pamela Holloway, president; Suzanne Brooks and Gail Gerry, vice presidents; Barbara Parker and Barbara Fallis, secretaries; and Nancy Paulacka, treasurer.

Kappa Delta was founded in 1897 at Longville, Va. It was established on our campus in May, 1949, and has 104 national chapters in the United States. This successful year was led by President Eugenie Newton, Vice President Linda Miller, Secretary Linda Terrill, and Treasurer Marleen Skilton. Much time and effort went into the planning of the many social events held during the year. Some of these were the Christmas Dance, Roaring Twenties Dance, annual retreat in the fall, Founder's Day, and Mother's Day Brunch. Through their participation in Homecoming, the Kappa Deltas received first place in the Second Division 1965 and 1966 with their floats.

Scavenging for useful remains after their 26th consecutive Shipwreck, the boys fondly gaze with anticipation towards Miss Shipwreck (foreground) — Bertha Kroutzmeyer. It was rumored that lovely Bertha was doing an admirable job as helmswoman when upon hearing the haunting strains of "Little Egypt" she began to weave in a rhythmic course thus causing the tragic beaching.

Lambda Chi Alpha was established at Boston College in 1909. The local chapter joined the San Diego Greek system in 1948. Among the largest and strongest fraternities, its present national strength is 180 active chapters. This year's officers were Bob Zito, president; Chris Mortenson, vice president; Jim Ferguson, secretary; and Al Koljonen, treasurer. Traditionally the chapter enjoys a wide range of social events and activities. Headlining the list are the Little 500 Bike Races, an annual Thanksgiving Day Benefit Dinner, and the Cross and Crescent Weekend Formal. This year's honors include a 1st ranking in IFC scholarship, with the highest GPA in five years among fraternities.

Theta Chi was founded at Norwich University, Norwich, Vt., in 1856. As the first national to be chartered on campus, it arrived at San Diego State in 1948. The national organization now numbers 153 chapters. Officers this year were Al Worley, president; Mike Purcell, vice president; Ron Hawk, secretary; Ron Lovelady, treasurer. Along with enjoying social events like the Dream Girl Weekend Retreat and the Mix and Match Pajama Party, the local chapter earned the Lewis Award for the most progressive Theta Chi chapter in the nation.

# ZBT

Zeta Beta Tau was founded at New York College on Dec. 29, 1898. The local chapter was established in 1951, joining San Diego State with 64 other campuses in the national chain. Jim Eliaser, president, and his executive officers, Rich Shumsky, vice president; Harry Proctor, secretary; and Rich Brown, treasurer, led the "Zebe's" through an active year, which saw many hours donated to the Leukemia Drive. The Gaza Strip party, Sweetheart Ball, and Pajama party highlighted the social calendar. The house is additionally proud of the newly won Sobel Cup, its national rushing and scholarship award.

Delta Chi fraternity is looking forward to establishing national status next year. The fraternity was founded at Cornell in 1890. The chapter has enjoyed an active year under the leadership of Dave Estep, president; Dick Hughes, vice president; Larry Anderson, secretary; and John Troike, treasurer. Their social functions include such annual events as the White Carnation ball and the pledge-active football game. The Delta Chi's now sponsor the Powder Puff football tournament. The honors most recently acquired by the chapter include second place in the San Diego State College Bowl and first place in red league softball.

# News Broadcasting

KEBS is San Diego State's own radio communication system broadcasting on the FM band. Prof. Arthur Wimer, news director, said the station provides the students an opportunity to learn about broadcasting through practical application. The students write, edit and read

their own news reports. The news is compiled from wire services, reporters' stories and taped telephone interviews from off-campus sources. Students take turns serving as editors for the daily news broadcasts.
